ABSTRACT, STATUS OF TITLE, SOUTH HALF OF LOT NO. 82, HAMILTON'S SECOND GARDEN ADDITION, COLUMBUS, OHIO.

COLUMBUS, OHIO, May 17, 1924.

HON. CHARLES V. TRUAX, *Director of Agriculture, Columbus, Ohio.*

Dear Sir:

An examination of an abstract of title submitted by your office to this department discloses the following:

The last continuation of the abstract under consideration bears date of May 12, 1924, and pertains to the following premises:

Being the south half of Lot No. 82 of Hamilton's Second Garden Addition, (excepting six feet off the rear end thereof reserved for use of an alley), as the same is numbered and delineated upon the recorded plat thereof, of record in Plat Book 7, page 186, Recorder's Office, Franklin County, Ohio.

Upon examination of said abstract, I am of the opinion same shows a good and merchantable title to said premises in Elizabeth M. Conklin, subject to the following exceptions:

There appear to be one or two minor deficiencies in the early history of the title, but I am of the opinion, because of a considerable lapse of time, same may be disregarded.

Attention is directed to certain restrictions against the use of the premises for the erection of any building to be used for slaughter houses, the killing of animals or the use of said premises for the sale of intoxicating liquors and malt beverages. These restrictions follow the premises for a period of twenty-five years from the date of the subdivision.

The abstract states no examination has been made in the United States District or Circuit Courts or any subdivision thereof.

The last continuation in the abstract of the foregoing premises seems to have been made to include the north half of Lot. No. 83, but that part of the abstract preceding the last continuation is not sufficient to include premises other than the South half of Lot No. 82.

Taxes for the last half of the year 1923, amounting to \$6.99, and the taxes for the year 1924, amount as yet undetermined, are a lien.

It is suggested that the proper execution of a general warranty deed by Eliza-

beth M. Conklin Rittenhouse, and husband, will be sufficient to convey the title of said premises to the State of Ohio when properly delivered, it appearing that Elizabeth M. Conklin is now married to Joseph H. Rittenhouse.

Attention is also directed to the necessity of the proper certificate of the Director of Finance, to the effect that there are unincumbered balances legally appropriated sufficient to cover the purchase price before the purchase can be consummated.

The abstract is herewith returned.

Respectfully,
C. C. CRABBE,
Attorney-General.

ABSTRACT, STATUS OF TITLE, NORTH HALF OF LOT NO. 90, HAMILTON'S SECOND GARDEN ADDITION, COLUMBUS, OHIO.

COLUMBUS, OHIO, May 17, 1924.

HON. CHARLES V. TRUAX, *Director of Agriculture, Columbus, Ohio.*

Dear Sir:

An examination of an abstract of title submitted by your office to this department discloses the following:

The last continuation of the abstract under consideration bears date of May 12, 1924, and pertains to the following premises:

Being the North half of Lot No. 90, of Hamilton's Second Garden Addition (excepting six feet off the rear end thereof reserved for an alley), as the same is numbered and delineated upon the recorded plat thereof, of record in Plat Book 7, page 188, Recorder's Office, Franklin County, Ohio.

Upon examination of said abstract, I am of the opinion same shows a good and merchantable title to said premises in Alphonse Moreels, subject to the following exceptions:

There appear to be one or two minor deficiencies in the early history of the title, but I am of the opinion, because of a considerable lapse of time, same may be disregarded.

Attention is directed to certain restrictions against the use of the premises for the erection of any building to be used for slaughter houses, the killing of animals or the use of said premises for the sale of intoxicating liquors and malt beverages. These restrictions follow the premises for a period of twenty-five years from the date of the subdivision.

The abstract states no examination has been made in the United States District or Circuit Courts or any subdivision thereof.

Taxes for the last half of the year 1923, amounting to \$11.91, and the taxes for the year 1924, amount as yet undetermined, are a lien.

It is suggested that the proper execution of a general warranty deed by Alphonse Moreels, and wife if married, will be sufficient to convey the title of said premises to the State of Ohio when properly delivered.
