1700_Sherrick_CPD

The folder titled *1700_Sherrick_CFD* contained one audio WAV file titled *1700_Sherrick_CFD*. It contained 89 radio transmissions which were recorded in reversed chronology. The recording was 5 minutes and 7 seconds in length and contained radio communications between the dispatchers and the Canton fire department. The folder also contained a file titled *1700_Sherrick_CFD-CDR* which contained identifying data for the recorded radio transmissions.

The folder titled *1700_Sherrick_CPD* contained 334 individual radio transmissions.
