**GRILL CYLINDER EXCHANGE**

All cylinders must have protective collar & foot ring and be in reusable condition.  
**NO:** Leaks, dents, heavy rust, or tar on cylinder, or green coating on valve.  
**IMPORTANT:** For your safety, follow all laws and regulations.  
All cylinders must remain upright, transported securely and stored outside.

We'd love to supply propane to your home and business as well...  
**Call us TODAY!!!**
