Hi Chad!

I don't see much on him. It just states that he was appointed [REDACTED]. He was in school from [REDACTED].

We won't have any history of his training because he is a Trooper. What are you looking for specifically? Maybe I can ask the director of professional standards.

Subject: OPOTA Officer Search

Erica –

My dad told me to reach out to you to help guide me to the right person at OPOTA.

I'm using the OPOTA officer search online and an OSP Trooper involved in a shooting this past Friday is not populating in my search. The trooper is [REDACTED] just trying to see if OPOTA has any records for him!

Thanks,
Chad
