

forth. In 1890 Amelia C. Walker, widow of the said John H. Walker, acquired the leasehold estate, and in 1915 she acquired the fee from the state of Ohio.

In my opinion, the abstract shows a sufficient title to be in the name of Edward H. Walker on the date of the abstract, subject to the taxes for the last half of the year 1920, amounting to \$47.03, which are unpaid and a lien. The taxes for the year 1921 are also a lien.

You have further submitted encumbrance estimate No. 2010 which contains a certificate of the department of finance to the effect that there is an unincumbered balance in the proper appropriation to cover said purchase.

You have also submitted a deed executed by Edward H. Walker conveying said premises to the president and board of trustees of Ohio University, which, in my opinion, is sufficient to convey the title unto the said grantee.

The abstract, encumbrance estimate and deed are being transmitted to the office of the auditor of state.

Respectfully,

JOHN G. PRICE,

*Attorney-General.*
