

a public park and as a part of the public works of the state. In this view, I am of the opinion that you are authorized to execute this lease upon the terms and restrictions which are made a part of the lease and which have obvious relation to the protection of the public and others as against the hazards which may be created by the construction of the electrical power lines provided for in the lease.

An examination of the lease shows that the same has been properly executed by you as Conservation Commissioner, and by the Ohio Power Company, acting by the hands of its Vice President and Secretary, pursuant to the authority of the Board of Directors of said company expressed in a resolution of such Board of Directors under date of April 7, 1937.

I am accordingly approving this lease as to legality and form, as is evidenced by my approval endorsed upon the lease and upon the duplicate and triplicate copies thereof, all of which are herewith enclosed.

Respectfully,

HERBERT S. DUFFY,

*Attorney General.*
