Officer Involved Critical Incident – 1132 Ashwood Drive, South  
Charleston, OH (L)

**Investigative Activity:** Case Opening  
**Involves:** Cole Matthew White (S)  
**Date of Activity:** 07/24/2022  
**Activity Location:** – 1132 Ashwood Drive, South Vienna, OH 45369, Clark County  
**Author:** SA Richard Ward, #55

**Narrative:**

In the early afternoon hours of Sunday, July 24, 2022, Ohio Bureau of Criminal Investigations (BCI) was contacted reference an Officer-Involved Critical Incident located in Harmony Township "Harmony Estates", Clark County, Ohio. Additional details indicated a Clark County Deputy Sheriff [Matthew Yates] was believed to be shot and unresponsive inside of the trailer [1132 Ashwood Drive] and the scene was still active. The suspected shooter, Cole White remained inside the trailer and had shot at officers who had unsuccessfully attempted to retrieve Deputy Yates on two occasions. Initially, Clark County Sheriff's tactical units attempted to recover Deputy Yates, but once deputies crossed the threshold of the entrance way, White fired at the deputies, which caused them to withdraw. The second attempt by Springfield Police SWAT also drew fire from White and was unsuccessful.

In the late morning hours, Clark County Sheriff's deputies were dispatched on a report of shots fired from inside 1132 Ashwood Drive. Deputies who arrived were informed by Kristen Mills that her wife Jodi Arbuckle, Cole White's mother, had attempted to contact White and had entered the trailer through a front window. Once inside, shots were reportedly heard by Mills and neighbors, who both contacted 911.

BCI Special Agent Richard Ward arrived on scene at approximately 1330 hours as other BCI personnel filtered into the area. Several tactical units; to include, Greene County Regional SWAT; Dayton Police SWAT; Ohio State Highway Patrol SRT; and Springfield SWAT were present as the scene remained active.

Between 1445 and 1500 hours, Springfield Police SWAT members were able to successfully recover Deputy Yates from the trailer while CS gas and distraction devices were deployed in and around the trailer. Moments after the recovery of Deputy Yates, a fire was observed emanating from inside 1132 Ashwood Drive, which consumed the entire trailer. An inspection of the trailer, once safe revealed the bodies of Cole White and Jodi Arbuckle, which bodies had

sustained extensive burns. The scene was processed by BCI Crime Scene Units along with the Ohio Fire Marshal's Office.

Agent Ward requested all responding officers/deputies meet at Northeastern High School for logistical purposes. In addition, BCI Agents collected and cataloged any weapons and personnel directly involved in the incident.

Additional items requested by BCI were all Body Worn Camera videos; Cruiser Camera videos and any documentation related the investigation. Listed below are preliminary documents collect at the onset and days following July 24, 2022. See Agent Perry Roeser's investigative Report related to Clark County BWC videos.

	<p>On July 24, 2022 at approximately 11:38 hours the Clark County Sheriff's Office requested assistance at Harmony Mobile Home Park 1132 Ashwood Drive South Charleston Ohio. Deputy Baldwin and I responded to the scene at approximately 11:51 hours. Upon our arrival we positioned our cruiser a couple streets away.</p> <p>Deputy Baldwin and I exited our patrol car and heard several shots being fired; Deputy Baldwin and I began to run towards the scene and took position at the northeast corner of the suspect trailer. Along with us was a South Charleston unit , Deputy Baldwin went back to my patrol car and grabbed a armored vest, helmet and drop bag.</p> <p>We remained in that position as Springfield Swat arrived on scene. Springfield Swat advised us the suspect was firing rounds towards our position out the rear window of the trailer and had us move to the staging area. We remained on scene until we were advised to clear at approximately 15:20 hours.</p>

<b>NARRATIVE</b>	<p>On July 24, 2022, at approximately 11:38 hours the Clark County Sheriff's Office requested assistance at Harmony Mobile Home Park 1132 Ashwood Drive South Charleston Ohio. I, Deputy Eric Zimmer, arrived on scene at approximately 1210 hours. Once on scene, I deployed my rifle and ballistic helmet, moving to a position approximately 50 feet from the 3-4 corner of the suspect structure. From my position, I was able to observe the 3 (south) and 4 (east) sides of the suspect structure, from the South-East. I was able to cover 1 exit and 2 windows on the 3 side, and 1 window high on the 4 side.</p>	
	<p>While at this position with several Officers from different agencies, we were advised that Tactical Units would use 2 MRAPs to attempt to breach the structure and cover a breach team intended to recover the downed Deputy.</p>	
	<p>Once the breach began, the structure began to shift on its foundation, moving from south to north. As this happened we received a limited amount of small-arms fire from the structure. The shots broke the window high on the number 4 (east) side of the structure. Shortly after this, I was advised that my position was in the line of fire for the Springfield Police Divisions (SPD) sniper team, and instructed to move back to an established staging area. I remained at the staging area until advised it was ok to clear by members of the Ohio Bureau of Criminal Investigation at approximately 1520 hours.</p>

	<p>On July 24, 2022 at approximately 11:38 hours the Clark County Sheriff's Office requested assistance at Harmony Mobile Home Park 1132 Ashwood Drive South Charleston Ohio. On my arrival shots were still being fired, I exited my cruiser and ran to the location where the shots were coming from, I positioned myself behind a trailer on the southeastern part of the shooter's location with Chief Jarrod Campbell, Chief of Police for the village of Donnelsville (Clark County). We could not see the down deputy nor the shooter I did stay at this location until the Swat arrived on the scene. I eventually did move from this location to place my cruiser at the entrance of the community to block non-emergency traffic from coming in, I then helped keep bystanders away from the scene.</p>

<p>AGENCY <b>YELLOW SPRINGS POLICE DEPARTMENT</b></p>	<p>INCIDENT NUMBER <b>2021-00004369</b></p> <p>INCIDENT DATE AND TIME <b>08/03/2021 19:51</b></p>						
<p>On 08/03/2021 at approximately 1951 hours, I was dispatched to the Yellow Springs Police Department at 100 Dayton Street, in the Village of Yellow Springs, Greene County Ohio, for a walk in request to speak with a police officer.</p> <p>I arrived on scene at approximately 1959 hours and met with reporting parties and victims, Charly Toler and Mackenzie Kenon. As they were filling out statement forms in the lobby, I went out to speak with them. Charly and Mackenzie were both manic and concerned about a sexual encounter they had in the Glen Helen, at approximately 405 Corry Street, in the Village of Yellow Springs, Greene County Ohio. I then asked both Charly and Mackenzie to speak with me in the unsecured interview room for privacy.</p> <p>Both Charly and Mackenzie were in the interview room at approximately 2000 hours. As they first started to speak with me, they continued their manic speech by quickly telling the events that transpired out of chronological order. As they spoke more, I could smell the distinct odor of an alcoholic beverage on Charly's breath. Once they calmed down, they were able to tell me that they arrived in Yellow Springs at approximately 1500 hours and parked in the Subway parking lot. They stated that they then ate at subway and decided to go on a hike for approximately 2 hours. They then stated that they jumped a secured gate near the parking lot that was blocking access into Glen Helen. They then stated that as they did so, they noticed a man follow them in the same fashion. As they started their walk into the Glen, Charly stated that she started talking to the strange man, who they would later know as Matthew Slaw, later identified as Cole M White. At that time, Mackenzie showed me one of Cole's social media profiles with a picture of him going by the name "Matthew Slaw."</p> <p>They then stated that they invited Cole to hang out with them at a big rock deeper into the Glen. They stated that Cole then showed them a knife that he had which they didn't find odd at the time. Once they arrived at the rock, they stated that other people were there, which is when Cole offered them alcohol. They stated that they then walked out of the Glen and into the 100 Dayton Street parking lot where they stated Cole retrieved a water bottle containing alcohol that tasted like spiced rum. I then inquired about Cole's vehicle. They stated it was a "racing" like white car with gold rims that was parked next to the basketball courts.</p> <p>Charly and Mackenzie then stated that they then walked back into the Glen, arriving at the rock once more. Once at the rock, they stated that they began drinking the alcohol. They then stated that they were all three sitting on the rock with Charly in the middle. They then stated that Cole became touchy with Charly, which is when she redirected Cole onto Mackenzie. They then stated that Cole and Mackenzie began making out. Mackenzie stated that Cole was touching her body as well as forcefully kissing her, trying to shove his tongue down her throat. Mackenzie then stated that this was all consensual. Charly then stated that at this time, Cole was pushing her back into them, trying to get her involved in the sexual activity. Charly stated that she was resistive, and eventually got up. Charly then stated that Cole got up and attempted to forcefully kiss her but putting his hands on the back of her head and buttocks. Charly then stated that she had to forcefully put her hand on Cole's throat and pushed him away from her, showing his advances were unwanted. Mackenzie then stated that she no longer wanted to have any physical contact with Cole either. Mackenzie then stated that she was somewhat scared to tell Cole no as he attempted to touch her further. They then stated that they made an excuse to leave, stating that they were going to some bar, which Cole replied with "what bar?" They then stated that they gathered their things and began to leave. In doing so, they stated that Cole smacked both of their buttock's one last time. They then stated that they then ran once out of his eye sight. They then stated that Mackenzie fell, scraped her knees, and began to have an asthma attack. Charly stated that Cole quickly approached and cut open Mackenzie's bag with his knife when asked. Mackenzie stated that her bag's zipper was broken and they were unable to open it which is why they needed assistance; however, her inhaler was in a different side compartment. Charly then stated that she spoke to Cole, stating to him that "I said no," to which Cole replied, "that's not what you were showing." Charly then stated that Cole quickly started walking ahead of them to leave.</p> <p>At approximately 2039 hours, Charly and Mackenzie wanted to have a smoke break. I then let them out of the side door which is when they immediately identified Cole's vehicle parked facing the basketball courts.</p> <p>At approximately 2054 hours, I had Charly come back to the interview room alone. Charly stated that Cole first touched her face and caressed her breast which she found odd. She stated that at that time, she redirected Cole towards Mackenzie because she wanted to friend to have someone. She then stated that her buttocks was touched a total of 2 to 3 times by Cole, which first took place on the rock. She then stated that she was initially scared to tell Cole "no" because of the knife he possessed, however, he did not threaten them with it. Charly then stated that the last time her buttocks was touched was as they were getting away from Cole, after having physically resisted him. Charly was then clear from the interview room at approximately 2114 hours.</p> <p>At approximately 2117 hours, I had Mackenzie come back to the interview room. Mackenzie stated that Cole seemed drunk, and that she didn't really drink much. She then stated that Cole seemed sexually interested in both her and Charly. Mackenzie stated that when they were all sitting down and Cole kissed her for the first time, she could feel Charly tense up as Cole was trying to pull her in. Mackenzie then stated that after Charly had to physically remove Cole off of her, that he continued to touch and kiss her. Mackenzie stated that she did not feel comfortable saying "no" to him, but that she did not reciprocate in kissing him back, and pulled away when touched. I then photographed Mackenzie's injuries on her knees, as well as her damaged bag. Mackenzie was then clear from the interview room at approximately 2135 hours.</p>

<p>Mackenzie and Charly were then in the lobby where they finished their statement forms, stating that they wanted criminal charges against Cole for the unwanted touching of their buttocks. Charly later sent me an email with Cole's social media picture, after already departing YSPD.</p> <p>At approximately 2157 hours, Cpl. Charles and I approached the suspect vehicle previously pointed out by Charly and Mackenzie. The vehicle was a white Mitsubishi Lancer with body modifications and gold rims, bearing Ohio registration 'JHT4103.' The registered owner of the vehicle was Cole M White who possessed a revoked CCW permit. Inside the vehicle was a male in the driver seat with his legs over the center console area, toward the dashboard. I then took photographs of the vehicle and the individual asleep inside. I then approached the driver window with Cpl. Charles at the opposite side. I then knocked on the window loudly until the occupant woke up. The individual slowly brought his feet around and attempted to unlock the vehicle. The individual seemed to stare at the door mechanism before I was able to hear an audible unlock. The individual continued to stare at the mechanism and me which is when I opened the door to check the welfare of the occupant. As soon as I opened the driver door, I could see the individual's eyes were red. I then asked him if he was okay, to which he slurred "yeah." I then asked the individual if his name was "Matthew" to which he stated that Matthew was his middle name. He then stated he was the registered owner of the vehicle, which is when I identified him as Cole M White, the same individual Mackenzie identified to me by his social media profile picture.</p> <p>I then asked Cole if he had anything to drink as his speech was slurred, his eyes were bloodshot, and the prior knowledge I had that he was drinking earlier with the victims. Cole stated, "not really." I then asked Cole where the keys to the vehicle were, which he then produced in his hand from the center console area. I then informed Cole that I initially approached him due to the accusation made against him earlier in the day, regarding the two girls in the Glen. Cole seemed to know what I was referring to as he stated "what." I then informed Cole that he also seemed impaired and in physical control of a motor vehicle. Cole wanted to know further about the accusations made against him in the Glen. I stated that I would not speak about the accusation without a formal interview. I then began asking Cole out of the vehicle. Cole then slowly and randomly began looking around the vehicle cabin. I then stated to Cole that he could grab his phone in the cup holder and exit the vehicle. Cole however pulled a silver in color knife out of his front left jean pocket, placing it in the center console area. I then asked Cole out again. Cole again asked about why I wanted to talk to him as he bladed his body towards me. At that time, Cpl. Charles joined me on the driver side of the vehicle. Cole then bladed his body away from me, concealing his torso and lifting is butt off of the seat as he put weight on his feet. I then stated to Cole that I didn't want him reaching around due to his dark window tint. At that time, I got closer and observed Cole pulling out a black rubberized gun handle that was in a black nylon holster. I then told Cole not to reach and took his left hand. Cpl. Charles then returned to the passenger side of the vehicle and gave Cole numerous orders to put his hands on the dashboard. Cole then stated that he had a gun in his waist band when asked. Cpl. Charles then stated that he was going to remove the gun from Cole's waist. At that time, Cole moved his hands off of the dashboard, and had to be ordered numerous times. Cole also argued as he failed to follow commands.</p> <p>Once Cpl. Charles had control of the loaded revolver, Cole stepped out as directed and was patted down for more weapons. Cole then would not answer Cpl. Charles when asked why he did not notify us that he was armed. Cole redirected questions, asking why I opened his door. I stated to Cole that I opened his door to check on him as he was passed out and seemed intoxicated. I then notified Cole that I had prior knowledge that he had consumed alcohol with the victims. Cole then stated "okay." I then asked Cole if he would go to the Police Department with me to be interviewed, to which he refused.</p> <p>I then placed Cole under arrest for Improper handling of a firearm in a motor vehicle at approximately 2208 hours. I then placed Cole in handcuffs that I checked for spacing and double locked. I then walked with Cole towards my police vehicle. As we did so, Cole stumbled as I supported some of his weight so he would not fall. Cole was then secured in my police vehicle.</p> <p>Cpl. Charles then unloaded the black "EAA", 6 shooter revolver chambered in .357 Magnum, by removing all 6 cartridges. The revolver bore the serial # 1741135.</p> <p>Cpl. Charles and I then searched the immediate area of the vehicle that Cole was reaching in when he was arrested in possession of a firearm. Wedged in between the driver seat and the center console was a blue automatic knife that ejected into place out of the front. The blade was double sided and rainbow colored. In the center console was the silver in color Gerber utility knife Cole had previously removed from his person. Also in the center console was a folding "North American Arms" 5 shooter revolver chambered in .22 long rifle, that was loaded and readily accessible to Cole. This revolver bore the serial # L174411. In the driver door were two additional pocket knives, one red in color and the other black. These knives were not confiscated. In the center console was a speed loader for the .357 magnum revolver that held 6 additional .357 cartridges. Both revolvers were later run through LEADS and were not stolen.</p> <p>At approximately 2225 hours, I transported Cole from one end of the parking lot to the side door of YSPD. Cpl. Charles then fingerprinted and obtained DNA from Cole as I spoke with prosecutor Cheri Stout to confirm criminal charges.</p> <p>I then attempted to get information from Cole, such as his phone number and his current address. Cole would not cooperate. I then looked through Cole's wallet to gain any identifying information, which is when I located is revoked CCW.</p>

INCIDENT NUMBER	2021-00004369
INCIDENT DATE AND TIME	08/03/2021 19:51

AGENCY	YELLOW SPRINGS POLICE DEPARTMENT
--------	----------------------------------

On 8-3-21 at approximately 2157 hours, Officer Raffoul and I observed a white vehicle located in the Yellow Springs Police Department parking lot that matched a vehicle owned by a suspect identified in a recent complaint. The vehicle bearing Ohio registration JHT4103 was parked on the northwest side of the parking lot near the basketball courts located at 100 Dayton St. Yellow Springs, Greene County, Ohio 45387.

Officer Raffoul and I approached the said vehicle in our marked police cruisers. Officer Raffoul checked the vehicle's registration through L.E.A.D.S. The vehicle returned to the suspect in question Cole M White. Dispatch advised that Mr. White was valid through the Ohio BMV with a revoked CCW. Officer Raffoul and I exited our vehicles and approached Mr. White's vehicle. Officer Raffoul approached Mr. White's vehicle on the driver's side while I approached on the passenger side.

I observed Mr. White was asleep and lying sideways across the driver's seat of his vehicle. Officer Raffoul and I both shined our flashlights in Mr. White's vehicle and on Mr. White to which he did not respond. At this time, Officer Raffoul and I conducted a welfare check on Mr. White due to our observations. Officer Raffoul knocked on Mr. White's driver-side window multiple times in an attempt to awaken Mr. White. Mr. White slowly awoke and started fumbling with the driver's side door. Mr. White appeared to be inebriated due to his lethargic and heavy-handed movements. Officer Raffoul assisted Mr. White in opening his driver-side door to check on his welfare.

Officer Raffoul spoke with Mr. White and asked him if he had consumed any alcohol this evening. Mr. White stated, "Not really." Officer Raffoul continued to speak with Mr. White about a complaint made against him earlier in the day. I remained on the front passenger side of Mr. White's vehicle. Officer Raffoul asked Mr. White to come into the Yellow Springs Police Department to speak with him about the complaint made against him. Mr. White opened his center console, removed a pocketknife from his left front pocket, placed the knife in the center console, and closed the lid. Mr. White started to exit his vehicle as he bladed his body towards Officer Raffoul. I walked around the back of Mr. White's vehicle to where Officer Raffoul was standing. I observed Mr. White then blade his body in the opposite direction now facing his passenger door with his back to Officer Raffoul. Officer Raffoul gave the lawful order to Mr. White stating, "Do not be reaching in your waistband." Officer Raffoul asked Mr. White what he was reaching for. I quickly returned to the passenger side of Mr. White's vehicle. At this time, I was unable to see exactly what Mr. White was reaching for due to Mr. White's vehicle window tint. For officer safety due to Mr. White's furtive movements, I opened the passenger side front door of Mr. White's vehicle and immediately observed Mr. White's right hand placed on a black-handled revolver that was holstered in his front appendix area. I immediately gave Mr. White the lawful order to place his hands on the dashboard of his vehicle. Mr. White did not comply and I again gave Mr. White the lawful order to place his hands on the dashboard of his vehicle. Mr. White removed his hand from the revolver's handle and placed his hands on the dashboard of his vehicle. I explained to Mr. White that I would be retrieving his firearm from his person. Mr. White then quickly leaned back placing his hands near the vehicle ceiling.

I immediately gave Mr. White the lawful order to place his hands back on the dashboard of his vehicle. Mr. White did not comply and I again gave Mr. White the lawful order to place his hands back on the dashboard of his vehicle. Mr. White then placed his hands on the dashboard of his vehicle. I safely removed the holstered revolver from Mr. White's person. Officer Raffoul ordered Mr. White to exit the vehicle slowly to which Mr. White complied. I placed the collected holstered revolver in my cargo pocket and assisted Officer Raffoul in detaining Mr. White. I radioed dispatch to clarify Mr. White's CCW status. Dispatch advised that Mr. Whites CCW status is revoked.

At approximately 2208 hours, I assisted Officer Raffoul in taking Mr. White into custody. Officer Raffoul handcuffed Mr. White and placed him in the back of his police cruiser.

I inspected the revolver that I confiscated from Mr. White and observed that it was fully loaded with (6) rounds of 357-magnum ammunition.

After placing Mr. White in Officer Raffoul's vehicle, Officer Raffoul and I conducted a search incident to arrest in the immediate area where Mr. White was sitting in his vehicle and making his furtive movements. While conducting the search incident to arrest, Officer Raffoul and I located (1) 22 caliber revolver, fully loaded with (5) rounds of ammunition in the center console. This revolver was located in the same area Mr. White had placed his knife during the interaction. Officer Raffoul located (1) revolver speed loader, loaded with (6) rounds of 357 magnum ammunition.

At approximately 2225 hours, Officer Raffoul and I relocated to the Yellow Springs Police Department.

Officer Raffoul walked Mr. White into the Yellow Springs Police Department interview room for further processing.

At approximately 0028 hours, I collected Mr. White's fingerprints and DNA.

At approximately 0051 hours, I transported Mr. White to the Greene County Jail located at 77 E Market St. Xenia, Greene County, Ohio 45385.

At approximately 0140 hours, I released Mr. White to the care and custody of the Greene County Jail staff.

BWCR 22-83-107

On 7-22-22 at 2335 hours, I was dispatched to 1132 Ashwood Drive reference a trouble call. The reporting party, Jodie Arbuckle (mother) stated that she has not heard from her son, Cole White for a while. She contacted Tylar Anderson one of Cole's friends so he went to make contact with Cole. Tylar advised that he tried to get Cole to answer the door to have a bonfire with him. Tylar advised that he heard Cole inside the residence but would not answer the door or his calls. Tylar stated that Cole's car was parked in front of the house. Tylar told Jodie that that he looked inside the windows to see or talk to Cole. He stated that he went to the back window that was 10 feet off the ground grabbed a ladder and looked inside. He stated that he seen Cole on the floor with what appeared to be a gun in his hand. Cole seen Tylar and got up slowly off the floor and moved out of site. Tylar stated that the look and the way Cole was moving looked very creepy. That is when they decided to call 911 for our assistance. Deputies arrived on scene and knocked on the doors and windows announcing our presence. We was not able to get Cole to answer the door. We was not able to confirm that Cole was inside the residence. I checked the window with Sgt. Hollopetter in the back where Tylar said he seen Cole but we could not see or hear him. Deputies check all the text messages from Cole and nothing ever stated that Cole wanted or intended to harm himself. Sgt. Hollopetter did contact Major Reynolds to see if we needed to investigate any further due to the mothers concerns. It was determined that we did not have enough to force entry in the house just needed an informational report to document the incident. No one on the scene had a key to the house. No emails gathered but updated phone numbers entered in the report. Nothing further at this time. Cole does have a outstanding felony warrant (weapons charge) out of Greene County.

BWCR 22-83-107

On 7-22-22 at 2335 hours, I was dispatched to 1132 Ashwood Drive reference a trouble call. The reporting party, Jodie Arbuckle (mother) stated that she has not heard from her son, Cole White for a while. She contacted Tylar Anderson one of Cole's friends so he went to make contact with Cole. Tylar advised that he tried to get Cole to answer the door to have a bonfire with him. Tylar advised that he heard Cole inside the residence but would not answer the door or his calls. Tylar stated that Cole's car was parked in front of the house. Tylar told Jodie that that he looked inside the windows to see or talk to Cole. He stated that he went to the back window that was 10 feet off the ground grabbed a ladder and looked inside. He stated that he seen Cole on the floor with what appeared to be a gun in his hand. Cole seen Tylar and got up slowly off the floor and moved out of site. Tylar stated that the look and the way Cole was moving looked very creepy. That is when they decided to call 911 for our assistance. Deputies arrived on scene and knocked on the doors and windows announcing our presence. We was not able to get Cole to answer the door. We was not able to confirm that Cole was inside the residence. I checked the window with Sgt. Hollopeter in the back where Tylar said he seen Cole but we could not see or hear him. Deputies check all the text messages from Cole and nothing ever stated that Cole wanted or intended to harm himself. Sgt. Hollopeter did contact Major Reynolds to see if we needed to investigate any further due to the mothers concerns. It was determined that we did not have enough to force entry in the house just needed an informational report to document the incident. No one on the scene had a key to the house. No emails gathered but updated phone numbers entered in the report. Nothing further at this time.  
Cole does have a outstanding felony warrant (weapons charge) out of Greene County.

On 7-22-22 at 2335 hours, I was dispatched to 1132 Ashwood Drive reference a trouble call. The reporting party, Jodie Arbuckle (mother) stated that she has not heard from her son, Cole White for a while. She contacted Tylar Anderson one of Cole's friends so he went to make contact with Cole. Tylar advised that he tried to get Cole to answer the door to have a bonfire with him. Tylar advised that he heard Cole inside the residence but would not answer the door or his calls. Tylar stated that Cole's car was parked in front of the house. Tylar told Jodie that that he looked inside the windows to see or talk to Cole. He stated that he went to the back window that was 10 feet off the ground grabbed a ladder and looked inside. He stated that he seen Cole on the floor with what appeared to be a gun in his hand. Cole seen Tylar and got up slowly off the floor and moved out of site. Tylar stated that the look and the way Cole was moving looked very creepy. That is when they decided to call 911 for our assista

Deputies arrived on scene and knocked on the doors and windows announcing our presence. We was not able to get Cole to answer the door. We was not able to confirm that Cole was inside the residence. I checked the window with Sgt. Hollopeter in the back where Tylar said he seen Cole but we could not see or hear him. Deputies check all the text messages from Cole and nothing ever stated that Cole wanted or intended to harm himself. Sgt. Hollopeter did contact Major Reynolds to see if we needed to investigate any further due to the mothers concerns. It was determined that we did not have enough to force entry in the house just needed an informational report to document the incident. No one on the scene had a key to the house. No emails gathered but updated phone numbers entered in the report. Nothing further at this time.

Cole does have a outstanding felony warrant (weapons charge) out of Greene County.

OFFICER	BADGE	DATE
WELLS, LEVI	L-47	03/23/2022

On March 23rd at approximately 16:23 hours, Sergeant D. Day and I were dispatched to 11590 Township Road 298, Middleburg, Ohio 43336(Midwest Express) in reference to a trespassing complaint. While Deputies were responding we were advised by dispatch the male suspect(later identified as Cole M. White) was refusing to leave the conference room in building 2F and refusing to speak with anyone on scene.

Upon arrival we were met outside the door of the building by the caller(identified as Jeremiah Cox) who later escorted us inside to where Cole was located. Jeremiah advised us Cole had not spoken to anyone since he was informed he was being suspended pending an investigation. Jeremiah escorted us to the conference room where Cole was located. Sergeant Day and I entered the conference room where Cole was sitting. I introduced myself to Cole and asked him to tell me what was going on today. To which Cole did not verbally respond and only held his left hand up as to point around the room. I informed Cole that he needed to leave the premises as requested by Midwest Express staff. I asked Cole if he lived nearby to which he replied "I plead the fifth" I advised Cole we only wanted him to leave the property. Cole again refused to speak or make an effort to leave. I advised Cole if he did not leave he would be placed under arrest. Sergeant Day advised Cole once again he needed to leave or he would be placed under arrest, Cole pulled what appeared to be his work credentials from his shirt pocket and held it up. Sergeant Day advised him that did not matter anymore and he needed to leave.

Cole once again did not speak or make any attempt to stand up and leave after he returned his credentials to his shirt pocket. Cole was advised he was under arrest and needed to stand up and place his hands behind his back to which he complied. Cole was placed in hand cuffs which were checked for proper spacing and double locked to prevent tightening behind his back. I conducted a search of Cole's pockets incident to arrest. Cole was escorted to our patrol vehicle where he was secured in the rear seat. Cole was asked to give a description of his vehicle and where it was located, Cole once again did not respond.

On 7-22-22 at 2335 hours, I was dispatched to 1132 Ashwood Drive reference a trouble call. The reporting party, Jodie Arbuckle (mother) stated that she has not heard from her son, Cole White for a while. She contacted Tylar Anderson one of Cole's friends so he went to make contact with Cole. Tylar advised that he tried to get Cole to answer the door to have a bonfire with him. Tylar advised that he heard Cole inside the residence but would not answer the door or his calls. Tylar stated that Cole's car was parked in front of the house. Tylar told Jodie that that he looked inside the windows to see or talk to Cole. He stated that he went to the back window that was 10 feet off the ground grabbed a ladder and looked inside. He stated that he seen Cole on the floor with what appeared to be a gun in his hand. Cole seen Tylar and got up slowly off the floor and moved out of site. Tylar stated that the look and the way Cole was moving looked very creepy. That is when they decided to call 911 for our assistance. Deputies arrived on scene and knocked on the doors and windows announcing our presence. We was not able to get Cole to answer the door. We was not able to confirm that Cole was inside the residence. I checked the window with Sgt. Hollopeter in the back where Tylar said he seen Cole but we could not see or hear him. Deputies check all the text messages from Cole and nothing ever stated that Cole wanted or intended to harm himself. Sgt. Hollopeter did contact Major Reynolds to see if we needed to investigate any further due to the mothers concerns. It was determined that we did not have enough to force entry in the house just needed an informational report to document the incident. No one on the scene had a key to the house. No emails gathered but updated phone numbers entered in the report. Nothing further at this time. Cole does have a outstanding felony warrant (weapons charge) out of Greene County.
