

Trustees of Ohio State University, and Geo. H. Moor of Columbus, Ohio. This contract covers the construction and completion of Tunnel to Physical Education Building on the campus of Ohio State University, in accordance with the form of proposal dated August 17, 1931. Said contract calls for an expenditure of three thousand, four hundred and eighty dollars (\$3,480.00).

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. You have also furnished evidence to show that the Controlling Board has approved the expenditure. In addition, you have submitted a contract bond upon which the Hartford Accident and Indemnity Company appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law and the contract duly awarded. Also it appears that the laws relating to the status of surety companies and the workmen's compensation have been complied with.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,

GILBERT BETTMAN,
Attorney General.
