Clermont County Court

Before me, the undersigned, Judge of the Clermont County Court, personally came Special Agent Kevin Barkley, Ohio Bureau of Criminal Investigations (BCI), who being duly cautioned and sworn, deposes and says that in Anderson Twp., a hospital, who maintains control of records for patients who reside in Clermont County, on the premises located at:

Anderson Mercy Hospital
7500 State Rd.
Cincinnati, OH 45255

There is now being concealed contraband, evidence, or property, to wit:

Medical records - Gary Calloway (DOB: 11/14/1972), including but not limited to complete medical records, reports, evaluations, test results, or any other documents regarding the medical treatment of Gary Calloway at Anderson Mercy Hospital on July 14, 2026, through July 16, 2026.

Which properties are being concealed in violation of law, to wit:

O.R.C. Section 2921.33	Resisting Arrest	M-2
O.R.C. Section 2903.13	Assault	M-2

Which belief is supported by the following facts:

Your Affiant is a Special Agent with the Ohio Bureau of Criminal Investigation (BCI). Your Affiant has been in law enforcement since 2003 and has served in numerous roles, including Corrections Officer, Patrol Officer, Field Training Officer, Patrol Sergeant, and Detective. Your Affiant's training and experience include the investigation of numerous criminal cases, including, but not limited to, Homicide, Rape/Sex Crimes, Burglary, Robbery, Assault, Fraud, and Cyber Crimes. Your affiant is a certified Master Criminal Investigator with over 1200 official law enforcement training hours recorded with the Ohio Peace Officer Training Academy. Your affiant is currently involved in a criminal investigation and states the following:

On July 14th, 2026, at 0525 hours, Union Township Communications received a call from a resident at Daniel Court Apartments reporting a loud noise complaint at 640 Daniel Court, apartment 16A. The female caller, who did not provide her information, stated her neighbor had a loud video game that had been going on all night. She stated that the male was also urinating outside on the patio. She stated his name was Gary Calloway and stated she knew he had a warrant for failing to appear for court.

At 0529 hours, Union Township Police Officers were dispatched to the above loud noise complaint/warrant attempt. While en route officers requested radio communications check the subject for warrants and communications located an active "Do Not Recite" arrest warrant for Gary Calloway through the Clermont County Sheriff's Office for misdemeanor theft.

Union Township Officers arrived on scene and contacted Gary Calloway inside of the apartment. When officers attempted to arrest Gary Calloway, he resisted arrest, and while physically resisting officers, he became unresponsive. Officers requested that paramedics respond and while awaiting paramedics, officers began performing C.P.R. and other life saving measures. On Paramedics' arrival, Gary Calloway was transported to Anderson Mercy Hospital for emergency medical care.

Calloway received medical treatment at Anderson Mercy Hospital, and was originally in stable condition, however his condition later declined. On July 15, 2026, at approximately 2300 hours, Gary Calloway was pronounced deceased by Anderson Mercy Hospital doctors.

Union Township Police Department requested assistance from Ohio Bureau of Investigation to investigate the incident.

Your Affiant believes that the medical records need to be seized and preserved by law enforcement for prosecution purposes. Additionally, Your Affiant believes that the documentation on the Hospital Medical records and toxicology reports, which are documented by trained and experienced medical professionals are needed for the investigation.

Affiant further states that **there IS NOT** urgent necessity for said search to be conducted in the night season.
