APPROVAL, LEASE TO CANAL LAND IN THE CITY OF AKRON—  
HUGH M. EATON.

COLUMBUS, OHIO, June 7, 1933. •

HON. T. S. BRINDLE, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—This is to acknowledge the receipt of your communication under date of June 5, 1933, submitting for my examination and approval a certain canal land lease executed by you as Superintendent of Public Works and as Director of said department to one Hugh M. Eaton of Akron, Ohio.

By the lease here in question, which is one for a stated term of fifteen years and which provides for an annual rental of twelve hundred and seventy-four dollars payable in semi-annual installments of six hundred and thirty-seven dollars each, there is leased and demised to the lessee above named the right to erect and maintain buildings over and across the Ohio Canal and its embankment at West Bowery Street in the City of Akron, Ohio. The parcels of land covered by this lease are more particularly described as follows:

FIRST TRACT: Being a strip of ground approximately 75 feet in width included in the canal and its embankments, fronting on the southerly line of Bowery and Quarry Streets in said city, and extending thence southerly a distance of 150 feet, measured along the center line of the state canal property as shown by G. F. Silliman's survey of said canal, made under the direction of the State Board of Public Works in the summer of 1912.
