DISAPPROVAL—BONDS OF VILLAGE OF DEER PARK, HAMILTON COUNTY, OHIO, \$1025.00.

COLUMBUS, OHIO, August 4, 1936.

*The Industrial Commission of Ohio, Columbus, Ohio.*

GENTLEMEN :

RE: Bonds of Village of Deer Park.  
Hamilton County, Ohio, \$1,025.00.

The above bonds are proposed to be issued for the purpose of acquiring a motor truck. Section 2293-2, General Code, provides that :

“The taxing authority of any subdivision shall have power to issue the bonds of such subdivision for the purpose of acquiring or constructing, any permanent improvement which such subdivision is authorized to acquire or construct.”

Section 2293-I, General Code, defines "permanent improvement" as follows:

"'Permanent improvement' or 'improvement' shall mean any property, asset or improvement with an estimated life or usefulness of five (5) years or more, including land and interest therein, and including reconstructions, enlargements and extensions thereof having an estimated life or usefulness of five years or more. Reconstruction for highway purposes shall be held to include the resurfacing but not the ordinary repair of highways."

Section 2293-2 also provides:

"The estimate of the life of permanent improvements proposed to be acquired, constructed, improved, extended or enlarged from the proceeds of any bonds shall be made in any case by the fiscal officer of the subdivision and certified by him to the bond-issuing authority and shall be binding upon such authority."

In this case, the estimate of the life of the improvement sought to be acquired by this issue as made by the fiscal officer is four years, which estimate, of course, is binding upon the taxing authority of this village. Since this is not a permanent improvement within the meaning of the Uniform Bond Act, I am of the view that bonds cannot be issued for this purpose in view of said estimate. It is my advice, therefore, that you do not purchase these bonds.

Respectfully,

JOHN W. BRICKER,  
*Attorney General.*
