Narrative:

On May 26, 2022, Ohio Bureau of Criminal Investigation Special Agent Steven Seitzman (SA Seitzman) received a copy of surveillance footage from Miami Township Police Department Sergeant Josh Bail. The surveillance footage was from Orcutt & Company CPA (936 Business 28, Milford, Ohio). The footage captured the Officer-Involved Critical Incident from the north side of the roadway.

SA Seitzman reviewed the footage. SA Seitzman noted the date watermarked on the footage was May 20, 2022. While the overall image quality was clear, the distance between the camera and the Officer-Involved Critical Incident was significant. The footage does not have sound. SA Seitzman made the following observations:

- 17:01:43: A subject matching Camille Artice Weems' (Ms. Weems) description is seen approaching a maroon vehicle in the parking lot of the Berry Lane Apartments.
- 17:02:20: Four police cruisers arrive.
- 17:02:46: The subject, believed to be Ms. Weems, begins to approach the police officers.
- 17:02:51: The subject, believed to be Ms. Weems, falls to the ground.

SA Seitzman did not observe any other details due to the distance between the camera and the incident. SA Seitzman copied the footage onto an external hard drive. The hard drive will be added to the physical case file.

Agent's note: Sgt. Josh Bail advised SA Seitzman that he recently investigated a fatal auto accident in front of the Berry Lane Apartments. Through that investigation, he learned that Orcutt & Company CPA was the only business in the area with video surveillance. Agents checked the area and did not discover any other business with obvious external cameras.
