

You have submitted the certificate of the Director of Finance to the effect that there are unencumbered balances legally appropriated in a sum sufficient to cover the obligations of the contract. You have also furnished evidence to the effect that the consent and approval of the Controlling Board to the expenditure have been obtained as required by Section 12 of House Bill No. 502 of the 87th General Assembly. In addition you have submitted a contract bond, upon which The Commercial Casualty Insurance Co. appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law and the contract duly awarded. No Industrial Certificate has been furnished, but in your letter of transmittal it is stated that the contractor has been in good standing up to October 29, 1928, and that it will be necessary for the Industrial Commission to render a bill and the contractor to pay the amount thereof before a certificate can be obtained.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon, subject to your obtaining the Industrial Certificate above referred to, and return the same herewith to you, together with all other data submitted in this connection.

Respectfully,
EDWARD C. TURNER,
Attorney General.
