Witness Statement Sir,

On Wednesday January 17, 2024 I was on scene for the incident at 7702 Canton Ave. in Cleveland Ohio. I was in company of Sgt. Tessin and several D4 officers. We were posted in the parking lot of A.B. Hart. The position of our UC vehicle blocked any view we had of the windows in the target house. There was a house between us and the target house. We heard several vollys between the male and members of the SWAT team however due to our position we did not see anything.
