Ohio 43201 (L)

**Investigative Activity:** Police Recorded Calls Review, Radio Traffic Review, Review of Records

**Date of Activity:** 11/15/2024

**Author:** SA Kyle Douglass, #126

**Narrative:**

On November 15, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent Kyle Douglass (SA Douglass) reviewed the "Computer Aided Dispatch" (CAD) report, dispatch radio traffic audio, and 911 emergency call audio received from Columbus Division of Police (CPD) Sergeant Terry McConnell (Sgt. McConnell). This documentation was requested by BCI in order to investigate an Officer-Involved Critical Incident (OICI) which occurred on August 11, 2024, at 197 West 8th Avenue in Columbus, OH. It was reported that CPD officers were called to a forced entry/break-in involving an armed individual when they became involved in an encounter with Asante Taaj Omar Miller (Miller). During the encounter, officers from CPD and the Ohio State University Police Department (OSUPD) discharged their duty weapons. Miller was later located in a bedroom closet and found to be deceased with a potentially self-inflicted gunshot wound. No law enforcement officers were injured during this incident.

Caller advised Miller was known to carry a gun.
- 2024-08-11\_07.59.23\_Redacted.wav – Male caller at 1517 Worthington Street called back with additional information about Miller, and stated he and other roommates were upstairs and Miller was still downstairs in the room near the front door. Caller provided a physical description of Miller but stated he did not know what Miller was wearing. Caller provided the passcode to the front door. Caller also described Miller as bipolar and warned dispatcher that Miller might "freak out" when police arrive.
- 2024-08-11\_08.18.36\_Ch95151029.wav – Caller stated they heard approximately four to five gunshots near 8th Avenue and Worthington Street.
- 2024-08-11\_08.18.50\_Ch95151040.wav – Female caller Lindsay (no last name given) from 235 West 8th Avenue saw someone with a gun walking towards King Avenue in the opposite direction of where she saw police officers. - build and described him as Hispanic.
- 2024-08-11\_08.19.43\_Ch95151075.wav – Female caller from 1469 Worthington Street reported hearing gunshots and saw "the guy" walk past her apartment. Caller described the individual as "tallish" with brown skin and black medium-length curly hair wearing a hoodie and said she saw he had a gun. Caller reported she believed he was running towards Highland. Caller said she was hiding in her car and left her apartment door unlocked and ajar. Caller identified herself as Kaitlyn (last name unintelligible).
  - 2024-08-11\_08.28.34\_Ch95151193.wav – Female caller reported she was hiding in her car and asked if there were any updates about the shooter's location. Caller stated she left her door open and asked if it was safe for her to go back inside her residence.
  - 2024-08-11\_09.53.51\_Redacted.wav – Caller Clinton Summers (Summers) identified himself as Miller's stepfather and asked for information about the shooting incident. Dispatcher asked to speak to Jennifer (Miller's mother). Dispatcher informed Jennifer that Miller had barricaded himself and was in possession of a gun which he had fired at police officers. Dispatcher asked Jennifer to call a police negotiator who was on scene. Summers stated, "He's got mental issues really bad," but did not believe Miller had been medically diagnosed. Summers discussed recent altercations he had with Miller, and also suggested negotiators not mention Summers's name to Miller because he believed it might agitate Miller further.
  - 2024-08-11\_09.58.43\_Ch95152207.wav – Female caller from 1469 Worthington Street stated she saw the "shooter" walk by. Caller asked if the suspect's location was known by police.

SA Douglass documented the communications believed to be relevant to the incident. Dispatch radio traffic and emergency call documentation received from CPD are attached to this report.
