-----------------------------	--	-------------------

I, Trooper Colin B. Acciavatti, hereby make this voluntary statement to Ohio BCI at The Ohio State Highway Patrol, Akron Post on 6/15/2023 at approximately 1840 hours, I was called to respond to a barricaded subject call in the City of Cambridge. The address of the incident was 458 Foster Ave. Cambridge. Local units were on scene and shots had been fired at law enforcement from the residence.

I arrived on scene, and gathered my equipment needed. I was tasked with flying an interior drone into the residence once an opening had been made. Myself, Sgt. Beeler and Tpr. Saultz went to the bearcat that was positioned on the 1/2 corner of the residence. The local units fired wood boton rounds into the upstairs widow on side one and made a whole large enough for the drone to be flown into the residence. I attempted to the fly the Brinc drone into the house, but as soon as I took the drone off, the drone experience a "fly away" failure and became disabled.

Once Bear 2 arrived on scene, myself and Trooper Saultz moved to where it was positioned on the 1/4 corner of the residence. I was possitioned in the turret of Bear 2 as a lethal cover for the remainder of the incident. I provdied cover and support for Tpr. Graham as he launched gas rounds into the side 1, level 2 windows.

The suspect was found upstairs by a mini UAV with a large amount of blood coming from his head. The subject was not responding to the UAV and appeared to be deceased. The local Cambridge SWAT team made entry into the residence and located the subject who was deceased.

STATEMENT

REPORT #	STATEMENT DATE/TIME (MM/DD/YY HH:MM) 07/12/2023	OTHER REFERENCE #
----------	--	-------------------

I, Sergeant John Beeler U-146 (TL w/ OSHP SRT), hereby make this voluntary statement to Ohio BCI at Cleveland OSHP Post 18 on June 15, 2023 at roughly 5:50pm I received a phone call from the OSHP Hub notifying me that there was an armed barricaded situation ongoing at the address of 428 Foster Avenue Cambridge, Ohio. The HUB provided a point of contact as Captain Peoples with the Cambridge Police Department. I made contact with Captain Peoples and he advised that his officers were fired upon during their arrest attempt and that he needed OSHP's SRT immediately. I notified Sergeant Boyce and Lieutenant Mangin of SRT and we began to make plans of who we would send as well as what equipment was needed to respond.

I went in service at 6:46pm in SP-1947 and drove lights and sirens from my residence to the scene. The specific time I arrived on scene was not located in our CAD system but my body worn camera was first activated on scene at 8:34pm while I was meeting with the command staff on scene to develop our plans in handling the incident.

I went to the front of the residence to link with the local tactical team that was holding at side 1 of the residence along with Troopers Acciavatti and Saultz. At 2110 hours Trooper Saultz deployed wood baton rounds into a second story window near the 1/2 corner of the residence so that we could deploy a drone into the residence. Saultz deployed 6 40mm launchable wood baton rounds into this window. At 2112 hours Saultz deployed four more 40mm launchable wood baton rounds to clear our the glass of the same window. For both instances that Saultz deployed the wood baton rounds I was providing cover for him holding a shield. With the window broken out, OSP SRT was able to fly a drone into that bedroom, but the interior door to the bedroom was closed shut, so it could not continue to fly through the house. The drone landed in the bedroom and maintained visual of the interior door to see if anyone would open it. Verbal commands were continuously given over the PA system of the Bearcat announcing to the suspect for him to come out peacefully.

Through the next several hours SRT continued to break additional windows and introduce 40mm launchable less than lethal munitions to encourage the suspect to surrender. The windows primarily focused on were the windows on the second story near the 1-2 and 1-4 corners, as well as side 2 and side 3 second story windows. At 11:22 hours we had a team move up to the side 2 first story window where we raked out the window and removed the interior curtain. We also deployed two handheld OC canisters and a handheld recon robot through this window as well. The recon robot searched the first floor but was unable

to locate the suspect. We approached the same side 2 window a second time 11:47pm to throw a recon robot into the second story window. At midnight, Bumgardner was able to fly a drone into the second story side 2 window and locate the suspect lying in the hallway, on the second story. The suspect was not moving and appeared to have sustained a self inflicted gunshot wound to the head. Shortly thereafter Cambridge SWAT made entry into the residence and confirmed what the drone had discovered. OSHP SRT accounted for all of its equipment and departed from the scene to conduct a debrief at the OSHP Cambridge Post.

I, Trooper Josh Bumgardner U-1126 \_\_\_\_\_, hereby make this voluntary statement to Ohio BCI \_\_\_\_\_ at Cambridge OSHP Post 30 \_\_\_\_\_ on June 15<sup>th</sup> at roughly 1800 hours I received a phone call that there was an armed barricade situation ongoing at the address of 458 Foster Avenue Cambridge, Ohio. I went in service and started heading to the scene around 1833 hours. I was driving a marked patrol car Sp-989. I arrived on scene around 1923 hours.

Once on scene I took up an observation position on the second floor of a house that was across the street from the suspects house. I was able to see the front of the house from this location. At 2230 hours I was requested to fly a small UAV drone around the house to look for movement and possible entry for the drone. During flight with the drone I wasn't able to see inside the house and the drone lost signal and crashed outside of the house.

At about 2323 hours we took a few guys up to the side of the house to throw the hand held robot inside. We also recovered the drone at this time. The robot was unsuccessful. Once the drone had a chance to charge the battery it was launched for a second attempt at entering the houe. The drone launched at around 2356 hours. I was able the fly the drone throw the side window and up the stairs. Once at the top of the stairs I observed the suspect laying on the floor up against the wall with a gun in his lap. The suspect appeared to have a gun shot wound to the head and wasn't responsive to the drone. I then landed the drone beside him until Cambridge Police were able to make contact with him.

I departed the scene arounf 0106 hours on June 16<sup>th</sup>.

----------	--	-------------------

I, Trooper Hector Burgos U-1811 (OSHP SRT) \_\_\_\_\_, hereby make this voluntary statement to Ohio BCI \_\_\_\_\_ at Turnpike Headquarters Berea, OH \_\_\_\_\_ on June 15, 2023 at approximately 6:05pm I received a group text message from Sgt. Castellanos, asking who was available for a barricaded subject in Cambridge. I replied that I was available and will be responding shortly. At approximately 6:24pm I went in service, advising dispatch I would be enroute to the the barricade in Cambridge. I responded with my emergency lights and sirens activated. While en route to the incident, information was being put out over the radio for the responding units. It was advised that the subject had fired a gun at the initial responding officers from the Cambridge Police Department. At approximately 7:45pm I arrived on scene.

Once on scene, I began getting my equipment ready, to include ballistic helmet, M4 carbine, body armor, and entry gloves. I made my way to the command post and linked up with other units from the Ohio State Highway Patrol SRT. At the command post I was given a run down of the incident up to that point. A short time later our equipment truck arrived and other units and myself began getting our ICOR robot set up and ready for use.

After the ICOR robot was set up, I stayed at the command post until, Troopers Thomas, McKenzie and I were tasked with taking a position on at the rear of the house, utilizing a vehicle for cover. I was equipped with a pepperball less lethal launcher. No rounds from the pepperball launcher were launched at or into the house. We then returned to the command post, and regrouped. A short time later, other SRT units and myself approached the house on side 2. I was equipped with my M4 carbine and provided lethal cover to the units that were deploying hand held gas into the house. After deployment, we moved back to a position of cover. A short time later, we approached the house and deployed a Recon Robot into the house and moved back to our cover.

We deployed a drone and were able to have it make entry into the house. The drone operator was able to locate the subject, who appeared to be deceased. The units from the local tactical team then made entry into the house and confirmed the subject was deceased. At approximately 12:41am I departed the scene.

Trooper Nadi Graham's statement for the Barricade on June 15<sup>th</sup>, 2023 in Cambridge, Ohio.

On June 15<sup>th</sup>, 2023 at around 1821 hours I received a call to respond to Cambridge for an armed barricaded subject that shot at police officers. I was asked to bring BEAR 2, our armed vehicle to the scene. Once I arrived on scene I parked the BEAR at the side ¼ corner of the structure and gave armored cover to the law enforcement at that corner. During the operation I deployed less lethal rounds to break a total of three windows on side one and four. I then deployed CS and OC flameless gas rounds into the structure. Approximately one hour later, I flew a BRINC drone into the structure to try and locate the suspect without success in finding him. Shortly after that, I was informed the suspect was located and told to head to the Cambridge District Headquarters for debrief.

The above statement is true.

I, Sergeant Christopher F. Castellanos, hereby make this voluntary statement to Ohio BCI at The Ohio State Highway Patrol, Canton Post on 06/15/2023 @ 1840 hours I was called to a barricaded subject incident in the City of Cambridge. The incident location was 458 Foster Avenue, Cambridge. Units were on scene and I was advised there were shots fired at law enforcement from the residence.

I arrived on scene at 1925 hours and gathered the equipment I needed for the situation. Cambridge PD was on scene and had assistance from the Muskingum County Sheriff's Department. They had a Bearcat holding on the front of the residence utilizing the PA system. I took up an observation position with Trooper Josh Bumgardner across the street from the 458 Foster. We were in the upstairs of this house trying to locate movements from the barricaded subject. I utilized a handheld thermal device to try and detect the subject moving in front of the windows. Teams on the ground level deployed chemical munitions into the structure and we detected no movement inside the structure. UAV's were also utilized around the structure to detect his location inside the house.

At 2323 hours we moved a squad of units to side two of the house. I deployed a hand held Recon Robot into the bottom floor of the structure and began to clear the first floor of the house. I was able to clear the entire first floor but was unable to locate the basement access. We then approached the house and deployed an additional Recon Robot into the upstairs window on side two. We ran into technical difficulties and were unable to utilize the Recon Robot that was deployed into the upstairs. A mini UAV was eventually deployed through the downstairs side 2 window that flew upstairs to observe the subject sitting with a gun sitting in his lap with a large amount of blood coming from his head. The subject was not responding to the UAV and appeared to be deceased. This information was given to command and the Cambridge team eventually made entry locating the subject who was deceased.

I cleared the scene at 0105 hours, June 16<sup>th</sup>, 2023.

Sergeant C. F. Castellanos, [REDACTED]

REPORT # P23061500002348	STATEMENT DATE/TIME (MM/DD/YY HH:MM) 8/7/2023/1000	OTHER REFERENCE #
-----------------------------	---	-------------------

I, Trooper Samuel Davis, hereby make this voluntary statement to Ohio BCI at The Ohio State Highway Patrol, Alum Creek Facility on \_\_\_\_\_

6/15/2023 at approximately 1840 hours, I was called to respond to a barricaded subject call in Cambridge, Ohio. I was advised that a subject inside of 428 Foster Avenue, Cambridge, Ohio, had fired shots at local Law Enforcement earlier that evening. Prior to my arrival on scene, SRT and local Law Enforcement had attempted to make contact with the suspect, ported several windows and attempted to locate the suspect using drones.

I arrived on scene at approximately 2200 hours and made contact with other SRT members on scene. I went to the 1/2 corner of the residence and provided lethal cover as Sgt. J. Beeler (SRT) and local units introduced less lethal chemical munitions into the residence. There was no response to the chemical munitions.

At approximately 2322 hours, a group of SRT members moved up to the residence on the 2 side, utilizing multiple shields and lethal cover. SRT Units ported the first floor window on the 2/3 corner of the residence. I then deployed two handheld chemical canisters into the residence, one OC and one CS. There was no response after the introduction of the handheld canisters. A short time later, Trooper Bumgardner (SRT) was able access the residence with a drone. The suspect was located on the second story and was unresponsive.

Local Law Enforcement made entry in the residence and advised that the suspect had suffered a self-inflicted gunshot. All SRT Units secured from the scene and went to the OSHP Cambridge Post to debrief.

I, Sergeant Erik J. Lofland U-1344, hereby make this voluntary statement to Ohio Bureau of Criminal Investigation at Norwalk Highway Patrol Post on June 15, 2023 at approximately 1801 hours I was notified by a text message about a barricade situation in Cambridge where gun shots have been fired at officers. I was not activated for approximately an hour, unsure of what response was needed for the situation. The decision was made for me to respond in the event an explosive breach was necessary to gain entry into the structure. At 1945 hours I left my residence and resonded to 428 Foster avenue, Cambridge, Ohio.

Upon arrival at the command post at 2038 hours I prepared my entry gear and reported to the command post and assisted Sergeant Mason Boyce with the command and control. I remained at the command post throughout the event. I began to prepare explosive charges in the event they were needed to gain entry into the residence. While I was in the process of prepparing the charges Trooper Josh Bumgardner had located the suspect on the second floor of the structure in a hall way, by utilizing one of our drones. Once the suspect was located I secured my equipment and helped with securing all the gear we had utilized throughout the night.

At approximately 1241 hours we left the scene and went to the Cambridge Highway Patrol Post for a debrief.

STATEMENT

REPORT #	STATEMENT DATE/TIME (MM/DD/YY HH:MM) 08/03/2023/	OTHER REFERENCE #
----------	---	-------------------

I, Trooper Adam D. McKenzie U - 0811, hereby make this voluntary statement to  
Ohio BCI at Alum Creek Facility on

On June 15, 2023 at approximately 1840hrs, I was notified by my direct supervisor, Sgt Mason Boyce, of a barricade situation involving an armed individual at 428 Foster Ave, Cambridge, Ohio. I responded from my residence in my marker patrol vehicle SP 1570.

I arrived on scene at approximately 1948hrs. I parked my patrol vehicle several blocks from the scene, took my rifle, and my ballistic helmet from the vehicle, and walked to the scene. I met with my supervisors on the scene and was briefed on the situation. I was instructed to take up a containment position on the 2/3 corner of the residence. Around 2050hrs, Tpr Andre Thomas and I moved to our position. There were two Muskingum County Sheriff's deputies holding containment on the 2/3 corner behind a marker Sheriff's Cruiser at that location. We linked up with them to assist. I was tasked with holding the ballistic shield from that spot. The Deputies were utilizing their rifles to hold lethal cover on the residence. We were instructed to attempt to break the window on the 2 side second story of the residence. The window was the one closest to the rear of the house. Tpr Thomas, a Msukingum County Deputy, and I moved from behind the cover of the cruiser and into position from behind a tree. Tpr Thomas was using a rotary launcher, I was on shield, and the deputy was providing lethal cover for us. From that position Tpr Thomas fired wood baton rounds into the window at approximately 2140hrs and broke out the window. We then retreated back to the cover of the cruiser. The three of us then returned to the tree position around 2200hrs and introduced gas into the structure through the window Tpr Thomas had previous broke out. The three of our job duties remained the same. After depolying the gas, we again retreated to the patrol vehicle cover.

I remained at the 2/3 corner until I was instructed to move to the 3/4 corner to assist on containment on that side. There I met up with two other deputies and remained there for the remainder of the incident until we were notified the suspect was observed by another officer on scene via a drone camera. It was relayed the suspect appeared to be deceased from a gunshot wound and was lying on the floor. I then moved from my position back to the 2/3 corner where I remained until the entire structure had been cleared by a local team and verified the subject was deceased. I cleared the scene at approximetly 0041Hrs.

REPORT # P23061500002348	STATEMENT DATE/TIME (MM/DD/YY HH:MM) 8/16/2023/1800	OTHER REFERENCE #
-----------------------------	--	-------------------

I, Trooper Daniel H. Saultz, hereby make this voluntary statement to Ohio BCI at Conley Road Cedarville, Ohio on 6/15/2023 at approximately 1830 hours, I was called to respond to a barricaded subject call in the City of Cambridge. The address of the incident was 458 Foster Ave. Cambridge. Local units were on scene and shots had already been fired at local law enforcement from the residence.

I arrived on scene, and gathered my equipment needed. Myself, Sgt. Beeler and Tpr. Acciavati went to the bearcat that was positioned on the 1/2 corner of the residence. I launched 10 wood baton rounds using a 40 mm rotary launcher into the upstairs widow on side one of the house. This made a hole large enough to fly a drone inside the strcuture. Tpr. Acciavati attempted to fly the drone but the drone experienced a failure and was disabled when it fell to the ground.

Once Bear 2 arrived on scene, myself and Trooper Acciavati moved to where it was positioned on the 1/4 corner of the residence. Tpr. Acciavati posstioned himself in the turret of Bear 2 as a lethal cover as Tpr. Graham launched gas rounds into the side one upstairs windows. I made verbal announcements over the Bear's PA prior to gas rounds being launched.

After no response from the suspect after the first volley of gas rounds were launcehd, A plan was made to attempt to insert a throwbot and handheld gas into side 2 of the home. Using two ballistic shields several SRT units moved up to the a large window on side 2. Tpr. Davis inserted two handheld gas canisters into the home. The throwbot was thrown into the home as well. I held one of the ballistic shields at this time. SRT units then moved back off the house.

Trooper Bumgardner flew a mini UAV into the home and found the suspect upstairs with a large amount of blood coming from his head. The subject was not responding to the UAV and appeared to be deceased. The local Cambridge SWAT team made entry into the residence and located the subject who was deceased.

STATEMENT

REPORT # P23061500002348	STATEMENT DATE/TIME (MM/DD/YY HH:MM) 07/17/2023	OTHER REFERENCE #
-----------------------------	--	-------------------

I, Trooper Andre Thomas, hereby make this voluntary statement to Ohio Bureau of Criminal Investigation at Berea Tunpike OPS on June 15, 2023 I received a text message stating a active barriceade with shots fired is taking place in Cambridge. I got in my marked patrol car and made my way to the scene. I arrived on scene at 20:22. When I arrived on scene I was updated on the situation. Once a plan was formed by our team, myself and Tpr. Mckenzie went to the backside of the residence at 428 Foster Ave Cambridge, Ohio. We had a rotary gas launcher with us. At 20:54 we made our way to the back side of the residence.

When we arrived on the backside of the residence there were two deputys behind a patrol car. At approximately 21:40, I launched four wood baton rounds to break the window on the sceond level, second window from the right. At approximately 22:04 I launched four OC gas canisters on the second level, second window from the right. Three out of the four went into the home. We received no response from the suspect in the residence.

At approximately 23:23 we came up with a plan to break out the window on the two side of the house and throw in a handheld OC canister on level one. I had the task of breaking out the window with the Rake & Break. After I broke out the Window Sgt. Castellanos threw in a OC canister. We still recied no response from the suspect Taurean Brown. Next Sgt. Castellanos threw in a hand held robot to look for the suspect. At approximately 23:55 the suspect was found decosed on the ground from what appeared to be a self inflected gun shot.
