Narrative:

On Thursday, October 16, 2025, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Ryan Emahiser (SA Emahiser) received requested records and recordings from the Warren Police Department (WPD) Lieutenant Bryan Holmes. SA Emahiser had previously requested all dispatch records, audio recordings (radio, 911, and phone), mobile data terminal (MDT) communications, and any other dispatch/communications-related information from October 12, 2025, that had any relation to the Officer Involved Critical Incident that occurred the same day. Additionally, files from the Trumbull County Sheriff's Office were also obtained from Captain John Elberty for the same time frame. As a result of that request, the following items were received and reviewed:

911 Calls

A total of four 911 phone calls were received at the Trumbull County Dispatch center related to this incident.

Vesta Position 3, 00:34 hours on Sunday 10-12-2025

The first phone call was received at approximately 00:34 hours on October 12, 2025. The call recording was 14 minutes and 42 seconds in length. The first caller identified herself as Sarah Bailey (Sarah) and told the dispatcher that she was involved in a domestic with her husband Brad Bailey (Bard) at their residence, 7123 Oakfield North Road NW, Bristol Township, Ohio 44450. Sarah stated that Brad was acting as if he was on drugs, and that he had pushed her. She further explained that earlier in the day Brad had tried to run her off the road, had stolen her phone, and that she even went to the Trumbull County Sheriff's Office to report the incident.

During this phone call, she reported that nobody was under the influence of alcohol and that there were no weapons in the house. She then said that Brad entered the residence and took either a knife or a razor and left again. Sarah told the dispatcher:

I'm not following him, it's dark and I don't trust him (01:29)

Sarah sounded upset on the phone as her voice was shaking and accelerating at various times. When the dispatcher attempted to obtain information about the vehicles Brad may be driving, Sarah said that she was not certain. She then went and looked for the keys to her vehicle and told the dispatcher that she had both sets of keys, but she wasn't sure if Brad had spares. The dispatcher asked that Sarah remain separated from Brad as she awaited the police. Sarah told the dispatcher:

Yeah... I... he went out the door after I got up off the floor, I told him that was it. I was calling the police, I'm not going to live like this anymore. (03:13)

The dispatcher then asked Sarah if she had been pushed to the floor. Sarah stated:

Umm... I mean I don't wanna say he pushed me to the floor. I was trying to get my phone away from him and we both went to the floor.

At 03:56, Sarah told the dispatcher that Brad was attempting to get into the rear door of the residence. The dispatcher assured Sarah that help was on the way and later asked her if Brad had been physical with her in the past. Sarah stated:

Umm... not technically, no. But there has been situations and domestic charges have been filed against him. He... there's something wrong... like there's something wrong...(04:47)

Sarah sounded more upset and anxious as the pitch of her voice rose and she spoke at a faster pace:

He took my phone, like I said, he took my phone from me earlier and then he pulled in front of me either to A: hit my car or B: not let me leave. And I managed to get away from him and I said, 'I'm going to the police'. And I went straight to the sheriff's department who told me that it was outside of business hours and I had to go to the police department and they turned me away, even though I told them... I was leaving work, Elm Road. I have him on camera from my work cameras and the whole way down Elm Road he kept trying to ram me. I went straight down Elm Road to the Sheriff's department (05:05)

The dispatcher asked what happened at the Sheriff's Office and Sarah informed her that she spoke with a representative at the jail who instructed her to go to her local police department. Sarah was heard yelling, "*get away from the door!*" to an unknown person. She then continued to tell the dispatcher about being turned away from the jail.

Sarah was then heard yelling, most likely at Brad:

No, there will be no problems, Brad! I'm done! I'm done! I'm done! Don't try to manipulate the situation, Brad! You have to leave... (06:16)

Sarah then transitioned to speak to the dispatcher and stated:

And then I came home earlier and he came home behind me and he promised me he would stay in the other room and stay away from me. (06:53)

Sarah sounded as if she was beginning to cry while speaking with the dispatcher. She began to yell at another person on the other end of the line, presumably Brad:

I am calling Rich, Monday morning, Brad! I'm calling Rich, Monday morning. I'm calling Rich! Jesus. He's 10 feet away from me and he doesn't know what I'm saying. That's fine. I'm not opening the door. It's, I'm not opening the door. That's fine, I'm not opening the door. I'm not opening the door. I Okay, Brad. Okay. (07:08)

The dispatcher asked Sarah what Brad was saying and she stated:

You tackled me and beat me up, and he doesn't want any problems, is what he's saying. [Sarah sounded as if she began to yell at Brad again] There are no issues, Brad. You have to leave. You have to leave. I've, I've been on the phone with 911. They're on the way. I, I hope the fucking hell they kick you outta here. You haven't done anything, you've not done anything to me all day! Right, right, right, right! Okay. Brad, I have you on fucking video! I have you on video and I'm sure downtown Warren, they have me on video trying to get help! Bullshit Brad! Bullshit Brad! (07:50)

The dispatcher asked Sarah if she knew if Brad had the knife or razor blade on him to which Sarah responded:

Officer Involved Critical Incident - 681 4th St. SW, Warren,
OH 44483, Trumbull County (L)

Uh, he went outside with it. I don't, I mean, I'm... This has been 7:30 this morning. And he's on parole and probation and I've been trying to keep things civil so that way he doesn't end up getting in trouble. I just want him to leave. Now I don't give a shit. I hope he gets in trouble. 'cause maybe that's the only way he'll leave me alone. (08:46)

Sarah had another short verbal altercation with Brad. Afterwards, the dispatcher asked Sarah what Brad went to prison for, and she explained that it was for aggravated vehicular assault. Sarah continued on to tell the dispatcher that Brad was claiming he was not on any substances, but she felt that he must be, or else he must be suffering from a mental disorder. Another short verbal altercation occurred followed by the dispatcher asking Sarah what kinds of drugs Brad had used in the past. Sarah told the dispatcher:

Um, he was a heroin addict. He's done crack. He does pills. I mean, you name it. That's why he got himself in trouble and went to prison. Again, he says he's clean, but I, I don't believe it. (10:43)

Sarah then told the dispatcher:

I was sleeping. He came through the house, went in the bedroom, went into my things, started touching me inappropriately and accused me of sleeping with someone else, which is what his story is. And then all hell went from there. Took my phone 'cause I'm sleeping with someone else, which I'm not. (11:07)

The dispatcher attempted to comfort Sarah by telling her officers were on the way. She explained that she was alright for the moment as she was in the house, and she felt that Brad knew that he was in trouble, which was making him keep his distance from her. She then told the dispatcher that it was dark out and she could not see Brad but thought he walked away from the door. Sarah said that Brad was wearing blue jeans and a dark t-shirt, possible gray with yellow on it.

The dispatcher told Sarah that the first unit was in the area, but they had to wait for a second officer as they were not sure if Brad was armed. Sarah said:

He, like I said, he picked one up. He was trying to get a knife And I was trying to get my phone from him, so I was trying to squeeze myself in between him and the counter. So that way he didn't grab the knives, and he grabbed a blade. (13:15)

The dispatcher told Sarah that officers would be there in ten to fifteen seconds. Sarah said that she couldn't see Brad, but she told the dispatcher that she felt that Brad was in the garage. She said that she could hear something in that area which led her to believe that he was in that location. The call ended when the officers arrived at the Bailey residence.

Vesta Position 1, 06:08 hours on Sunday 10-12-2025

The second 911 call placed from the Bailey residence occurred at 06:08 hours and was 1:41 in length. The dispatcher asked if there was an emergency, and before the second caller could identify themselves the following verbal altercation could be heard beginning at 00:02 and lasting to the end of the call:

Muffled male voice: *Don't wanna hurt you...*

Muffled female voice: *NO [frantic] get off me...*

Muffled male voice: *Where's the keys at...*

Muffled female voice: *I dunno...*

Vesta Position 9, 06:10 hours (1) on Sunday 10-12-2025

The third phone call received from the Bailey residence was 5:06 in length and was received at 0610 hours. The dispatcher asked some preliminary questions and a female, later identified as Sarah's daughter Leah Poage (Poage), told the dispatcher the following:

Um, just last night, early this morning, around midnight, one o'clock, my mom and her husband had gotten into a fight. I'm 16. Um, I had woken up and they've been fighting all week. I was dead asleep. I woke up to a bang and I thought originally... that... it was, I'm sorry, I'm really shaky. I thought that it was them bringing the dogs back, including the door, you know, routine. I come out. 'cause the banging had not stopped. They're on the ground fighting, you know, and whatever she called the police, they get here, they take him, and then, you know, we calm down and we went back to sleep. I'm up now. I'm getting up for work. Um, he just stormed into the house, took all of our phones. We managed to wrestle him to get, this is my mother's phone that I'm calling on. He took the house phone, all of our cell phones. Um,

he wrestled all of us. He pushed my aunt to the ground, like on top of her pounding on her. My mom's trying to get him off. I was trying to run back here to get on the phone with Keith. (00:12)

The dispatcher then asked for further information. Poage informed the dispatcher that her mother's husband's name was Brad Bailey. She also notified dispatch that Bailey was still nearby the residence. Poage also said, "He is saying he's gonna die today" (01:57). The dispatcher asked Poage if Bailey was in possession of any weapons, to which she responded:

I don't know, but he's saying to stay away 'cause he's gonna die and [unintelligible] get my mom to see it... I don't know what he is doing. I know last night he, he had a knife and was running around with it. (02:08)

The dispatcher asked Poage to provide a description of the clothing that Bailey was wearing. Poage said that Bailey was in jeans and a gray t-shirt. Poage went on to explain that Bailey was outside of the residence while the other occupants of the house were in the living room. She also stated that she ran into the bathroom and locked the door. Poage said that she could hear her mom on the phone, and that she thought that she may also be on the phone with 911. When Poage was asked if Bailey left on foot, she told the dispatcher that she thought that he took the car when he left.

The dispatcher asked Poage if anyone needed medical assistance and she stated:

I... I, don't... as far as uh, of course I'm not out there... Um, I think there should be someone on watch if... you know, he's manic, he's in the car, you know, I would just... (03:52)

The dispatcher attempted to obtain some additional information from Poage in reference to Bailey direction of departure in the vehicle and remained on the line for several more moments until an officer arrived in the area.

Vesta Position 1, 06:10 hours (2) on Sunday 10-12-2025

A fourth phone call was received by TCSO Dispatch that was 5 minutes and 7 seconds in length. It was placed by Sarah Bailey who sounded as though she was in a frantic state. Her speech was fast paced, she sounded out of breath, and her voice was high pitched. When the dispatcher answered the phone Sarah immediately stated:

I, I think my daughter got somebody on the other line. I need the cops here now... My husband just came here and choked me, busted the

window, just hit my sister in the face, and he took all the phones.
(00:04)

The dispatcher attempted to obtain basic information from Sarah, and while she was responding a loud banging noise could be heard. Sarah was heard yelling, "QUIT IT!" (00:21) The dispatcher asked Sarah what Brad was doing and she stated:

Banging on the fucking wall, trying to get in the house. He broke the window and came in the window. (00:25)

The dispatcher tried to get Sarah to remain calm. She told them that officers had already been at the residence earlier in the night. The dispatcher then asked if anyone needed medical attention and Sarah said:

I mean we're okay but he fucking... do I have marks on me? He grabbed me by my throat and pulled me all the way across the yard.
(00:52)

Sarah went on to explain that Brad had also assaulted her sister. When asked if Brad had weapons on him, Sarah said that she did not think that he had any. Sarah also was not sure if Brad had been drinking. She said that she could not smell anything on him, but that there was something wrong with him.

The dispatcher asked where Brad was and Sarah said:

I don't know sir... Right behind me... He's got some kind of weapon to his head saying he's gonna die and we need to go. (01:25)

Sarah was not sure what the weapon was that Brad had pointed to her head. She then made several statements seemingly directed towards other occupants of her residence:

I got car keys. Where's Leah? I'm not leaving without my daughter.
LEAH! (02:01)

The dispatcher attempted to get Sarah's attention unsuccessfully. She continued to make statements to other people on scene with her and a male voice was also heard in the background making statements at 02:28:

Sarah: DON'T COME NEAR ME!

Male voice: I'm gonna die today...

Sarah: DON'T COME NEAR ME!

Male voice: *I'm gonna die today...*

Sarah: *DON'T COME NEAR ME! He's taking my car.*

Male voice: *I got my guns, I'm ready...*

The dispatcher then asked Sarah if Brad had a gun on him. Sarah responded in a rushed whisper, "they're fake" (02:42) The dispatcher said, "Huh, what?" and Sarah said, "Yeah, but I don't know if they're real." The dispatcher asked Sarah for more information about the weapons, but Sarah was not able, or unwilling to, provide further details. Sarah eventually told the dispatcher that Brad left the scene in a white Buick Regal towards State Route 45.

Sarah also told the dispatcher that there was blood all over the residence. She explained that it was most likely from Brad as he had fallen when coming through the window. The dispatcher remained on the line with Sarah until an officer arrived at the scene.

Computer Aided Dispatch (CAD) Records

CAD reports were provided for TCSO, WPD, and CPD. The CAD logs for WPD and CPD do not provide any comments and only list the time and length of the logged transmissions. Due to the nature of the WPD and CPD logs they did not provide any information not obtained from the radio traffic recordings which were documented below.

The CAD records provided by TCSO were reviewed and found to be in line with the information obtained from the 911 calls and the radio traffic transmitted by officers during the incident.

The two sections below of the TCSO CAD reports were of note:

Radio Traffic Recordings

Radio traffic recordings were obtained from three involved agencies: Warren City Police Department (WPD), Trumbull County Sheriff's Office (TCSO), and that Champion Township Police Department (CPD). The radio traffic for each agency was reviewed, and the most pertinent sections were included in the charts below. Additionally, all radio traffic occurred on October 12, 2025.

Trumbull County Sheriff's Office Radio Traffic

The radio traffic provided by the TCSO was in 42 individual audio snippets. Each snippet had an associated time stamp which documented when the radio transmission was made, and as such the times referenced below correlate to the time of day and not the elapsed time of the recording.

Time	Unit	Radio Traffic
06:44:32	Dispatch	TCSO units were notified that Bailey was fleeing from CPD
06:45:39	Dispatch	Dispatch patched the radio channels and advised that Bailey had the intent to commit suicide by cop

06:58:37	████████	████████ stated, "shots fired, shots fired, suspect down"
06:58:46	Dispatch	Dispatch acknowledged shots were fired and sent EMS

Warren City Police Department Radio Traffic

The radio traffic recording provided by WPD was 8 hours 24 minutes and 44 seconds in length. It began at approximately 0630 hours on Sunday October 12, 2025. The recording did not provide a time stamp for each transmission, and as such any times referenced are based on the elapsed time of the recording and not reflective of the time of day. Only the information deemed relevant to this investigation was documented in the table below. The radio recordings after the Office Involved Critical Incident were not relevant as they dealt with the day-to-day calls handled by the WPD.

Champion Township Police Department Radio Traffic

The radio files provided by the Champion Township Police Department were reviewed and a portion of the records were found to be duplicative of the TCSO files. The CPD channels were patched at 06:45:39. Some radio traffic from CPD did not appear to be present in the files obtained from TCSO, and as such, there may be some variation in the information documented below while the channels were patched. Additionally, the times referenced in the review of the CPD radio traffic are derived from the elapsed time of the recording as the recording is 8 hours 40 minutes and 49 seconds in length with minimal time markers to reference. The radio traffic after the shooting incident occurred was not deemed pertinent to the investigation as it had to do with general dispatching services related to day-to-day operations at the CPD.
