

cation for such lease upon the public bulletin board in the office of the Department of Public Works, at Columbus, Ohio, at least ten days before any action is taken by you upon this lease. This lease instrument does not state when The Philip Carey Manufacturing Company made its application for this lease. But assuming, as I do, that the application for this lease was made by the lessee above named ten days or more before the 12th day of May, 1939, when you first took official action with respect to the grant of this lease on such application, and that such application was duly posted during the whole of such period of time on the public bulletin board in your office, I am inclined to the view that this lease is one which you are authorized to execute under the statutory provisions above noted.

Upon examination of this lease, I find that the same has been executed by you as Superintendent of Public Works and as Director of said department, acting for and in the name of the State of Ohio, and by The Philip Carey Manufacturing Company, lessee herein, acting by the hand of its President pursuant to the authority conferred upon him for this purpose by a resolution of the Board of Directors of The Philip Carey Manufacturing Company duly adopted under date of May 15, 1939.

Likewise, upon examination of this lease, I find that the provisions of the same and the conditions and restrictions therein contained are in conformity with the statutory provisions above noted and with other statutory enactments relating to leases of this kind. I am accordingly approving this lease, as is evidenced by my approval endorsed thereon and upon the duplicate and triplicate copies thereof, all of which are herewith enclosed.

Respectfully,

THOMAS J. HERBERT,
Attorney General.
