- I'm afraid I'm never going to have control over my life. I'm afraid that my life is going to be controlled just like it has been thus far. I'm in trouble

- Jim Carrey says act chipper & happy.
↳ Act fake while hatching a plan to get out of the situation

- This is some serious business

11/27

I would like to watch new series & sports but I just don't have the bandwidth to do so.

~~I~~ Instead of forcing me, Ask me if I want something done to me.

I'm tired, boy am I tired

I literally just want to be left alone

This whole situation is not fair

- This whole situation is very scary
- I want my life back
- I know what it feels like to be bought & sold
- When this over I'm coming home
- The whole getting sick thing bothers me
- The shit is fake as hell
- I'm angry that I'm being fucked with for no reason
- As soon as I leave this house they are going to test me
- This whole thing is really bad man
- It's terrible
- Your life isn't your life
- Truly terrible process & experience

- Keep doing the best you can with what you have

- Okay
