COLUMBUS, OHIO, January 15, 1935.

HON. T. S. BRINDLE, *Superintendent of Public Works, Columbus, Ohio.*

DEAR SIR:—You have submitted for my examination and approval a number of transcripts setting out your proceedings on applications filed by lessees of canal lands

for a reduction in the several amounts of current or delinquent rentals or of both current and delinquent rentals due or to become due on leases held by the several lessees making such applications.

The applications covered by these proceedings, designated as to the names of the lessees, the numbers of the leases and the reductions granted are as follows: Albert Rowe, O&E 250, current reduction \$15.00 to \$9.00. Frank Englebrink, et al, M&E 400, reduction, delinquent, \$20.97 to \$15.73, reduction, current, \$13.98 to \$10.49. Frank Englebrink, et al, M&E 399, reduction, delinquent, \$127.98 to \$95.99, reduction, current, \$85.32 to \$63.99. The City of Piqua, M&E 196, reduction, current \$2,010.66 to \$1608.53. Upon examination of the several applications for the reductions granted by you in these proceedings, I find that such applications are in substantial conformity with the provisions of House Bill No. 467, enacted by the 90th General Assembly, 115 O. L. 512, under the authority of which these applications were filed and the reductions thereon were granted by you. Assuming, as I do, that each of these applications has received independent investigation and consideration by you, as is contemplated by the act above referred to, there is nothing in the several transcripts of your proceedings on these applications which indicates or suggests any reason why your proceedings on these applications with the results above indicated, should not be approved. I am accordingly approving the several transcripts as is indicated by my approval endorsed upon the transcripts and upon the copies thereof all of which are herewith returned.

Respectfully,

JOHN W. BRICKER,

Attorney General.
