DISAPPROVAL, BONDS OF GREENFIELD VILLAGE SCHOOL DISTRICT,
HIGHLAND COUNTY, \$4,000.00.

COLUMBUS, OHIO, December 15, 1924.

*Department of Industrial Relations, Industrial Commission of Ohio, Columbus, Ohio.*Re: Bonds of Greenfield Village School District, Highland County,
\$4,000.00.

Gentlemen:—

I have examined the transcript submitted to this department for an issue of \$200,000.00 school bonds, of which your purchase of \$4,000.00 is a part.

The transcript shows that notice of the sale of these bonds was published in one newspaper on June 9, 16 and 23, 1922, and in the other on three consecutive weeks beginning on June 15, 1922, both of which advertisements gave notice for the sale of the bonds on July 1, 1922.

Section 2294 G. C. provides in part as follows:

“All bonds issued by boards of county commissioners, boards of education, township trustees, or commissioners of free turnpikes, shall be sold to the highest bidder after being advertised once a week for three consecutive weeks and on the same day of the week, in a newspaper having general circulation in the county where the bonds are issued, and, if the amount of the bonds to be sold exceeds twenty thousand dollars, like publications shall be made in an additional newspaper having general circulation in the state.”

The latter necessary publication referred to above did not run for “three consecutive weeks” as required by Section 2294 G. C.

The transcript shows failure of statutory compliance as required under the decision of the Supreme Court of Ohio in 107 O. S., 406, and I am therefore compelled to disapprove these bonds for such failure, and advise you not to purchase the same.

Respectfully,

C. C. CRABBE,

Attorney-General.
