Activity Date: 07/26/2024

Activity Location: BCI Richfield

Authoring Agent: SA Jon Lieber #50

Narrative:

Canton Police Department (CPD) Officer Beau Schoenegge's (Schoenegge) body-worn camera (BWC) video consists of two files:

File titled "BeauSchoenegge_202404182023_BWC2124091-0" is 35 minutes and 46 seconds in duration. This video covers the time from Schoenegge driving to the crash scene until after Frank Tyson (Tyson) is taken away from the Amvets by Canton Fire Department (CFD) medics.

A separate report titled "2024-07-23: OOCIC Video presentation" details Schoenegge's body-worn camera video through the time when EMS personnel arrive at the Amvets to provide medical aid to Frank Tyson.

This report will review Schoenegge's BWC video after EMS personnel arrived at the Amvets.

The times referenced in this report will refer to the elapsed time of the video.

At 22:06, Schoenegge took over giving chest compressions to Tyson from another officer. Someone asked something that is unintelligible. Schoenegge responded "Don't know. We came in here, he fought us, said I'm not going with you, then started fighting with us. We took him down, he was breathing" [22:19]. At 22:37, Schoenegge said "Come on, come on Frank, stay with us." At 23:52, another CPD officer took over chest compressions while a Canton Fire Department (CFD) fire fighter/medic was preparing an Automated External Defibrillator (AED) pad.

At 25:05, a CFD medic asked Officer Camden Burch (Burch) if Tyson just dropped or if they hit him. Burch responded "No, no, we, we tripped him on the ground. He was still yelling." Schoenegge then said "Swept his legs underneath, we picked him up, laid him on the ground, and then" [25:12]. The medic asked, "Face first or face down or face

up?" Burch responded "Face down" [25:20]. Schoenegge said "He wa, he was sideways when we got him on his stomach" [25:22].

At 27:22, Schoenegge told medics that Tyson was heading east on Sherrick and hit a pole and then ran to the bar (Amvets). At 28:29, Schoenegge exited the Amvets.

At 29:32, Burch said to Schoenegge "He was on something, he was fucking strong. He was not, he was not bending at all." Schoenegge said "Did he have, did he have, was he holding on to the counter cause I swept one leg, he wasn't going, then I got both and he was still" [22:00]. Burch said "I didn't pin up against the counter because, I decided to uh" [22:06]. Burch stopped talking as Tyson was being brought out of the Amvets on a Gurney. At 29:54, it is believed that Schoenegge said "I'll talk to you all about, afterwards."

At 32:44, Schoenegge began to walk to his cruiser which is parked on Sherrick Road near the broken utility pole.

At 35:46, the video ends.

Video file title "BeauSchoenegge_202404182058_BWC2124091-0" is 32 minutes and 35 seconds in duration. The video began with Schoenegge walking toward a group of officers at the crash scene on Sherrick Road.

A CPD officer told Schoenegge, Burch, as well as several other officers to gather as much information as they could and to keep the road blocked off.

At 22:00, Schoenegge and Burch walked over to Tyson's vehicle and looked at the damage. See screenshot taken at 22:42, showing the front of Tyson's vehicle.
