

rental on the lease for the period of time from May, 1935, to May 1, 1936, from the sum of \$90.00 to \$67.50.

By the other finding of the Superintendent of Public Works, he has refused to grant to the applicant any reduction as to either delinquent or current rentals. Although I am inclined to the view that the approval of the Governor and the Attorney General is not required to a finding of the Superintendent of Public Works refusing to make a reduction in rentals current or delinquent, the action of your predecessor on both of these applications is approved by me and I am accordingly evidencing such approval by my signature upon the resolutions attached to the findings above referred to, and to the copies of said resolutions, all of which, together with the findings and applications, are herewith returned.

Respectfully,

JOHN W. BRICKER,
Attorney General.
