

range 10 east, while the second of these leases above mentioned covers the west half of the southeast quarter of section 6 in said township and range; and both of these leases are for a stated term of one year.

These leases are taken by you, acting on behalf of the state of Ohio, under the provisions of Section 1435-1, General Code, which authorizes the Conservation Council to set aside lands thus acquired by lease, for state game refuge purposes. And as to this, it is noted that there is attached to each of these respective leases an order of the Conservation Council setting aside the lands therein described for this purpose.

Upon examination of these leases, I find that the same have been properly executed and acknowledged and that the terms and conditions of the leases are such that they are in full compliance with the above noted and other statutory provisions relating to leases of this kind.

I am accordingly approving these leases as is evidenced by my approval endorsed upon the leases and upon the duplicate copies thereof, all of which are herewith returned.

Respectfully,

JOHN W. BRICKER,  
*Attorney General.*
