

contract encumbrance record No. 238 in and for the sum of \$750.00 which is an additional amount of money to be paid to Frederick L. Allyn covering the cost and expense of moving the barn or barns now on these premises. This contract encumbrance record has been properly executed and the same shows a sufficient unencumbered balance in the appropriation account to cover said sum of \$750.00 which is to be paid to Frederick L. Allyn for the purpose above stated. It is noted from recitals contained in these contract encumbrance records as well as from the certificate of the Controlling Board made a part of these files, that said Board has approved the purchase of this property and has released from the appropriation account the amount of money necessary to pay for this property and to pay to Frederick L. Allyn said additional sum of \$750.00 covering the cost and expense of removing these barns.

I am herewith returning to you for your further consideration with respect to the matters herein noted, the abstract of title, warranty deed, contract encumbrance records and other files submitted to me in connection with the proposed purchase of this property.

Respectfully,

HERBERT S. DUFFY,
Attorney General.
