Investigative Report

2024-1584
Officer Involved Critical Incident – 27695, Tracy Road, Walbridge,
OH 43465

Investigative Activity: Evidence Submission
Date of Activity: 05/24/2024
Author: SA David Hammond, #120

Narrative:

On 05/24/2024 at 0226 hours, S/A Snyder turned over an article of evidence to S/A Hammond for transport to the Bowling Green Office of BCI. The items of evidence, 1 swab of "biomaterial from left hand of Wheatley", was collected by S/A Snyder.

S/A Hammond transported this item to the BCI Office located in Bowling Green after the completion of the crime scene. At 0845 hours, S/A Hammond secured the item of evidence into temporary locker #2.

The evidence inventory with listed chain of custody was scanned and placed into the Matrix system.

Investigation to continue.
