

Standard Oil Company, by the hand of W. J. Semple, a Vice President of said company, there has been submitted to me a certified copy of the minutes of the Board of Directors of The Standard Oil Company which shows that under date of November 22, 1938, said Board of Directors duly adopted a resolution approving, ratifying and confirming the action of said W. J. Semple, Vice President, in executing these instruments for and in the name of The Standard Oil Company.

With said rental agreement and lease, which by appropriate provisions therein contained are to be considered as one contract for the rental of the above described premises from the 1st day of December, 1938, to and including the 31st day of December, 1940, there has been submitted contract encumbrance record No. 78 duly executed under the provisions of Section 2288-2, General Code, which shows that there is an available balance in the rotary fund to the credit of the Unemployment Compensation Commission sufficient to pay the rental for said premises for the month of December, 1938; which contract encumbrance record, in my opinion, is a sufficient compliance with the provisions of the section of the Code above referred to. I am accordingly approving said rental agreement and lease, both of which are herewith returned to you.

Respectfully,

HERBERT S. DUFFY,
Attorney General.
