Involves: Felicia Jenee Marshall (W)
Date of Activity: 09/29/2021
Activity Location: Scene – 2469 Kimberly Pkwy. E, , Columbus, OH 43232, Franklin County
Author: SA Ryan D. Scheiderer, #89

Narrative:

On September 29, 2021, at approximately 1120 hours, Ohio Bureau of Criminal Identification and Investigation (BCI) Special Agent (SA) Ryan Scheiderer obtained a recorded statement from Felicia Marshall (Marshall) regarding the fatal shooting between officers with the Columbus Division of Police (CPD) and her ex-boyfriend, Kyle Veyon (Veyon), that occurred earlier on this date in the roadway at 2469 Kimberly Parkway E. in Columbus, Ohio. The following is a summation of Marshall's statement and additional information can be found in the attached audio recording.

Marshall met Veyon at a drug rehabilitation center and they began dating around June of 2021. Marshall ended their relationship in August of 2021, after Veyon was arrested for domestic violence against her. Marshall successfully completed the rehabilitation program, but Veyon didn't. Marshall believed Veyon was still struggling with his addictions and suffering from mental health issues. After their breakup, Veyon continued to pursue (calling and texting) Marshall and wouldn't leave her alone even though she told him that they wouldn't get back together.

Veyon made several calls to Marshall the night of September 28, 2021, which she did not answer. When Marshall woke this morning, she had texts from Veyon stating he had posted nude photographs of her on the internet. At approximately 08:15 Marshall went to work at Amazon as a driver. Veyon kept texting Marshall and ultimately sent her a picture of him holding a knife to his throat with the message "Thanks for the reason not to live". Marshall replied to that message with "I'm omw". The knife in the photograph Veyon sent Marshall appears to be a chef's knife with a red handle and floral print on the blade. Marshall returned home to her apartment (Q2) and Veyon was standing outside waiting for her. Veyon began causing a disturbance with Marshall so she tried to enter the apartment. Veyon rushed past her and went to the drawer containing her kitchen knives and retrieved a knife. Veyon then

“backed” Marshall into a corner in the bedroom and she pled with him to calm down. Veyon calmed down and Marshall was able to call her grandmother without Veyon knowing. Marshall left an open line with her grandmother and Veyon became suspicious of what was happening and attempted to “snatch” the phone from Marshall. At some point during that time, the phone disconnected.

Marshall believed her grandmother contacted the police because she received a call from CPD Dispatch. Veyon demanded to know who had called Marshall so she started talking in “code” to Dispatch and told Veyon she was speaking with her daughter’s school. Marshall then walked outside while pretending to be speaking with the school and observed two (2) CPD cruisers in the roadway. Marshall walked quickly to the cruiser and positioned herself between them. Marshall attempted to tell the officers what was occurring and that Veyon was threatening to kill her and himself. When the officers exited their cruisers, Veyon ran from the apartments towards where Marshall and the officers were positioned in the roadway. Veyon stopped briefly and then started chasing after Marshall. Marshall ran away and looked back to see Veyon “rubbing” the knife across his throat. Marshall continued to run and heard officers yelling commands at Veyon followed by gunshots. After hearing the gunshots, Marshall stopped. Marshall stated the police ordered Veyon to stop numerous times and they wouldn’t of had to shoot him had he listened to their commands. Marshall was adamant that Veyon would have killed her and himself hadn’t the police intervened. Marshall explained that during the August 2021 incident, Veyon “choked” her and was trying to kill her then. Veyon had made numerous threats to kill her when he was upset with her.

Marshall signed a Consent Form for SA Aja Chung authorizing agents access to her apartment and cellular telephone. SA Chung was able to photograph the half-open kitchen drawer where Veyon obtained the knife and located the red handle to the knife on the kitchen counter. Marshall also sent SA Scheiderer screenshots of the text message conversation she had with Veyon leading up to today’s events. SA Scheiderer noticed in the photograph of Veyon with the knife held to his throat it appeared he was standing in the kitchen of Marshall’s apartment. Marshall confirmed that Veyon was in her kitchen and the knife was from her kitchen drawer, but she hadn’t realized that until now. Marshall then explained that she doesn’t lock her apartment door because she doesn’t have a key to it and Veyon could have easily entered it.

Marshall was unsure how Veyon would have gotten to her apartment and claimed she didn’t know of any vehicles he would have driven because he doesn’t drive. Marshall stated Veyon stays in New Lexington or the north part of Columbus, but got a job at the Captain D’s on South Hamilton Road just to be close to her. Marshall denied being injured during the incident.

SA Scheiderer advised Marshall she should consider counseling for what happened and that it would be available for her through crime victim services which would be explained to her by detectives from CPD when they spoke with her. SA Scheiderer advised Marshall that if she encountered any roadblocks in getting counseling, she should contact him and he would assist her. SA Scheiderer escorted Marshall to her awaiting grandmother and they left the area together.
