This contract covers the construction and completion of contract for Plumbing and Heating the Additions to the Memorial Building, Campus Martius, Marietta, Ohio, as set forth in Item 7 of the proposal dated January 30, 1930. Said contract calls for an expenditure of two thousand nine hundred and thirty-three dollars (\$2,933.00).

You have also submitted evidence that the Controlling Board has properly consented to and approved the expenditure of the moneys appropriated by the 88th General Assembly for the purpose covered by this contract, in accordance with Section 2 of House Bill No. 513 and Section 11 of House Bill No. 510 of the 88th General Assembly. In addition, you have submitted a contract bond upon which the Maryland Casualty Company appears as surety, sufficient to cover the amount of the contract.

You have further submitted evidence indicating that plans were properly prepared and approved, notice to bidders was properly given, bids tabulated as required by law and the contract duly awarded. Also it appears that the laws relating to the status of surety companies and the Workmen's Compensation Act have been complied with.

Finding said contract and bond in proper legal form, I have this day noted my approval thereon, and return the same to you herewith, together with all other data submitted in this connection.
