Re: *Certification Status of* [REDACTED]

Dear Chief Hart:

This is in response to your inquiry concerning the updating of peace officer training to maintain Ohio peace officer certification.

According to Rule 109:2-1-12(D) of the Ohio Administrative Code, persons who have previously been certified by the Ohio Peace Officer Training Commission and have had a break in peace officer service for less than one year may be re-appointed as a peace officer, but must complete any specialized training that has been mandated for re-appointed officers. In the case of the above-referenced individual, no such training mandates apply. Accordingly, no additional training is required at this time.

Note that this determination is made based upon information and documents submitted by you and the individual in question. Should the information provided prove inaccurate, this determination becomes void.

See the enclosure for information concerning requirements for annual firearms re-qualification.

Sincerely,

Kerry Curtis
