APPROVAL, ABSTRACT, LOT NUMBER SIXTEEN, WOOD BROWN PLACE,
FRANKLIN COUNTY, OHIO

COLUMBUS, OHIO, June 23, 1920

HON CARL E STEEB, *Secretary Board of Trustees, Ohio State University,
Columbus, Ohio*

DEAR SIR—You have recently submitted an abstract which was last continued by George C Fairbanks, attorney at law, June 22, 1920, and requested the opinion of this department relative to the status of the following described premises as disclosed by said abstract.

“Situated in the county of Franklin, township of Clinton, and state of Ohio, and being known as lot number sixteen (16) in Wood Brown Place, of record in plat book 5, pages 196 and 197, recorder's office, Franklin county, Ohio

After having made a careful examination of said abstract it is my opinion that it shows a good and sufficient title to said premises to be in the name of James France and Susie France on June 22, 1920, the date upon which the abstract was last continued, free from incumbrances excepting the taxes for the year 1920, which are undetermined, unpaid and a lien upon said premises.

It may be noted that said abstract shows that no examination was made in any of the United States courts

Respectfully,
JOHN G PRICE,
Attorney-General.
