Narrative:

On Tuesday, December 24, 2024, Ohio Bureau of Criminal Investigation Special Agent Steven Seitzman received dispatch-related records and recordings from Middletown Police Deputy Chief Ryan Morgan. SA Seitzman had requested all dispatch records (radio and 911) and any other dispatch/communications-related information regarding the officer-involved critical incident that occurred on the same date. The following items were received and reviewed:

911 Call Recording

The audio file began with a computerized voice indicating that the 911 call occurred on December 24, 2024, at 1904 hours. The dispatcher then answered the phone, "911, what's the location of your emergency?" The caller explained that she did not know the exact location of the incident, but she reported that there were two men fighting on the second floor of the apartment building in front of hers. She further reported that the smoke alarm was going off at the location of the disturbance. The caller said she was calling from 1006 Park Lane in the Olde Towne Apartment complex. The caller identified herself as Bobbi Moland. [Agent's note: Ms. Moland was later interviewed by BCI agents, which is documented in a separate investigative report.] Deputy Chief Ryan Morgan also provided a document containing the call detail record. See Figure 1 below.

Radio Traffic Recording

The audio file began with a computerized voice indicating that the recording began on December 24, 2024, at 1911 hours. A dispatcher dispatched police officers to 1004 Park Lane for "two males physically fighting." Officers arrived at the scene, and the dispatcher announced the time as "1914" hours. The dispatcher responded, "1916" in response to an officer who had just acknowledged he was clear on information provided by the dispatcher. Shortly after, an officer broadcast, "Shots fired. Shots fired. 1-0-4 Park Lane." The dispatcher said, "1923," in response to an officer indicating that a tourniquet was applied.

According to the call for service record, the shots fired announcement was entered by the dispatcher at 1918 hours. 1918 hours is also listed as the time Officer Rawlins activated his radio to announce shots had been fired. [REDACTED] then activated his radio to announce shots had been fired. See figures 2 and 3 below.
