On September 9, 2019 I was dispatched to 2217 West Ave (Carington Park) in regards to a walk away patient.

Upon my arrival, I spoke with Sylvia Teasley. Sylvia stated Jerry Pegram had walked away from Carington against medical advice. Jerry signed himself out on 9/4 at 11pm. Sylvia stated he was supposed to check back in the next day. Jerry did not make the check in. Sylvia made contact with Jerry who stated he was in Cleveland visiting his mother at a hospital. Sylvia has made several attempts to call and text Jerry telling him to come back to the park or he would be discharged. Jerry voice mail was full or he would just not call back. Jerry did come back Saturday night asking for his pain meds but was not given them so he left again. Sylvia stated she does not know what he is wearing or where he would be at. The computer system for Carington Park has him listed at 1931 E Prospect Rd lot 521. Sylvia advised that Jerry has already been discharged for leave against medical advice and would have to go through the whole application process again. I advised Sylvia a report would be on file and a bolo would be put out for Jerry to check his well being.

<p>A caller reported a suspicious male on Bridge Street near the lift bridge. Ptlm. Massie looked for this male but he could not locate him.</p> <p>A short while later dispatch got a call about a man in the 1700 block of Columbus Avenue. It was reported that this man was running around aiming a flashlight beam into houses and he was yelling.</p> <p>I arrived in the area to find a man walking quickly/running right down the middle of Columbus Avenue. The man was aiming a flashlight beam all over and he was screaming but I could not make out what he was saying. The man was moving south. I knew that Ptlm. Massie was behind me to the north and he was heading my way and I could see Ptlm. Bainton was to my south approaching me.</p> <p>I advised over the radio that I had the man in sight and he appeared to be high on meth. I thought that once Ptlm. Bainton got close enough he would head the man off and distract him then I would be able to approach the man on foot and make contact with him, however the man had other ideas.</p> <p>Once we headed the man off he then ran east to the side of the road and into the woods. The man probably tripped over some broken concrete and then he tumbled down a large gully and came to rest stuck in a nest of overgrowth of small trees and he could not move.</p> <p>We made contact with the man and he was Jerry Pegram. We have active warrants for his arrest for Possession of Drug Paraphernalia and Unauthorized Use of a Motor Vehicle. The Sheriff's Department also has warrants for his arrest.</p> <p>CCAN and AFD were called. When they arrived they had to place Jerry on a backboard and then they had to pull him out of the gully with a rope. Jerry was taken to ACMC for medical evaluation.</p> <p>I advised dispatch to call the ACSO to let them know that Jerry was at the hospital in case they wanted to arrest him on their warrants.</p>

I met with Sharon Skaggs at ACMC where she has been a patient for several days, she wished to report her son, Jerry Pegram Jr has taken her vehicle without her permission. She stated she was transported to ACMC by ambulance after suffering from health issues on the past Saturday. She then stated she was in possession of her keys to her vehicle and her apartment which were later given to Jerry while she was in the ER. She told me he stays with her at her apartment from time to time even admitting she may be evicted if management learns he is staying without permission. She stated he does not have keys of his own but was permitted to use the vehicle by her the day prior when she asked him to run to the store for her since was feeling ill. He did return at the time and gave back the keys continuing to be in her apartment by being buzzed in by her. She stated she allowed him to have the keys to enter her apartment since she was going to be in the hospital for several days. She stated she asked him not to use the vehicle but has learned the vehicle is not parked at the complex leading her to believe he is out driving without her permission. She stated she had no idea where he may have taken the vehicle. The vehicle is a red in color Chevy Equinox bearing Ohio HRR5784. The owner states the rear tail light is broken with prior damage to the area. Jerry is under suspension at this time. No known address could be given other than that of Sharon Skaggs. She stated she does not know where to locate Jerry or the vehicle, she could not provide a phone number for her son either.

I will request dispatch enter the vehicle into LEADS and send a BOLO to surrounding areas.

I was able to locate the vehicle parked in a handicapped parking spot near the doors of teh building later in my shift. I could see the vehicle showed signs of snow on the windows and appeared to have been in the lot for more than a few hours. I tried to locate Pegram at the apartment of Skaggs along with the Security Guard working that night advising he had not seen Pegram or his girlfriend today.

The vehicle was at the residence of the owner with no signs of having been driven by her son, Pegram who she admitted she gave the keys while she was at the ER. Skaggs stated she did not wish to get into trouble with allowing Pegram to stay at her home against the rules of the complex. I tried again in the morning to make contact without success but knew the vehicle was still in the lot. I later learned the vehicle was now missing from the lot and Pegram could not be located.

I have tried to make contact at the unit with Skaggs or Pegram again on 11/23/2019 learning from the Security Guard he had not seen either at the building today but he knew Skaggs is assisted by her son who comes to see her often. He stated he would call the station if either arrived before the end of my shift.

2	05-08-2021	09:14	L7 - BLANEY, RODNEY	

While on patrol, dispatch received a report of an assault in progress in front of 5307 Adams Ave. and all available officers responded to the area. I responded with my siren and overhead emergency lights activated from the Harbor area. Upon arrival, Ptl. A. Tulino was first on scene and speaking with reported assault victim David Jordan on the side of the street. The reported suspect, Jerry Pegram, was not on scene. It was later reported by witnesses that Mr. Pegram was last observed running out of the back of 5307 Adams Ave. westbound toward Madison Ave.

When I exited my patrol car, I was immediately motioned across the street by witness Renee Beals to speak with her. I walked to her and she stated that the man Ptl. Tulino was speaking with buried something on the other side of the car that was parked in the driveway entrance to 5307 Adams Ave. before officers arrived on scene. There was a grey, 2005 Honda Accord, Ohio license JFA9131, backed into the entrance to the listed driveway and another subject standing by it. I walked to the south side of the car as was pointed out by Ms. Beals and began scanning the ground. After a few moments, I observed a small mound of gravel from the driveway that had been piled up in the driveway entrance near the south edge. There was a white piece of paper sticking out of the rocks and I began uncovering it. When I removed the rocks, I discovered a folded paper bindle commonly used in the trafficking of narcotics. After discovering the bindle, I pointed my body camera at it to record it, then retrieved gloves to secure it as evidence (approximately 1835 hours). When I carefully opened the bindle, I discovered that it was filled with a light bluish grey powder that I suspected to be either heroin, fentanyl, or methamphetamines. This was secured and later placed into evidence to be sent to BCI for substance confirmation and weight verification.

After the suspected drugs were secured, I attempted to speak with Mr. Jordan about the recovered narcotics. I specifically pointed out that he was observed by witnesses burying this bindle in the driveway before the police arrived on scene. I also expressed my concern that one of the numerous children in the neighborhood could have been exposed to it. When I spoke about it, he deflected and would only talk about picking up a rock to defend himself. His explanation for me finding drugs hidden in the driveway was that this (5307 Adams Ave.) is a "drug house." He also verified to officers that he lives in this "drug house." From his body language, speech patterns, and skin blemishes all about his body, it was clear to me that Mr. Jordan is regularly using narcotics. I finished speaking with him and walked back across the street to follow-up with Ms. Beals. I explained that the only way I was going to be able to charge Mr. Jordan was by obtaining a witness statement from her. Ms. Beals agreed to provide a written statement. At this time, she reported that her sister Holli Beals also witnessed Mr. Jordan bury something in the driveway. Holli was on scene and also agreed to provide a written statement of her account. I was about to retrieve the statement form when I was approached by Gene Sterling. He wished to tell me that our suspect (Mr. Pegram) was just observed running through yards on Madison Ave. Ptl. McCracken then arrived on scene and I instructed him to obtain written statements from the Beals sisters while I patrolled for Mr. Pegram. Both statements described Mr. Jordan physically and by his clothing description of black and white striped shirt and shorts. Holli specified in her statement that she observed Mr. Jordan throw what she described as "a little baggy" on the ground and bury it.

After a patrol of the area, I verified from neighbors that Mr. Pegram was observed running across Madison Ave. with no shirt on. It was believed that he was running for either the railroad tracks or the Greenway Trail. Lt. DeFina called on shift and we patrolled the area. However, we were unable to locate Mr. Pegram.

Based on the evidence recovered at the scene and the manner that it was concealed, charges of tampering with evidence will be set for review. Clearly, Mr. Jordan was aware that the police were in route (i.e. police sirens and approaching police vehicle(s)) and an investigation would be underway. From witness accounts, he knowingly concealed a suspected felony controlled substance and placed neighborhood children in danger. After the results for suspected narcotics and returned from BCI, possession charges will also be sought after for Mr. Jordan.

☐ Units were dispatched to a reported assault in progress. Dispatched advised that one subject possibly was in possession of a knife.

☐ Upon my arrival I observed a male who appeared to have several superficial scratches and cuts to his face in the front yard. The male walked towards my patrol car and I advised him to stop at the hood / front. I identified the male as David Jordan. Jordan said that was attacked by a male, who he only knows as Jerry. Jordan said that assault had something to do with clothes and tools and his now ex-girlfriend, Chasity.

☐ Throughout the investigation a lot of what Jordan was telling me did not make any sense. Jordan said that he allowed this male, Jerry, stay with him and his girlfriend for about a week. Jordan then told me that he has been out of the home for the past four days because he and Chasity got into argument. Jordan continued to say that he was assaulted and when I asked him what he wanted done, regarding criminal charges, he said that he only wants his stuff back and that he was not interested in seeking charges.

☐ As other units arrived on scene they spoke with the occupants of the vehicle that was in the driveway. Owner of the vehicle was identified as Jordan's boss who was just giving him a ride home from work.

☐ I continued to speak with Jordan and he now added that he was bringing the female passenger to the home and was going to allow her to stay in one of the upstairs bedrooms. That female was identified as Heather Marx. I then asked about the living arrangements in the home and Jordan told me that he and Chasity were on the lease but had broken up. I then asked him then how was he going to allow someone else to stay there if he wasn't staying there. Jordan said that it was going to be ok. I told him to call Chasity so I could speak with her about what was going on. At first he said he didn't have a phone and after I continued to ask he then retrieved a phone from his right front pocket. Jordan fumbled around with the phone and said that he didn't have Chasity's number.

☐ I then walked across the street where multiple people had gathered and witnessed the incident. The home across the street is where the Beals reside and they were outside. Several of the watchers asked me if they had found "it". Not knowing what they were talking about they said that prior to the Police's arrival the male I was taking to buried something in the gravel driveway.

☐

☐ When I met with the other officers, I was informed that some suspected narcotics was located in the driveway under a pile of stone.

☐ I also spoke with the male driver of the vehicle, who was identified as Clint Kulch, and he told me that Jordan did stay and the residence up until a few days ago. Kulch said that he was only giving Jordan a ride.

☐ I also attempted to knock at the door to speak with this Jerry subject however there was no answer at the door. The door was also locked.

☐ Officer Clemens ended up showing Jordan a BMV image of Jerry Pegram and Jordan said it wasn't the male who assaulted him.

☐ Officers ended up standing by while Jordan and the female entered the residence to retrieve some property. Once inside there were a couple of knives laying on the couch and along with a small hammer. I also noticed what appeared to be some suspected narcotics on the living room table. The small amount of white substance was lined up as someone would snort. It was knocked off the table.

☐ As Jordan was going through bags of stuff he was advised that we were going to leave.

Multiple times Jordan said that he was not interested in seeking criminal charges. Jordan further mentioned that he was surprised that this "Jerry" would do something like this because he was trying to help him. Jordan also said that his mom use to date Jerry.

Officers strongly believe that Jerry's last name is Pegram and that the incident was a drug transaction that gone wrong.

2	05-08-2021	03:11	P10 - NICKLES, LOGAN	

While on patrol in the City of Ashtabula I, Patrolman Nickles, received radio traffic from dispatch for a report of a standby at 5307 Adams Avenue.

When units arrived on scene we spoke with David Jordan. We learned that Jerry Pegram had forced him from the home a week ago. We also knew from briefing that units had been at the address during the day shift. David stated that he believed Jerry was still in the house and he was afraid to go back inside of his own home. David gave us permission to enter the home and check for persons. David opened the back door and allowed units inside.

Patrolman McCracken and I entered the home and announced ourselves as police officers and for anyone inside to announce themselves. No answer was received. Units began searching the home.

When units reached the second floor we began searching what was clearly a bedroom. I observed the word "LOVE" was stickered on the wall near a closet. I also observed hypodermic needles on the floor, a mirror with a white powder all over it, and a small zip lock baggie nearby with a thin layer of white powder in it. There was a box on the dresser near the mirror that had the name, "Chelsye" on it. I stepped into the closet to search for persons. I did not locate anyone in the closet.

However, in plain view I did observed a folded bindle with a powdery substance inside on a shelf. Next to the bindle was a plastic spoon overflowing with white powder. I alerted Lt. Defina to our find over the radio. After searching the house no person could be located. I went back down stairs with Lt. Defina and we secured David in Patrolman McCrackens cruiser. Upon returning to the second floor it was advised that a plastic bag, about the size of a fist, filled with white powder was located in plain view behind the dresser with the mirror covered in white powder. I looked down the space behind the dresser near the closet door and observed the bag near a lighter colored floor board. Units moved the dresser and recovered the bag of white powder. The lighter wood on the floor was determined to be an access panel that went into the floor. No contraband was located in the access panel. Patrolman McCracken took custody of the evidence.

I then took photos of mail that was also located. Names on the mail located were "Chelsye Orth" and "Dylan Tomko". On the lease agreement located were the names "Chelsye Orth" and "David Jordan" for 5307 Adams Avenue.

Patrolman McCracken spoke with David after her had been Mirandized.

After the evidence was collected, and photos were taken, all units cleared without further incident. David was released and went back into his house. Patrolman McCracken later placed the suspected drugs into evidence to be sent to the lab for testing.

I responded to 5307 Adams Avenue after receiving radio traffic that Jerry Pegram may be hiding inside. The subject who advised he was the primary tenant was David Jordan. David said Jerry kicked him out of his house and was hiding inside. Jerry has felony warrants for manufacturing drugs. Ptl. McCracken and Ptl. Nickles cleared the house while Ptl. Zukoski and I watched the perimeter. Nobody was located in the house but Ptl. Nickels advised there were a large amount of drugs inside.

I went in the house after it was cleared and in an upstairs bedroom there was white powder on a dresser and a large bag of powder on the floor behind the dresser. There were hypodermic needles on the floor and littered throughout the primary bedroom. On the dresser was a jewelry box that said Chelsye.

I started checking around for the occupants names and found mail with the house address and Chelsye Orth's name on it. There was also mail also with the name of Dylan Tomko. In addition there was a lease agreement to the house with David and Chelsye's signatures on it. There was additional mail with David's name on it and the house address.

I advised Ptl. McCracken to mirandize David and talk to him about the contents of the house and the status of the occupants.

David said he has not been in the house for 3 weeks since Jerry kicked him out. He said that he has no idea about the drugs in the house and it all must be Jerry's. David however told Ptl. McCracken conflicting statements that he does use drugs just not methamphetamines.

Ptl. McCracken collected the suspected drugs and logged them into evidence.

4	05-08-2021	22:17	P7 - MCCRACKEN, AARON	

□ While on patrol I was dispatched to assist PTL Nickels with a standby at 5307 Adams Ave. Upon arrival I met with David Jordan who I had seen on an earlier call where he was assaulted inside his home by a man named Jerry. David requested that we search his home for Jerry due to being afraid that he was still inside and would assault him again. David then took PTL Nickels and I to the back door while PTL Zukoski and LT Defina stood by outside in case Jerry ran from the home again like the last call earlier in the day.

□ David then opened the back door for us and PTL Nickels and I cleared the home. We did not locate any persons in the home. While clearing the home it was obvious that a lot of narcotics activity takes place in the home. In a bedroom on the second floor I observed hypodermic needles on the floor, on the bed, and on a chair. Those needles were properly disposed of in a sharps container.

□ In the same bedroom as all the needles I observed a broken mirror on the dresser covered in a white powder substance I believe to be suspected cocaine. There was also behind the dresser that was pulled from a wall a large baggie of suspected cocaine. In the closet next to the dresser was a table that had a small paper foil opened up and filled with suspected cocaine which was next to a plastic spoon that was also filled with suspected cocaine.

□ I collected the cocaine from the spoon and paper fold into a plastic bag that was then sealed into a evidence bag. I also collected the larger bag of suspected cocaine which was also later sealed into an evidence bag. The small bag of suspected cocaine weighed in over 4 grams which the larger bag of Cocaine weighed in over 13 grams. Due to all the narcotics instruments laying around the home and the amount of narcotics recovered just in plain view it is with my training and experience that I believe drug trafficking is taking place at this residence.

□ After collecting the evidence I went outside to my patrol car and advised David Jordan of his Miranda Rights. David stated he understood. I advised David of all the narcotics that were laying out in the open in the bedroom that I recovered. David advised he had not been to the house for a week due to getting beat up the first time by Jerry. He stated his girlfriend Chelsea Orth also lives there. I advised David I believe that drug trafficking is taking place there.

□ David asked what drugs were located. I advised David a large amount of cocaine and several hypodermic needles. David advised it had to be Jerry's cocaine because neither he or Chelsea use cocaine. David stated they both use heroin and do not mess with the speed stuff. I advised David that he may be on the hook for all the narcotics in the home as well as Chelsea. David was then released from detention and allowed to go back into the home now that it was safe and Jerry was not located.

□ Back at the office I logged the suspected Cocaine into the evidence department.

2	07-18-2022	14:47	P20 - BRUCKMAN, TIMOTHY	

On 07/18/2022 I was dispatched to 2014 Norman Ave for a report of unwanted people in the caller's house. Dispatch advised that the caller wants a standby to get into the house without any issues. The caller advised dispatch that she had let one of the subjects stay with her but wanted the other two males to leave.

I was familiar with the address and knew from past calls that Nancy Nosse lives there with her father John Nosse. From past calls Nancy has tried to have her father removed from the residents in an effort to avoid the eviction process.

I spoke with Nancy and she advised that she called the police yesterday because she was assaulted by her nephew Joshua Nelson. She said that she allowed her father John Nosse to live with her but she did not allow the other two males to live there. The Two males were identified as Jerry Pegram and her nephew Joshua Nelson.

Nancy spoke of an incident from last night that she claimed she called the police for and said she was filling charges on Joshua for domestic violence. Nancy said Joshua caused bruises on her leg. Nancy was argumentative yelling and demanding that we make the males leave her house. By Nancy's own admission she has a drug addiction and is in consoling.

I spoke with Joshua and John they reported that Joshua has been living at the residents for over four week and has paid 500 dollars in rent. John advised that Joshua is there at his request. Joshua said he has lived at the residents on and off for over a year and that he has a bedroom set up.

Spoke with Jerry and he agreed to leave without incident.

NARRATIVE

Nancy was advised that she would need to follow up with the Solicitor's Office pertaining to the incident that occurred yesterday. She was advised that she would have to file an eviction once someone had established residents. Call cleared.

I spoke Nancy's landlord Paul Kinczel he advised that Nancy had lived there with her mother and that her father has been at the residents since before the mother passed away over a year ago. He advised that he would assist Nancy in filling for the eviction on the individuals she did not want at the residents.

2	10-04-2022	04:47	P27 - HOWELL, WAYNE	

While on patrol, I passed a black Ford F150 going south on Lake Ave. I ran the front plate and LEADS indicted that the license plate expired 7-29-2022. I turned around and pursued the vehicle. As I got closer, I could see there was a different license plate on the rear. I activated my emergency lights. The vehicle made a right turn onto W 11th St. It appeared to be slowing to pull over, then picked up speed. The vehicle continued west on W 11th St. I ran the stop sign at W 11th St and Ohio Ave, as well as W 11th St and Union Ave. I continued onto Burlingham Dr. The vehicle quickly pulled into the driveway of 2661 Burlingham Dr. A made got out of the driver's seat and ran towards the property's back yard. I began chase on foot. I looked into the vehicle as I ran by and observed a female in the passenger seat and a male in the rear driver's side seat. As I got to the back yard, I lost sight of the male and could not pick him back up. I last knew he was running northbound through the back yards.

I went back to the vehicle and detained the two occupants. They were identified as Brandy Matthews and John Nosse. John was the owner of the vehicle. Brandy advised she only knew the male as J.P. As I was walking her back, she told me she believed there was something in her purse that J.P. made her put in there as the pursuit was going on. John told me his name was Jerry. I put it together that the driver was Jerry Pegram. Having secured the occupants in the rear of my cruiser, I secured the vehicle by taking the key out and locking it. I walked around the back yards to see if I could find where Jerry went. After a few minutes, I went back to the traffic stop.

There was a black cell phone on the ground next to the driver's door that Jerry dropped when he fled. There was a black string bag on the floor of the driver's side. Inside, there was a small, black bag, that had a prescription bottle in it containing a clear, crystal like substance. I believed this to be crystal meth. There was miscellaneous jewelry inside as well. In Brandy's purse, I located a Maverick cigarette pack containing a baggie with a clear, crystal like substance inside. I believed this to be crystal meth, as well. I located these items as evidence.

The other units patrolled the area but were unable to locate Jerry. The vehicle was towed by Davis Towing. John and Brandy were able to find someone to pick them up. I wrote a citation for Jerry for DUS, reckless operation, and fleeing. I placed the suspected drugs, cell phone, and black zipper bag into evidence. The suspected drugs are to be sent to BCI for testing. This report was forwarded to the solicitor's office for review.

I checked the area and could not locate anyone. The caller Mike Theil said that the subject used his home phone to make a call and a few minutes later a female called Mikes house and said tell Jerry Piegram that she was at work and could not come to get him. Mike went back outside and noticed he was gone.

On Tuesday, 02/07/2012, I met with JoAnn Mack at her residence and was advised that sometime between Saturday, 02/04/2012 and today's date unknown person(s) stole her 2004 Suzuki four wheeler from the yard at 5136 North Ridge East in Saybrook Township. Mack told me that she was storing the four wheeler at this residence until she could move it to her new home.

Mack stated that a friend called her on Saturday and told her the four wheeler was missing from the yard. Mack also told me that the ignition on the four wheeler is damaged and may not work very well. Mack told me that the four wheeler was valued at \$2,500.00.

I did not speak with the homeowner at 5136 North Ridge East directly. The homeowner contacted Detective Cumberledge and gave him some addition information on a possible suspect in the theft of the four wheeler.

The four wheeler is described as 2004 Suzuki Model Lt-160 vehicle identification number KM4AG42A541100086 yellow in color with slight damage to the ignition. The four wheeler is two wheel drive.

On Wednesday, 02/08/2012, I received a phone call from James Hudson who advised me that the 2004 Suzuki four wheeler that was stolen from his yard was possibly at a residence located on New London Road just east of Austin Road in Geneva Township. Hudson advised me that he received the information from an unknown source that Harry Morrison may have been the person that stole the four wheeler. Hudson described the residence as yellow with some brick along the front of the house and the house sits well off the roadway. He also described a black in color truck sitting in the driveway with a camper parked in front of the truck.

I drove down New London Road from Austin Road in an attempt to identify the residence that was described to me by Hudson. I observed a residence that fit the description given to me three house down from Austin Road on the south side of the roadway. I could not locate an address for the residence by the roadway at this time. I contact Sgt. Kemmerle and advised him of the information that I had received and asked if he would assist me at the residence.

A short time later Sgt. Kemmerle arrived on New London Road and we both went to the residence that I had located. I went to the front door of the residence as Sgt. Kemmerle covered the back of the house. I could hear people inside the residence as I was standing by the front door. I knocked and got no response at first. I knocked a second time and the door was opened by a female who identified herself as Sandra Cochran the renter of the house and property. I asked Cochran the address of the house and she informed me that the address was 4814 New London Road. I informed the dispatcher of are location at this time. I identified myself and asked if Harry Morrison lived at the residence as well. Cochran advised "Yes" he was in the house sleeping with his girlfriend. I then asked Cochran if Morrison had brought a four wheeler to the property at any time and she stated that she was not aware of any four wheeler being on the property. I pointed out to Cochran that I had observed four wheeler tracks leading to the back of the house towards a barn located on the southeast corner of the property.

I asked Cochran if she would give me permission to look in the barn for a four wheeler that I believed to be stolen. Cochran at first told me to hold on so she could go and get Morrison to speak with me. I advised Cochran that I did not want to speak with Morrison just yet and again asked if she would allow me to check the barn for the stolen four wheeler. Cochran advised me that I could search the property for the four wheeler while she got her shoes on and grabbed a coat.

I advised Sgt. Kemmerle that we had permission from Cochran to search the barn and the property. I walked to the barn located on the southeast corner of the property and looked inside and observed a yellow Suzuki Lt-160 four wheeler backed up to the wall in the back corner of the barn. I checked the serial number of the four wheeler with the serial number I had obtained the day before from my victim of the stolen four wheeler and the numbers matched.

I advised the dispatcher that we had recovered the stolen four wheeler from the day before and asked that they notify the owner to make arrangements to pick the four wheeler up at the residence. Sgt. Kemmerle and I pushed the four wheeler out of the barn and up to the driveway of the residence. I again spoke with Cochran who was standing by her driveway when we brought the four wheeler out of the barn that the four wheeler was stolen and I would like to speak with Morrison.

Cochran went back into the house and a short time later Morrison came out of the house to speak with me. I asked Morrison if the four wheeler that was in the barn belonged to him and he replied "Yes" he bought the four wheeler a few weeks ago for \$ 200.00 from a guy named "JP". I asked Morrison to describe "JP" to me and he said that he had tattoos all over him. Morrison told me that he met him while in prison together but he did not now his real name.

### NARRATIVE #3

Seq	Narrative Date	Time	Narrative By	Investigative

I asked Morrison when the four wheeler came to the house and he replied a few weeks ago he was not for sure of the date. Morrison told me that "JP" road the four wheeler over the house and asked him if he wanted to buy it for \$200.00. Morrison gave him the money and "JP" gave him the key and the owners manual for the four wheeler. When asked about the title for the four wheeler Morrison could not give me an answer. He just thought it belonged to "JP" and he needed the money. I asked for written statement at this time from Morrison.

Morrison had his girlfriend Theresa Spaid write out his statement for him. Spaid wrote, I Harry Morrison purchased a yellow Suzuki four wheeler from "JP" he has tattoos three weeks ago he showed up at the house with the keys and the paperwork. I had no reason to believe it was stolen.

I advised Morrison that if I needed to speak with him any further I would contact him at a later date. The owner of the four wheeler then arrived at the residence to recover her property. Mona Myers took custody of the four wheeler and departed the property.

Before I departed the property Sandra Cochran approached me and told me that she has seen this "JP" at the house before and asked if we were looking for him. I did advise Cochran that "JP" was really Jerry Pegram and he did have warrants for his arrest. Cochran advised that if he came to the house again she would contact the Sheriffs Office.

I was able to identify "JP" as Jerry C. Pegram age 40 from the Ashtabula City area. I have dealt with Pegram in the past and his nickname is "JP" and he does have a number of tattoos on his arms and neck area. I will conduct further investigation and charges are pending.

### ASHTABULA COUNTY SHERIFF'S DEPARTMENT

REPORT NUMBER: 12-06806

INCIDENT LOCATION: 111 EAST UNION STREET

TYPE OF COMPLAINT: WARRANT SERVICE / ARREST

DEPUTY BARGER, JR.

On 05-12-2012 around 1100 hours my shift supervisor Sgt. M. Allen advised me that Jerry C. Pegram has three (3) active arrest warrants for probation violation and he obtained information that Pegram is possibly at a residence on the northeast corner of East Union Street and South Broadway (SR.534), which is located in Geneva City. Sgt. M. Allen continued to tell me that he has already made contact with the Geneva City Police Department and they are sending their officers to that location to assist. Ptlm. Cahill along with Ptlm. Carroll responded to that location with us around 1111 hours but Pegram fled the scene just prior to our arrival on foot. During our investigation Pegram jumped a fence at the north end of that property and was last seen wearing a black in color muscle shirt and blue jeans.

We remained in the surrounding area searching for Pegram and investigating information from the public as to possibly location(S) of Pegram. Around 1245 hours we received information that Pegram was at 111 East Union Street, a known drug house which is located a few houses east of the original location we checked for Pegram. Upon our arrival Sgt. M. Allen went to the front door of the residence, which is located on the north side of the two (2) story house while Ptlm. Carroll, Ptlm. Cahill and myself surrounded the house. During this time Sgt. M. Allen was able to make only verbal contact with Pegram who was in fact inside the residence. Sgt. M. Allen later advised me that there are large dogs inside the house. At first it appeared that Sgt. M. Allen was able to talk Pegram out of the residence but Pegram became very verbally aggressive by stating that he wasn't going to surrender and go to jail.

At one point while Ptlm. Cahill was at the back of the house (south side) he was able to make visible contact with Pegram and told me that he now has a black in color Hoodie sweat shirt on and was placing his hand(S) under the front of the sweat shirt in the area of his waist as if he was reaching for a gun. I went to the south west corner of the residence where Pegram was unable to physically see me and Sgt. M. Allen was still trying to get Pegram to surrender peacefully. Seconds later Pegram ran out of the back door to the residence while placing his right hand under his sweat shirt making a motion as if he was reaching for a gun stating several times, "Fucking Shoot Me". Pegram was ordered by us several times to stop and show us his hands but he refused. With the immediate threat that Pegram does have a gun / weapon and for officer safety Ptlm. Cahill shot his duty issued Taser at Pegram while he was now running toward the back of the residence (south side) toward the six (6) foot wooden fence that enclosed most of the back yard. It appears that Ptlm. Cahill was successful in making contact with Pegram but due to him having such a bulky sweat shirt on the probe(S) possibly didn't penetrate the skin. Pegram fell to the ground just for a brief second and immediately jumped back up while pulling the probe(S) from his sweat shirt still screaming at us to shoot him.

At this point Pegram was toward the south west corner of the back yard and still refusing to stop and he still had his right hand toward his waist line. For officer safety along with the safety of the public I shot at Pegram with my less then lethal duty issued Stinger but it appears that only one (1) probe made contact with the back of Pegram's sweat shirt while the other probe possible struck the wooden fence. At the south west corner of that property line there a very small open section between the wooden fences that are from the neighbor's property lines from the west and from the neighbors from the south on East Tibbitts Street that also have wooden fences in their back yards. Pegram entered that open section running westbound and I followed after him while still ordering him to stop. Pegram then entered a broken section of a fence at a unknown address / back yard of a resident on East Tibbitts Street and then ran southbound through several yards. While chasing Pegram I observed that he had a folding knife inside a black in color knife case that was attached to his waist / pant belt.

## NARRATIVE #2

Seq	Narrative Date	Time	Narrative By	Investigative
2	05-13-2012	18:59	10177 - BARGER, TED	<input type="checkbox"/>

Pegram continued to run south bound toward the Courtyard Apartment Complex then behind the Dollar General store and behind the Giant Eagle store. During this time I was only a few feet from Pegram and I continued to order him to stop but he refused and continued to tell me to shoot him. Eventually while chasing Pegram between the Courtyard Apartment complex and the back / east side of the Dollar General store Ptlm. Cahill arrived on scene and positioned himself south of us by the apartment complex. When Pegram ran through some large bushes, which is located near the west side of apartment complex Ptlm. Cahill ordered Pegram to stop while pointing his Taser at him. Pegram once again wouldn't show us his hands and was putting his hand under his sweat shirt telling Ptlm. Cahill to shoot him. When Pegram turned to run away from Ptlm. Cahill I was coming up from behind him and tackled him to the ground. Seconds later Ptlm. Carroll arrived on scene to assist. Pegram continued to struggle with us and resisted arrest several times by not moving his right hand from his waistline. Ptlm. Cahill ordered Pegram several times to stop resisting and to comply to our orders and dry stun him with his Taser in the leg(S) when Pegram continued to resist. After several minutes of us struggling with Pegram he was eventually handcuffed without anyone being seriously injured. While Ptlm. Cahill was checking Pegram's pockets he recovered a black in color plastic pen that has been cut at each ends, with one end that's melted down to be used to smoke drugs.

Pegram didn't have a gun on him and we later recovered a leatherman's tool inside his pant pocket. The leatherman's tool, folding pocket knife along with the drug pipe was collected as evidence and later turned into our Evidence Department.

Pegram was eventually transported to the County Jail without incident by me and Pegram apologized several times. Pegram was charged with Resisting Arrest, Failure to Comply and Possession of a Drug Abuse Instruments through Western County Court. Attached to my report is a copy of the Geneva City Police Department's incident report (report number: 2012-000676 along with Pegram's criminal history report through LEADS. It should be noted that only Ptlm. Cahill's spent Taser cartridge was recovered at the scene.

2	<b>09-07-2015</b>	<b>01:27</b>	<b>12300 - GINN, ROB</b>	<input type="checkbox"/>

On 09/05/15, I met with Kirk Matteson at his residence of 6002 Matson Rd. in regards to his 2004 Buick Century Sedan, Brown in color with Ohio registration GLW1464 missing from his driveway. Kirk said that he last observed the vehicle around 12:30 A.M. and around 02:45 A.M., Kirk discovered his vehicle missing, taken by unknown subject without his permission.

Kirk recently allowed his long time friend Chuck Hall Sr. to move around five weeks ago. A short time past, then Chuck's son Johnny and his family moved in along with Johnny's friend, known only as JP. According to Kirk, a couple of weeks ago his spare set of keys came up missing. Everyone in the home denied taking the key's, and they have not returned to this day.

This week Kirk asked JP to move out and on the following day, Johnny and his family were asked to leave the home as well. Kirk did not know the name of JP, but I figured that it was probably Jeremy Pegram. I had Kirk complete a written statement and answer some questions describing JP. Kirk advised that Chuck Hall Sr. was currently inside of the home and could tell me more information.

Chuck Hall Sr. stated that JP was in fact Jerry Pegram and said that he was sure that Jerry had stolen the missing set of keys and believed that Jerry and his son Johnny were out driving the vehicle now. Chuck finished our conversation, with informing me, that he had spoke with Johnny and Jerry by telephone after the vehicle was discovered missing. The two men denied the theft, but Chuck believes that they stole the vehicle and so does Kirk.

Several areas and motels were checked, along with parking lots. The vehicle was entered into LEADS.

3	09-07-2015	14:48	12247 - MURPHY, STEVEN	<input type="checkbox"/>

On 09/07/2015, I responded to CVS Pharmacy located at the intersection of US RT 20 and State Rd within Ashtabula Twp., reference a possible stolen vehicle at this location. ACSO Dispatch advised someone called and reported a 2004 Buick Century at this location. The vehicle was reported stolen on 09/05/15.

Upon arrival I located and confirmed the 2004 Buick Century bearing Ohio registration GLW-1464 parked in the north side of the parking lot. The vehicle was not occupied and no keys were located with the vehicle. The vehicle owner was called and instructed to retrieve his vehicle, which he could not advise how long it would be. I watched the vehicle for some time to see if any suspects came back to it. No one did and I cleared without further incident.

Deputy Steven S. Murphy #432

2	09-07-2015	01:27	12300 - GINN, ROB	<input type="checkbox"/>

On 09/05/15, I met with Kirk Matteson at his residence of 6002 Matson Rd. in regards to his 2004 Buick Century Sedan, Brown in color with Ohio registration GLW1464 missing from his driveway. Kirk said that he last observed the vehicle around 12:30 A.M. and around 02:45 A.M., Kirk discovered his vehicle missing, taken by unknown subject without his permission.

Kirk recently allowed his long time friend Chuck Hall Sr. to move around five weeks ago. A short time past, then Chuck's son Johnny and his family moved in along with Johnny's friend, known only as JP. According to Kirk, a couple of weeks ago his spare set of keys came up missing. Everyone in the home denied taking the key's, and they have not returned to this day.

This week Kirk asked JP to move out and on the following day, Johnny and his family were asked to leave the home as well. Kirk did not know the name of JP, but I figured that it was probably Jeremy Pegram. I had Kirk complete a written statement and answer some questions describing JP. Kirk advised that Chuck Hall Sr. was currently inside of the home and could tell me more information.

Chuck Hall Sr. stated that JP was in fact Jerry Pegram and said that he was sure that Jerry had stolen the missing set of keys and believed that Jerry and his son Johnny were out driving the vehicle now. Chuck finished our conversation, with informing me, that he had spoke with Johnny and Jerry by telephone after the vehicle was discovered missing. The two men denied the theft, but Chuck believes that they stole the vehicle and so does Kirk.

Several areas and motels were checked, along with parking lots. The vehicle was entered into LEADS.

3	09-07-2015	14:48	12247 - MURPHY, STEVEN	<input type="checkbox"/>

On 09/07/2015, I responded to CVS Pharmacy located at the intersection of US RT 20 and State Rd within Ashtabula Twp., reference a possible stolen vehicle at this location. ACSO Dispatch advised someone called and reported a 2004 Buick Century at this location. The vehicle was reported stolen on 09/05/15.

Upon arrival I located and confirmed the 2004 Buick Century bearing Ohio registration GLW-1464 parked in the north side of the parking lot. The vehicle was not occupied and no keys were located with the vehicle. The vehicle owner was called and instructed to retrieve his vehicle, which he could not advise how long it would be. I watched the vehicle for some time to see if any suspects came back to it. No one did and I cleared without further incident.

Deputy Steven S. Murphy #432

2	09-10-2015	10:11	702 - REECE, RYAN	<input type="checkbox"/>

On 09-09-15, I responded to 3170 Myers Road within Geneva Township, for a report of a burglary.

On arrival I met with John Noffsinger. Noffsinger stated that someone gained entry to his attached garage on 09-07-15, and stole his motorcycle. The incident sometime during the hours 0000 and 0600 on 09-07-15. Noffsinger observed his motorcycle missing when he woke up and went out to the garage. I asked Noffsinger why he did not call the Sheriff's Office on 09-07-15. Noffsinger informed me that he did not have access to a phone at the time. I explained to Noffsinger that he should of used a neighbor's phone to call the Sheriff's Office so that the incident could have been investigated closer to the time of the incident.

Noffsinger stated that the garage door was locked. There was no damage to the door. It appeared that the suspect(s) may have pried the door open to gain access. There was no evidence left in the area. Noffsinger did not hear anything suspicious during the hours that the incident took place. The driveway is long and the residence is surrounded by trees. Noffsinger is not sure who could be responsible for the incident.

The motorcycle is a Triumph Bonneville American. It is silver and blue in color. The gas tank has a "Triumph logo on it. The Vin Number is SMT905JN23J162078. The motorcycle is valued at \$4500.00. I informed Noffsinger that the motorcycle would be entered into the system as stolen property. Noffsinger will contact the Sheriff's Office if he obtains more information about the incident.

On 09-25-15 around 1030 hours, Jeff Noffsinger's motorcycle was located in Roaming Shores. The Roaming Shores Police Department conducted a traffic stop, and the driver of the motorcycle was identified as Jerry Pegram. The motorcycle was confirmed stolen, and Pegram was taken into custody and charged with Receiving Stolen Property by the Roaming Shores Police Department. Deputy Schupska arrived on scene to assist. Deputy Schupska spoke with Pegram about the stolen motorcycle (See narrative of Deputy Schupska). The motorcycle was towed away, and Noffsinger was informed that his motorcycle was recovered.

I met with Pegram at the county jail at 1545 hours. I advised Pegram that I was investigating the incident. I read Pegram his rights under Miranda. Pegram stated that he understood his rights and chose to speak with me. I asked Pegram why he was in possession of the motorcycle. Pegram stated that Noffsinger owed him \$800.00. Noffsinger could not afford the payment. According to Pegram, Noffsinger gave him the key, and his motorcycle to him in exchange for the payment he owed him. Pegram did not obtain the title from Noffsinger. Pegram stated that Noffsinger gave him the motorcycle in July 2015. The motorcycle was parked in Noffsinger's garage when Pegram took possession of the motorcycle. Pegram agreed to fill out a written statement. I explained to Pegram that he could be facing charges of Grand Theft.

I met with Noffsinger at his residence, and advised him that I met with Jerry Pegram at the county jail about the incident. Noffsinger was aware that Pegram was arrested earlier in the day while riding his motorcycle. I explained to Noffsinger about what Pegram informed me. Noffsinger stated that his friend contacted him on 09-23-15, and informed him that a person by the name of "JP" was observed riding his motorcycle in Ashtabula City. According to Noffsinger, he does not know Pegram that well. He only knows who he is. Noffsinger informed me that he did not owe Pegram \$800.00, and he did not give him the motorcycle. Noffsinger stated that he wanted to pursue charges against Pegram. Noffsinger showed me a copy of the title to the motorcycle. The motorcycle is registered in Noffsinger's name. I took a photo of the title. I informed Noffsinger that a report would be forwarded to the Prosecutor for charges against Pegram.

4	09-26-2015	06:53	10950 - SCHUPSKA, RICK	<input type="checkbox"/>

On 9-25-15 at approximately 1030 hours I was patrolling Hayford Road within Morgan Township, when I observed a Roaming Shores Police unit conducting a traffic stop on a blue Triumph motorcycle. While traveling past the traffic stop, I noticed the subject driving the motorcycle was a one Jerry Pegram. I know Pegram from past dealings with him and he is known to run from the police. I stopped to advised Chief Rassmessen about Pegram's past, so he requested I assist him.

While Rassmessen was issuing Pegram a traffic citation, I got into a casual conversation with Pegram. While speaking with him, I noticed the motorcycle did not have a license plate. Pegram told me that he was recently given the bike for an \$800 debt owed by a person he only knows by the first name of John, who lives on Myers Road. He said, the subject then stole the bike back. Pegram went on to say, he went back to the Myers Road address and stole the bike back.

When running the bike's VIN it came back stolen through our department. Pegram was arrested for receiving stolen property. The motorcycle was towed by Midway Tow Service.

On 01/04/17, I was dispatched to 1931 E. Prospect Lot 207, for a possible burglary in progress. Upon arrival in the area I observed a male sitting on the front porch of Lot#501 with a hand held torch. The subject identified himself as Jerry Pegram. Jerry stated that he lived here and was waiting outside for his ride to the hospital. Dep. Wolff were able to confirm that Jerry was living at the residence by mail he provided with the address. Jerry was thanked for his cooperation and we cleared without further incident.

2	08-22-2017	03:06	599 - HAMMOND, JUSTIN	

On 8-22-17 at 0119 hours I was dispatched to the Emergency Room at the Ashtabula County Medical Center in reference to female that was injured during a Domestic Violence incident.

Upon arrival I met with Yvonne Young who was crying hysterically in a hospital bed. Young complained of pain to her head, face, and side. Young said that she has had a prior brain injury and she was certain that something was wrong. Young was released hours later. Young later told me, via telephone, that she was diagnosed with a contusion.

Young explained that she has lived with Jerry Pegram at 1931 East Prospect Road Lot 521 for the past six months. Young mentioned that she has been in the process of moving out which sparked tonight's argument. Young told me that she recently discovered that Pegram injects methamphetamine after she located a syringe in the bathroom. Young said that Pegram has not slept in 3 days.

Young advised that she attempted to leave the residence when Pegram began punching her in the back of the head and left side of her body. Young explained that Pegram kicked her to the ground and he continued to kick the right side of her legs and torso. Young stated that she regained her balance and she hit Pegram in the face with her car keys in order to escape the attack. Young told me that he should have a cut above one of his eyes. Young said she was hit several more times. Young reported that her vision became blurry, she became dizzy, and she started experiencing a lot of pain in her head.

Young said she began to beg Pegram to take her to the hospital because she felt that someone was wrong. Young stated that Pegram began telling her that he would be arrested due to her injuries and he said, "die bitch, just die". Young mentioned that she felt that Pegram was more concerned about being arrested than her getting medical treatment. Young stated that Pegram told her to, "stop faking it", several times.

Young advised that she convinced Pegram into taking her to the emergency room. Young said that they arrived and Pegram removed her jacket in order to hide his face. Young stated that they went to the intake nurse and Pegram told her that Young had fallen before he provided false information to the nurse. Young remembered that Pegram told her to not say anything about him hitting her. Young mentioned that they went back to the emergency room and Pegram left when several nurses entered the room.

Young told me that Pegram took her car keys, car, and her cell phone.

I went over a departmental Domestic Violence form with Young and she signed it indicating that she wanted to proceed with charges. Young was provided with a Victim's of Crime packet and she was instructed to contact the Solicitor's Office tomorrow to follow up with charges. Young declined to provide a written statement. Young signed a Medical Release form.

I did not observe any injuries on Young. Young did appear to be in pain.

Young also stated that she wanted to file Unauthorized Use of a Motor Vehicle charges on Pegram since he took her vehicle without permission and because he has a suspended driver's license.

I reviewed the security video of the emergency room lobby (11:48 PM). I observed Pegram (shirtless) assisted Young into a wheelchair before he pushed her over to the receptionist, Moneca Morton. The couple is observed hugging each other before Pegram pushes the wheelchair past the emergency room doors. At 11:51 Pegram exited the emergency room. Pegram did not cover his face.

I went to 1931 East Prospect Road Lot 521 and Pegram and the vehicle were not located.

2	03-12-2018	06:02	702 - REECE, RYAN	

On 03-12-18 at 0018 hours, I responded to 2354 Peterson Road within Denmark Township, for a report of a domestic disturbance taking place. Sharon Skaggs reported that her son, Jerry Pegram threatened to harm her, and was destroying things inside the house.

On arrival I met with Skaggs on the front porch. Skaggs informed me that Pegram left the area on foot with a female friend prior to my arrival. Skaggs stated that Pegram came over to her residence because his heat was not working at his residence. Pegram started to argue with Skaggs about how she was a bad mother when he was growing up. Skaggs is not sure why Pegram was blaming her for being a bad mother because she did the best she could raising him. Pegram became more irate and stated that he was going to "beat her up".

Skaggs informed Pegram to calm down but he refused and continued to make threats toward her. Skaggs then dialed 911 and Pegram left the area on foot with his female friend. I informed Skaggs of the Ohio Domestic Violence Law. Skaggs stated that she did not want to pursue charges against Pegram. Skaggs signed a waiver to decline charges. Skaggs informed me that she would contact the Sheriff's Office if Pegram returns back to her residence.

ON 02-23-18 I WAS DISPATCHED TO THE ABOVE ADDRESS IN REFERENCE TO A BURGLARY COMPLAINT.

UPON ARRIVAL DEPUTY WOOD AND I MET WITH JERRY PEGRAM WHO ADVISED AN UNKNOWN PERSON(S) ENTERED HIS RESIDENCE AND DESTROYED IT.

WHILE SPEAKING WITH PEAGRAM DEPUTY WOOD AND I WERE ADVISED THAT ASHTABULA CITY POLICE DEPARTMENT WAS CALLING FOR ASSISTANCE FOR A LARGE FIGHT WITH MULTIPLE FIREARMS. DEPUTY WOOD AND I LEFT TO ASSIST AND I ADVISED PEGRAM I WOULD BE RIGHT BACK.

AFTER CLEARING THAT CALL I RETURNED TO THE RESIDENCE WITH NORTH KINGSVILLE OFFICER COY. UPON ARRIVAL PEGRAM HAD LEFT THE RESIDENCE AND WAS UNABLE TO BE CONTACTED DUE TO HIM NOT HAVING A WORKING CELL PHONE PER DISPATCH.

I SPOKE WITH THE NEIGHBOR AND HE CONFIRMED THAT PEGRAM HAD JUST LEFT THE RESIDENCE MOMENTS BEFORE OUR ARRIVAL IN A WHITE FOUR DOOR VEHICLE.

UNITS CLEARED THE SCENE.

	Remarks								

On June 17, 2019 I responded to a report of two individuals with flashlights that were seen inside of a vacant trailer located at 1931 East Prospect Road, Lot #525 (Edgewood Mobile Home Park) in Ashtabula Township. While enroute dispatch told me that the caller was unable to get a plate, but said the individuals arrived in a extended cab pickup that was gold in color and now leaving the mobile home park.

As I was about to pull into the park, I saw a pickup matching the description given by dispatch and activated my emergency lights to stop it on North Ridge Road East near Court Street. The driver of the truck then pulled northbound onto Court Street and came to a stop in the North lot of Community First Credit Union.

I exited my patrol vehicle and began walking up to the driver's side of the truck when a white male, skinny to average build, and wearing a white t shirt opened the passenger side door of the truck and began running northbound onto Court Street. As I called out over the radio that the male had took off on foot, I remained with the driver who was identified as Matthew Sandella by his Ohio driver's license.

I spoke with Sandella and asked him what his passenger's name was and why he took off. Sandella told me he only knew him as "JP" and was not sure why he ran off. Sandella continued to tell me that he drove "JP" to one of the mobile homes in Edgewood Mobile Home Park that he ("JP") lived in. According to Sandella, he waited in the truck while "JP" went into the home to get a Fridgidare air conditioning unit that he purchased from "JP" for \$20.00. When I asked Sandella who "JP" lived in the home with, he said his mother.

Shortly after, Ashtabula Police Officers Allan and Bainton arrived on scene to assist and this is when I asked Sandella to step out of the truck. I then placed him into handcuffs and also searched him after receiving his consent. Furthermore, I advised Sandella he was not under arrest at that time and only being detained until I could figure out what was going on.

As I stayed with Sandella, Officers Allan and Bainton drove to lot #525 to see if anyone was home.

I read Sandella his Constitutional Rights under Miranda and though he said he would speak with me, Sandella did not provide any further information.

Per Sandella's consent, I searched his vehicle which did contain the air conditioner which was found in the bed of the truck.

Officers Allan and Bainton then returned to the scene, told me the home was locked, and advised me the neighbor that called could not identify the individuals who were in the home.

Investigative Narrative

CFS#

Deputy Daniels arrived to the scene shortly after and while speaking with Sandella he was able to identify "JP" as Jerry Pegram. A check on Pegram showed he had a felony warrant out of our agency.

Sandella was released from the scene as I could not prove that he had committed any criminal offense at that time.

On 07-18-19, I received information that Jerry Pegram who has several active warrants for his arrest may be at a residence on W.34 Street within Ashtabula City. I went to this location where I observed Pegram' mothers vehicle a 2005 Chevy Equinox bearing Ohio registration of HRR5784 parked in the driveway. I maintained a position in the area to wait on the arrival of a an additional officer to attempt to make contact with Pegram as it had been reported that he was under the influence of methamphetamine. Furthermore he had fled from Deputy Wall during a traffic stop during the previous shift.

While stationary I observed the suspect vehicle turn off W. 34th and head south on West Avenue toward N.Ridge. I followed the suspect vehicle a distance behind as I radioed to Deputy Dean the vehicle was heading south on West Avenue. The suspect vehicle then made a turn onto N. Ridge without utilizing a right turn signal as required by law. The vehicle crossed into the on coming lane of traffic while making a wide turn. I caught up to the 2005 Chevy Equinox bearing Ohio registration of HRR5784 in the area of Taco Bell. I activated my overhead pursuit lights to attempt a traffic stop. The suspect vehicle then made a quick turn onto Summers Avenue without utilizing a left hand turn signal. The suspect vehicle traveled south on Summers Avenue at a high rate of speed making it obvious that the driver had no intention's to stop. The drivers action caused me to believe that the driver was impaired and was a danger to himself and others on the roadway.

I initiated a pursuit south on Summer's Avenue at speeds of 45 mph. We continued west on Perryville Road then south on Samuel Avenue maintaining speeds between 45 and 50 MPH. The suspect was ignoring all traffic devices by never stopping at any stop signs. We continued east on 58th street as the suspect ignored my overhead lights and siren. We preceded to Ogden Drive then west on Hamlin Drive before traveling around Bardmour Circle before heading back east on Ogden back to Hamlin Drive. Ashtabula City Police and the Ohio State Highway Patrol were notified while the pursuit was in progress but they had no officers in the area. We went south on West Ave at approximately 45 MPH. During the duration of the pursuit there was none to minimal traffic. The suspect traveled east on Bunker Hill toward Jefferson Road traveling, through the parking lot of the gas station located on the corner. I lost sight of the suspect vehicle as it crossed over Jefferson Road and down Holden Court.

Upon checking the area Deputy Dean located the suspect vehicle abandoned on Phillips Drive with the drivers side door wide open. We checked the surrounding area and Jeremy Pegram who was believed to be the driver was not located.

A Plus Towing arrived on scene to take custody of the vehicle after a tow inventory as completed. They were advised that the vehicle can be released to the owner.

March 12th 2020

Ohio State Patrol called about the house next to them at 4844 North Ridge West stating they believe they observed Anthony Sellers on the property. ACSO has a Pur 1 warrant for him for multiple counts of Rape. Deputy Emch and Deputy Wood along with Ohio State Patrol Units responded immediately with Deputy Ginn and I also responding. Deputy Emch and Ohio State Patrol entered the residence and encountered Jerry Pegram who the ACSO holds a probation warrant for. Pegram was detained in handcuffs. Also present inside the residence was Desiree Davis, Homeowner Robert Dobos, Patricia Pulsifer, and Joshua Javis. Sellers was in court for the Rape charges and walked out and the Judge issued a capias.

The house was searched thoroughly for Sellers but he was NOT located. We had previous reports that if a white Chrysler Pacifica was at the residence then Sellers was there as that was the vehicle he fled in. Robert Dobos stated that vehicle belonged to him. Joshua Javis stated his brother was NOT at the residence.

All the vehicles in the driveway and yard were checked through NCIC and a white Nissan with Tennessee plates was reported stolen in Cleveland. The doors were locked and no keys located. Deputy Wood believed someone inside had the keys and locked the vehicle and this being someone not in his view as he was watching Dobos, Javis, Davis, and Pulsifer. Units on scene do not believe Sellers had the opportunity to flee the house as it was surrounded quickly.

A-Plus towing was called to remove the stolen vehicle that was registered to Enterprise Rental Car Company. The Tennessee plates on the vehicle were ON35R5. Jerry Pegram was developed as the suspect in the theft of the vehicle. A-Plus did NOT have an unlock tool with them and I advised we would unlock the vehicle at their shop.

2	04-25-2020	16:39	1787 - GERKE, JONELLE	<input type="checkbox"/>

ON 04-25-2020 DEPUTY DEAN AND I WERE DISPATCHED TO 290 SOUTH STANHOPE KELLOGGSVILLE ROAD WITHIN PIERPONT TOWNSHIP IN REFERENCE TO A SUSPICIOUS VEHICLE. DISPATCH ADVISED THE CALLER LOCATED A VEHICLE BEARING OHIO REGISTRATION HRR5784 IN HIS DRIVEWAY AND HE DOES NOT KNOW WHO IT BELONGS TO.

UPON ARRIVAL THE VEHICLE WAS FOUND TO BE LOCKED AND NO ONE WAS INSIDE OR AROUND IT. THE VEHICLE WAS A CHEVY EQUINOX RED IN COLOR. CALLER, DAVID KLOCZKO ADVISED HIS BARN HAS BEEN BEING BROKEN INTO AND IS WORRIED SOMEONE IS BREAKING INTO HIS BARN OR HAD BROKEN INTO HIS BARN. DEPUTY DEAN AND I CHECKED THE INTERIOR OF THE BARN AND DID NOT LOCATE ANYONE INSIDE NOR ANY SIGNS OF FORCED ENTRY.

DAVID STATED HE DID NOT WANT THE VEHICLE ON HIS PROPERTY ANY LONGER AND WISHED FOR IT TO BE TOWED. DAVID FURTHER STATED THAT HIS HORSE TRAILER IS BLOCKED IN AND IS UNABLE TO GET IT OUT OF THE DRIVEWAY. THERE WAS NO NOTE LEFT ON THE VEHICLE STATING THAT THE VEHICLE BROKE DOWN OR THE REASON FOR IT BEING THERE. DISPATCH ATTEMPTED TO MAKE CONTACT WITH THE REGISTERED OWNER SHARON SKAGGS BY THE LAST KNOWN PHONE NUMBER AND THEY WERE UNABLE TO MAKE CONTACT. ASHTABULA CITY POLICE DEPARTMENT WENT TO SKAGGS RESIDENCE LISTED ON THE REGISTRATION AND SHE NO LONGER LIVES AT THIS ADDRESS.

A PLUS TOWING WAS DISPATCHED TO THE SCENE AND REMOVED THE VEHICLE.

DURING OUR INVESTIGATION I LOCATED MULTIPLE REPORTS WITH JERRY PEGRAM DRIVING THIS VEHICLE WHO IS SKAGGS' SON BUT IT IS UNKNOWN IF HE WAS THE ONE DRIVING.

NARRATIVE

PHOTOGRAPHS WERE TAKEN OF THE EXTERIOR OF THE VEHICLE BY DEPUTY DEAN. DUE TO THE VEHICLE BEING LOCKED PHOTOGRAPHS OF THE INTERIOR WERE TAKEN THROUGH THE WINDOWS. NO VEHICLE KEYS WERE LOCATED.

AT APPROXIMATELY 0645 HOURS (ACSO REPORT #20-04821) DEPUTY DEAN AND I WERE DISPATCHED TO THE AREA OF SCHRAMBLING ROAD FOR A SUSPICIOUS MALE GOING DOOR TO DOOR SAYING HE RAN OUT OF GAS. WE WERE UNABLE TO LOCATE THE SUSPICIOUS MALE. IT IS POSSIBLE THE SUSPICIOUS MALE IS CONNECTED TO THE ABOVE VEHICLE.

Report #22-001963

Stolen Vehicle

On 2/14/2022, I was dispatched to 2864 Clay Street (Dollar General) in Austinburg Township in reference to a Stolen Vehicle. Dispatch advised, the caller stated a male named Jeremy just stole her car. The caller met him on Tinder and they have been hanging out. The caller went into the store and left the keys in the ignition. When she came out the car was gone. The vehicle is a 2017 Kia Forte, black in color.

On arrival, I made contact with the caller/victim in the parking lot of the above address. The caller was identified as Lori Alexander and owner of the stolen vehicle. My body worn video camera was activated while on scene.

I asked Lori what had transpired tonight with her vehicle. Lori explained, she had met this guy on Tinder and they hooked up today. Lori said the guys name on his Tinder profile was Jeremy, but went by J.P. Lori had picked up Jeremy earlier in the day at 5812 Granger Road in Saybrook Township. The two went back to her residence in Rock Creek. Lori advised, they hung out and Lori was going to take Jeremy home. Lori advised, she stopped at the Dollar General in Austinburg with Jeremy.

Lori walked into the Dollar General to purchase some items. Jeremy asked Lori if she could leave the keys in the car. Lori said she didn't think much about it because it was cold outside. Lori came out of the store a few moments later and her vehicle was gone. Lori advised, she wanted to pursue charges. Lori showed me a pic of Jeremy from his Tinder account. I snapped a photo of the suspect. I later forwarded that pic to Sgt. Daniels after I had spoke with him and filled him in on the situation.

Lori filled out a statement which is attached to this report. I had dispatch enter the vehicle into LEADS as stolen and a BOLO sent. The vehicle is a 2017 Kia Forte, black in color bearing Ohio registration HQZ7357.

Deputy Simunich first checked the address on Granger, but did not locate the vehicle. Later in the shift, Sgt. Daniels went to 5812 Granger and spoke with some subjects. I was advised by Sgt. Daniels that the suspect in the pic was Jerry Pegram. The suspect was not Jeremy but Jerry Pegram. I am very familiar with Jerry as I have dealt with him on several occasions in the past. Several other places were patrolled and checked but were unable to locate the vehicle. Lori did not have the On Star in the vehicle activated and the vehicle had a full tank of gas.

On 02-16-2022, Sergeant Wood and I were dispatched to 6775 SR 307, located within Happersfield Township for suspicious activity. The primary caller, Robert Brown, reported that a male had run out of gas in his driveway and the said vehicle, bearing Ohio registration, HQZ 7357, had a busted out back window. Brown and another witness, Anthony Davis, said the male left the scene and was walking westbound on SR 307. They said the male was wearing shorts and carrying a dufflebag. Prior to our arrival, dispatch notified both Sergeant Wood and I that the vehicle was reported stolen on 02-14-2022 by Lori Alexander.

Upon our arrival, Sergeant Wood patrolled the area to search for the male and I stayed with the vehicle. The black Kia Forte had the rear passenger window broken and the glass was shattered all over the rear passenger seat. I searched the vehicle and did not locate the keys, but upon completion of a search, I discovered a green duffle bag in the truck that contained miscellaneous clothes and a prescription medication belonging to a female identified as Kelly Sturtevant. There was also a knife case on the front passenger floor with the name "Jay" written on the front of it. Dispatch made contact with Alexander, the owner of the vehicle, and notified her that her vehicle was recovered. Alexander asked for the vehicle to be towed to her residence in Rock Creek. Skufca's On State Towing later arrived and took possession of the vehicle. I photographed the vehicle and all of the items inside of it. The green duffle bag containing the clothes and prescription medication was also seized and later submitted into evidence.

I later attempted to make contact with Sturtevant at her residence, but nobody was home.

**Report # 22-01963**

On 02-14-22 Deputy Francis advised me that the victim Lori Alexander walked into the Dollar General to purchase some items. Jeremy unknown last name asked Lori Alexander if she could leave the keys in the car. Lori Alexander said she didn't think much about it because it was cold outside. Lori Alexander came out of the store a few moments later and her vehicle and Jeremy were gone. Lori Alexander advised Deputy Francis that she wanted to pursue charges. Lori Alexander showed Deputy Francis a picture of Jeremy from his Tinder account. Deputy Francis took a picture of the picture from the Tinder account which he later forwarded to me after I had spoken with him in reference to the theft.

I had dispatch enter the stolen vehicle into LEADS and a BOLO was sent to surrounding agencies. The vehicle is a 2017 Kia Forte, black in color bearing Ohio registration HQZ7357.

Deputy Simunich first checked the address of 5812 Granger Road, but did not locate the stolen vehicle. Later in the shift I went to 5812 Granger Road where I spoke to Christina Jones regarding the identity of the subject that had been staying at her residence. I also showed Christina Jones the picture that Deputy Francis had sent to me. Christina Jones identified the suspect as JP. I then asked Christina Jones who JP was and she replied Jerry Pegram. The suspect real name was not Jeremy but Jerry Pegram. Several other places were patrolled and checked but were unable to locate the vehicle.

Christina Jones appeared extremely high on methamphetamine and was unable to write a statement. My conversation with Christina Jones was captured on my body worn camera.

 Report #22-001963  
 Stolen Vehicle

On 2/14/2022, I was dispatched to 2864 Clay Street (Dollar General) in Austinburg Township in reference to a Stolen Vehicle. Dispatch advised, the caller stated a male named Jeremy just stole her car. The caller met him on Tinder and they have been hanging out. The caller went into the store and left the keys in the ignition. When she came out the car was gone. The vehicle is a 2017 Kia Forte, black in color.

On arrival, I made contact with the caller/victim in the parking lot of the above address. The caller was identified as Lori Alexander and owner of the stolen vehicle. My body worn video camera was activated while on scene.

I asked Lori on what had transpired tonight with her vehicle. Lori explained, she had met this guy on Tinder and they hooked up today. Lori said the guys name on his Tinder profile was Jeremy, but went by J.P. Lori had picked up Jeremy earlier in the day at 5812 Granger Road in Saybrook Township. The two went back to her residence in Rock Creek. Lori advised, they hung out and Lori was going to take Jeremy home. Lori advised, she stopped at the Dollar General in Austinburg with Jeremy.

Lori walked into the Dollar General to purchase some items. Jeremy asked Lori if she could leave the keys in the car. Lori said she didn't think much about it because it was cold outside. Lori came out of the store a few moments later and her vehicle was gone. Lori advised, she wanted to pursue charges. Lori showed me a pic of Jeremy from his Tinder account. I snapped a photo of the suspect. I later forwarded that pic to Sgt. Daniels after I had spoke with him and filled him in on the situation.

Lori filled out a statement which is attached to this report. I had dispatch enter the vehicle into LEADS as stolen and a BOLO sent. The vehicle is a 2017 Kia Forte, black in color bearing Ohio registration HQZ7357.

Deputy Simunich first checked the address on Granger, but did not locate the vehicle. Later in the shift, Sgt. Daniels went to 5812 Granger and spoke with some subjects. I was advised by Sgt. Daniels that the suspect in the pic was Jerry Pegram. The suspect was not Jeremy but Jerry Pegram. I am very familiar with

2	12-09-2022	09:46	2475 - HELFER, JOHN	<input type="checkbox"/> Investigative

December 5, 2022, Sgt. Johns and I were dispatched to Boughner Rd. in Trumbull Twp. to patrol for a stolen vehicle which had last pinged in the area. The Ford F150 was not located. The truck was reported stolen to the Geneva Police Department where John Nosse was the owner and Jerry Pegram was the suspect.

December 6, 2022, Sgt. Johns and I were again requested to check for the truck, specifically at 4927 Boughner Rd. Upon arrival at the residence, I noticed two subjects in a vehicle with the brake lights on near the half-opened garage door. There was a person inside the garage as well. To the southeast of the ranch home, was a single-car barn/garage. I observed the suspect stolen truck backed into the garage with the front half sticking out to the north. There was a tarp hanging over the truck above it. The vehicle could not have been viewed from the roadway and there was an obvious attempt to conceal it. Sgt. Johns made contact with the two subjects in the car and detained the driver for warrants. Sgt. Johns advised me he had located suspected narcotics on the male as well. I made contact with the male from inside the garage, Steven Bush. He was told why we were there and patted down. He then had a seat in my cruiser. I then met with the passenger, Lisa Alley. She too, had an active arrest warrant through Lake County Sheriff's Office and was detained in handcuffs and patted down. She also had a seat in my cruiser. With the three known subjects contained, Sgt. Johns and I learned there were two to three more subjects in the house including the theft suspect, Pegram. Sgt. Johns requested backup from other units and we held the eastern corners of the home.

As Dep. Ball arrived on scene, I heard noises coming from the west end of the house. I changed positions then noticed a white male running from the west end and into the woods. I yelled for him to stop, but he failed to do so. I gave chase as did Sgt. Johns. Once in the woods, I tripped and fell. Sgt. Johns and Dep. Ball continued the pursuit and eventually caught the male identified as resident, Timothy Perkowski. They returned to the house. After falling, I returned to secure the perimeter of the house as there were still people thought to be inside. Lt. Murphy arrived on scene and made entry into the home. I was later advised Pegram was located hiding inside his bedroom and was arrested along with another male.

I took pictures of the stolen truck and its contents along with the garage/barn. The truck was confirmed as stolen by the license plate and VIN. The owner, Nosse, had been contacted and arrived with his grandfather to remove the truck. The truck had been damaged and was unable to be driven from the scene. Nosse refused a tow truck, however, and remained on scene with permission from resident, Donald Harding. Some items were reported missing from the truck and found in the garage and within Pegram and Harding's shared bedroom. Parts of the tonneau cover were in the barn and Nosse's grandfather's driver license and credit card were in the bedroom along with an electronic charger. These items were found by Harding on Pegram's side of the bedroom near the bed. Nosse said there were many gas-powered tools missing from the truck, but none were found on scene. I left the property with Nosse and his grandfather trying to remove the truck while Harding and Bush were still on scene. Bush had been visiting Perkowski while trying to repair a vehicle he had recently purchased.

Ultimately, Steven Bush was advised of his Idaho traffic warrant and released. Lisa Alley was transported to Lake County Sheriff's Office for her warrant. Wesley Dickerson was transported to Geneva Police Department for his warrant. Timothy Perkowski was released and transported to the hospital for a supposed medical illness. Donald Harding was released. Finally, Jerry Pegram was arrested on his warrants.

Bodyworn camera video is available. Charges apply to:

Pegram--Obstructing Official Business, Receiving Stolen Property

Harding--Obstructing Justice

Perkowski--Obstructing Official Business, Obstructing Justice, Resisting Arrest

Dickerson--Narcotic possession pending lab analysis

On 12-05-2022, Deputy Helfer and I were dispatched to the area of 4850 Boughner Road, located within Trumbull Township (ACSO CFS# 22-19246). Dispatch advised that the caller, Geneva City Police Department (GPD) Officer Gonzalez, reported that they had taken the report of a stolen 2019 gray Ford F150 truck, bearing Ohio registration JUM1241, and the vehicle's GPS had been pinged in this area, along the side of the road. Deputy Helfer and I patrolled the area, but the vehicle was not on Boughner Road or visible anywhere else in the area. Deputy Helfer spoke with GPD Officer Gonzalez at that time and learned that the suspect who stole the truck was Jerry "JP" Pegram.

Then on 12-06-2022, Deputy Helfer and I were dispatched to 4927 Boughner Road, located within Trumbull Township (ACSO IOR# 22-19313). Dispatch advised that GPD Officer Gonzalez reported that the stolen truck's GPS had just pinged in the driveway, near the garage, of this address.

While enroute to the location, I checked and found that Pegram had an active warrant for his arrest. I also found that the address provided by GPD was the residence of Timothy Perkowski, who had an extensive criminal history.

Deputy Helfer and I arrived on scene and observed that a blue Hyundai SUV, bearing Ohio registration JOT9534, had just pulled in before us. We also observed that the stolen Ford truck was partially parked in a detached garage. I activated my Body Worn Video Camera (BWC). I contacted the occupants of the Hyundai SUV and immediately recognized the driver as Wesley Dickerson, who I had previously arrested with a firearm and knew he was a convicted felon. The passenger of the vehicle was identified as Lisa Alley.

I had Dickerson step out of the vehicle and I conducted a Terry frisk for weapons. When asked, Dickerson advised that he knew that he had a warrant. Dispatch confirmed this and advised that he and Alley both were wanted. I placed Dickerson under arrest and handcuffed him behind his back. I searched him incident to arrest and located the following items in his pockets:

1. Clear plastic baggies of suspected controlled substances - In pocket.
2. Clear plastic baggies of suspected controlled substances - In pocket.
3. Used glass methamphetamine smoking pipe with burnt residue of suspected controlled substances - In pocket.

I seized the items and advised Dickerson of his constitutional rights under Miranda, which he voluntarily verbally waived. When asked, Dickerson claimed ownership of the items and stated that they were for his personal use of methamphetamine. I secured Dickerson in the back of my cruiser and secured the seized items in the trunk.

During this time, Deputy Helfer detained Alley and secured her in his cruiser (See Deputy Helfer's narrative). He also contacted a male in the attached garage and identified him as Steven Bush. Dispatch advised that Bush had an active warrant for his arrest, so he was detained in Deputy Helfer's cruiser.

When asked, the subjects reported that Pegram and Perkowski were in the house. Deputy Helfer and I stood by outside the house and I requested a backup unit to assist. Deputy Ball arrived a short time later. As he did, I heard Deputy Helfer yell that someone fled out the back of the house.

I ran around the back of the house and observed a male suspect running across the yard and into the woods. I chased the male and gave repeated loud verbal commands to stop and get on the ground. The suspect refused and, as he ran, I observed that he had an unknown black object in his left hand. I drew my taser, but re-holstered it as I caught up to the suspect. He refused to surrender and I tackled him to the ground. Deputy Ball arrived to assist and we handcuffed the suspect, who was identified as Perkowski.

We escorted him back to the scene and I searched him incident to arrest. I seized a folding jack knife from his front pants

pocket and two used hypodermic syringes and a metal spoon from his back pants pocket. I secured Perkowski in the back of Deputy Ball's cruiser.

Lieutenant Murphy arrived on scene, along with Detective Lieutenant Ward, Detective Wolff, Detective Lewis, and Deputy Pinney and K9 lysi (See their narratives).

Units then entered the home and conducted a protective sweep for additional suspects. A locked bedroom door was encountered and despite repeated verbal announcements and commands to surrender, no one came out. Units breached the door and located Pegram and a second male, identified as Donald Harding. Both were detained and Dispatch advised that Harding also had an active warrant for his arrest. The keys to the stolen truck were located in the bedroom with Pegram. No one else was located in the house.

At this time, Dickerson, Alley, Bush, Perkowski, Pegram, and Harding were all arrested for their warrants.

I photographed the vehicle that Dickerson and Alley had arrived in. Deputy Ball and I then conducted a probable cause search and located the following items:

1. Glass bong-type smoking device - Under Dickerson's driver seat.
2. Glass bong-type smoking device - Under Alley's front passenger seat.
3. Clear plastic baggie of suspected controlled substance - In Alley's purse.
4. Clear plastic baggie of suspected controlled substance - In Alley's purse.

Later, I spoke by phone with the owner of the vehicle, Courtney Miller, and she stated that she allowed Alley to borrow the vehicle in order to have one of her friends do mechanical work on it. I advised Miller of where she could pick up her vehicle.

Deputy Helper photographed the stolen truck and the scene.

Deputy Ball transported Pegram to the Ashtabula County Jail and he was served with his warrants.

Perkowski claimed to have shortness of breath and chest pain and was released from custody and transported to the hospital by NorthWest Ambulance District (NAD).

The Ashtabula County Jail would not accept any of the other prisoners. Therefore, Harding and Bush were released at the scene. Alley was moved to my cruiser, where she admitted that she had a used hypodermic syringe concealed in the front of her pants. She removed the items and it was photographed and destroyed, per department best practices. I then transported her to Madison and released her to Lake County Sheriff's Office, who arrested her on a warrant from their agency. I also transported Dickerson to Geneva and released him to GPD, who arrested him on a warrant from their agency.

In the meantime, GPD contacted the owner of the stolen truck, John Nosse, and he arrived a short time later with his grandson, Joshua Nelson. They eventually recovered their stolen truck.

My BWC was turned off and all units were then clear from the scene.

Later, I entered the four items of suspected controlled substances into evidence and marked them for lab submission. The drug paraphernalia was also entered into evidence and marked for destruction, per department best practices.

On Tuesday December 6, 2022 I responded to 4927 Boughner Road within Trumbull Township to assist Sergeant Johns and Deputy Helper. Sergeant Johns and Deputy Helper were investigating a stolen vehicle that was actively pinging at this address. Upon pulling in the driveway, I briefly made contact with Sergeant Johns when I heard Deputy Helper from yelling behind the house. When I was able to get to the back of the house to meet with Deputy Helper, I observed a male, later identified as Timothy Perkowski, running from the back of the house north into the woods.

After a short foot pursuit through the woods and into a field, Timothy was taken into custody by Sergeant Johns and I. After being placed into handcuffs, Timothy told us his chest was getting tight and was having a hard time breathing. An ambulance was requested to the scene for Timothy and he was released from our custody and transported to the hospital for medical treatment.

Lt. Murphy and I then made entry into the home. Shortly after, Lt. Ward, Detective Wolff and Detective Lewis arrived on scene and assisted searching the home for additional suspects. After clearing the rest of the house, we found the southwest bedroom door was locked and Detective Wolff made forced entry in to it. Jerry Pegram was immediately located behind the door and quickly taken into custody by Detective Lewis and I. I removed Jerry from the house, searched him for weapons and contraband, and then placed him in the back of my cruiser.

I assisted Sergeant Johns perform a probable cause search of the blue Hyundai SUV. I located two small baggies in a wallet inside a purse that contained an unknown brown and clear rock like substance. This purse appeared to belong to Lisa Alley, as there were many miscellaneous cards (debit credit cards, appointment cards, insurance type cards) inside the wallet with her name on them. The cards with her name on it were photographed along with the suspected narcotics and the location where they were found.

I then transported Jerry to the jail and released him to corrections officers and booked him on his outstanding warrants.

NARRATIVE	<p>On Tuesday December 6, 2022 I responded to 4927 Boughner Road within Trumbull Township to assist Sergeant Johns and Deputy Helper. Sergeant Johns and Deputy Helper were investigating a stolen vehicle that was actively pinging at this address. Upon pulling in the driveway, I briefly made contact with Sergeant Johns when I heard Deputy Helper from yelling behind the house. When I was able to get to the back of the house to meet with Deputy Helper, I observed a male, later identified as Timothy Perkowski, running from the back of the house north into the woods.</p> <p>After a short foot pursuit through the woods and into a field, Timothy was taken into custody by Sergeant Johns and I. After being placed into handcuffs, Timothy told us his chest was getting tight and was having a hard time</p>

VICTIM <b>STATE OF OHIO</b>	OFFENSE <b>DRUG ABUSE</b>		INCIDENT DATE/TIME <b>12-06-2022 14:00</b>

December 5, 2022, Sgt. Johns and I were dispatched to Boughner Rd. in Trumbull Twp. to patrol for a stolen vehicle which had last pinged in the area. The Ford F150 was not located. The truck was reported stolen to the Geneva Police Department where John Nosse was the owner and **Jerry Pegram** was the suspect.

December 6, 2022, Sgt. Johns and I were again requested to check for the truck, specifically at 4927 Boughner Rd. Upon arrival at the residence, I noticed two subjects in a vehicle with the brake lights on near the half-opened garage door. There was a person inside the garage as well. To the southeast of the ranch home, was a single-car barn/garage. I observed the suspect stolen truck backed into the garage with the front half sticking out to the north. There was a tarp hanging over the truck above it. The vehicle could not have been viewed from the roadway and there was an obvious attempt to conceal it. Sgt. Johns made contact with the two subjects in the car and detained the driver for warrants. Sgt. Johns advised me he had located suspected narcotics on the male as well. I made contact with the male from inside the garage, Steven Bush. He was told why we were there and patted down. He then had a seat in my cruiser. I then met with the passenger, Lisa Alley. She too, had an active arrest warrant through Lake County Sheriff's Office and was detained in handcuffs and patted down. She also had a seat in my cruiser. With the three known subjects contained, Sgt. Johns and I learned there were two to three more subjects in the house including the theft suspect, Pegram. Sgt. Johns requested backup from other units and we held the eastern corners of the home.

As Dep. Ball arrived on scene, I heard noises coming from the west end of the house. I changed positions then noticed a white male running from the west end and into the woods. I yelled for him to stop, but he failed to do so. I gave chase as did Sgt. Johns. Once in the woods, I tripped and fell. Sgt. Johns and Dep. Ball continued the pursuit and eventually caught the male identified as resident, Timothy Perkowski. They returned to the house. After falling, I returned to secure the perimeter of the house as there were still people thought to be inside. Lt. Murphy arrived on scene and made entry into the home. I was later advised Pegram was located hiding inside his bedroom and was arrested along with another male.

I took pictures of the stolen truck and its contents along with the garage/barn. The truck was confirmed as stolen by the license plate and VIN. The owner, Nosse, had been contacted and arrived with his grandfather to remove the truck. The truck had been damaged and was unable to be driven

from the scene. Nosse refused a tow truck, however, and remained on scene with permission from resident, Donald Harding. Some items were reported missing from the truck and found in the garage and within Pegram and Harding's shared bedroom. Parts of the tonneau cover were in the barn and Nosse's grandfather's driver license and credit card were in the bedroom along with an electronic charger. These items were found by Harding on Pegram's side of the bedroom near the bed. Nosse said there were many gas-powered tools missing from the truck, but none were found on scene. I left the property with Nosse and his grandfather trying to remove the truck while Harding and Bush were still on scene. Bush had been visiting Perkowski while trying to repair a vehicle he had recently purchased.

Ultimately, Steven Bush was advised of his Idaho traffic warrant and released. Lisa Alley was transported to Lake County Sheriff's Office for her warrant. Wesley Dickerson was transported to Geneva Police Department for his warrant. Timothy Perkowski was released and transported to the hospital for a supposed medical illness. Donald Harding was released. Finally, Jerry Pegram was arrested on his warrants.

On 12-05-2022, Deputy Helper and I were dispatched to the area of 4850 Boughner Road, located within Trumbull Township (ACSO CFS# 22-19246). Dispatch advised that the caller, Geneva City Police Department (GPD) Officer Gonzalez, reported that they had taken the report of a stolen 2019 gray Ford F150 truck, bearing Ohio registration JUM1241, and the vehicle's GPS had been pinged in this area, along the side of the road. Deputy Helper and I patrolled the area, but the vehicle was not on Boughner Road or visible anywhere else in the area. Deputy Helper spoke with GPD Officer Gonzalez at that time and learned that the suspect who stole the truck was Jerry "JP" Pegram.

Then on 12-06-2022, Deputy Helper and I were dispatched to 4927 Boughner Road, located within Trumbull Township (ACSO IOR# 22-19313). Dispatch advised that GPD Officer Gonzalez reported that the stolen truck's GPS had just pinged in the driveway, near the garage, of this address.

While enroute to the location, I checked and found that Pegram had an active warrant for his arrest. I also found that the address provided by GPD was the residence of Timothy Perkowski, who had an extensive criminal history.

Deputy Helper and I arrived on scene and observed that a blue Hyundai SUV, bearing Ohio registration JOT9534, had just pulled in before us. We also observed that the stolen Ford truck was partially parked in a detached garage. I activated my Body Worn Video Camera (BWC). I contacted the occupants of the Hyundai SUV and immediately recognized the driver as Wesley Dickerson, who I had previously arrested with a firearm and knew he was a convicted felon. The passenger of the vehicle was identified as Lisa Alley.

I had Dickerson step out of the vehicle and I conducted a Terry frisk for weapons. When asked, Dickerson advised that he knew that he had a warrant. Dispatch confirmed this and advised that he and Alley both were wanted. I placed Dickerson under arrest and handcuffed him behind his back. I searched him incident to arrest and located the following items in his pockets:

1. Clear plastic baggies of suspected controlled substances - In pocket.
2. Clear plastic baggies of suspected controlled substances - In pocket.
3. Used glass methamphetamine smoking pipe with burnt residue of suspected controlled substances - In pocket.

I seized the items and advised Dickerson of his constitutional rights under Miranda, which he voluntarily verbally waived. When asked, Dickerson claimed ownership of the items and stated that they were for his personal use of

methamphetamine. I secured Dickerson in the back of my cruiser and secured the seized items in the trunk.

During this time, Deputy Helper detained Alley and secured her in his cruiser (See Deputy Helper's narrative). He also contacted a male in the attached garage and identified him as Steven Bush. Dispatch advised that Bush had an active warrant for his arrest, so he was detained in Deputy Helper's cruiser.

When asked, the subjects reported that Pegram and Perkowski were in the house. Deputy Helper and I stood by outside the house and I requested a backup unit to assist. Deputy Ball arrived a short time later. As he did, I heard Deputy Helper yell that someone fled out the back of the house.

I ran around the back of the house and observed a male suspect running across the yard and into the woods. I chased the male and gave repeated loud verbal commands to stop and get on the ground. The suspect refused and, as he ran, I observed that he had an unknown black object in his left hand. I drew my taser, but re-holstered it as I caught up to the suspect. He refused to surrender and I tackled him to the ground. Deputy Ball arrived to assist and we handcuffed the suspect, who was identified as Perkowski.

We escorted him back to the scene and I searched him incident to arrest. I seized a folding jack knife from his front pants pocket and two used hypodermic syringes and a metal spoon from his back pants pocket. I secured Perkowski in the back of Deputy Ball's cruiser.

Lieutenant Murphy arrived on scene, along with Detective Lieutenant Ward, Detective Wolff, Detective Lewis, and Deputy Pinney and K9 Iysa (See their narratives).

Units then entered the home and conducted a protective sweep for additional suspects. A locked bedroom door was encountered and despite repeated verbal announcements and commands to surrender, no one came out. Units breached the door and located Pegram and a second male, identified as Donald Harding. Both were detained and Dispatch advised that Harding also had an active warrant for his arrest. The keys to the stolen truck were located in the bedroom with Pegram. No one else was located in the house.

At this time, Dickerson, Alley, Bush, Perkowski, Pegram, and Harding were all arrested for their warrants.

I photographed the vehicle that Dickerson and Alley had arrived in. Deputy Ball and I then conducted a probable cause search and located the following items:

1. Glass bong-type smoking device - Under Dickerson's driver seat.
2. Glass bong-type smoking device - Under Alley's front passenger seat.
3. Clear plastic baggie of suspected controlled substance - In Alley's purse.
4. Clear plastic baggie of suspected controlled substance - In Alley's purse.

Later, I spoke by phone with the owner of the vehicle, Courtney Miller, and she stated that she allowed Alley to borrow the vehicle in order to have one of her friends do mechanical work on it. I advised Miller of where she could pick up her vehicle.

Deputy Helfer photographed the stolen truck and the scene.

Deputy Ball transported Pegram to the Ashtabula County Jail and he was served with his warrants.

Perkowski claimed to have shortness of breath and chest pain and was released from custody and transported to the hospital by NorthWest Ambulance District (NAD).

The Ashtabula County Jail would not accept any of the other prisoners. Therefore, Harding and Bush were released at the scene. Alley was moved to my cruiser, where she admitted that she had a used hypodermic syringe concealed in the front of her pants. She removed the items and it was photographed and destroyed, per department best practices. I then transported her to Madison and released her to Lake County Sheriff's Office, who arrested her on a warrant from their agency. I also transported Dickerson to Geneva and released him to GPD, who arrested him on a warrant from their agency.

In the meantime, GPD contacted the owner of the stolen truck, John Nosse, and he arrived a short time later with his grandson, Joshua Nelson. They eventually recovered their stolen truck.

My BWC was turned off and all units were then clear from the scene.

Later, I entered the four items of suspected controlled substances into evidence and marked them for lab submission. The drug paraphernalia was also entered into evidence and marked for destruction, per department best practices.

On Tuesday December 6, 2022 I responded to 4927 Boughner Road within Trumbull Township to assist Sergeant Johns and Deputy Helper. Sergeant Johns and Deputy Helper were investigating a stolen vehicle that was actively pinging at this address. Upon pulling in the driveway, I briefly made contact with Sergeant Johns when I heard Deputy Helper from yelling behind the house. When I was able to get to the back of the house to meet with Deputy Helper, I observed a male, later identified as Timothy Perkowski, running from the back of the house north into the woods.

After a short foot pursuit through the woods and into a field, Timothy was taken into custody by Sergeant Johns and I. After being placed into handcuffs, Timothy told us his chest was getting tight and was having a hard time breathing. An ambulance was requested to the scene for Timothy and he was released from our custody and transported to the hospital for medical treatment.

Lt. Murphy and I then made entry into the home. Shortly after, Lt. Ward, Detective Wolff and Detective Lewis arrived on scene and assisted searching the home for additional suspects. After clearing the rest of the house, we found the southwest bedroom door was locked and Detective Wolff made forced entry in to it. Jerry Pegram was immediately located behind the door and quickly taken into custody by Detective Lewis and I. I removed Jerry from the house, searched him for weapons and contraband, and then placed him in the back of my cruiser.

I assisted Sergeant Johns perform a probable cause search of the blue Hyundai SUV. I located two small baggies in a wallet inside a purse that contained an unknown brown and clear rock like substance. This purse appeared to belong to Lisa Alley, as there were many miscellaneous cards (debit credit cards, appointment cards, insurance type cards) inside the wallet with her name on them. The cards with her name on it were photographed along with the suspected narcotics and the location where they were found.

I then transported Jerry to the jail and released him to corrections officers and booked him on his outstanding warrants.

## NARRATIVE #2

2	09-09-2025	14:14	12436 - JOHNS, MATT	<input type="checkbox"/>

On the afternoon of 09-08-2025, while at the Ashtabula County Sheriff's Office (ACSO) in Jefferson, I copied radio traffic indicating that Deputy Chicarell was engaged in a vehicle pursuit with a motorcycle in the Ashtabula Township area. The pursuit eventually traveled southbound on State Road toward Jefferson. I left the Sheriff's Office and responded toward State Road to assist.

While en route, I monitored that the pursuit shifted east and south, eventually heading eastbound on Bulah Road toward Stanhope-Kelloggsville Road. I responded to the intersection of Bulah Road and Stanhope-Kelloggsville Road and arrived just as the motorcycle approached from the west. A marked ACSO cruiser with emergency lights activated was already at the intersection, and additional marked units were actively pursuing the motorcycle.

I observed the motorcycle leave Bulah Road via the south shoulder, cross a private property parcel at 2051 Stanhope-Kelloggsville Road, travel through a roadside ditch, and re-enter Stanhope-Kelloggsville Road. The motorcycle then continued fleeing southbound. Because I was operating an unmarked ACSO cruiser, I followed behind the marked units.

During the pursuit, I observed the motorcycle repeatedly swerve between the southbound and northbound lanes, creating a hazard for oncoming traffic. The pursuit continued south on Stanhope-Kelloggsville Road, passing Stollaker Road, Caine Road, SR-167, Traxler Road, and Schrambling Road. At the intersection of Anderson Road, the motorcycle attempted to turn east but failed to negotiate the curve. It exited the roadway on the south side of Anderson Road, entered a ditch, and crashed.

The operator fled on foot into an overgrown parcel of private property located at the southeast corner of Stanhope-Kelloggsville Road and Anderson Road. I notified Dispatch of the crash and the suspect's flight on foot. I also observed the motorcycle ignite into flames and requested fire department response.

NARRATIVE

Initially, I exited my cruiser and positioned myself at the intersection of Anderson Road and Stanhope-Kelloggsville Road, which gave me a clear line of sight down both roads so that I could see if the suspect fled out of the overgrown lot. I heard multiple rapid gunshots from the southeast. I advised Dispatch to notify ACSO command staff of the situation. Because I was wearing the ACSO detective uniform that did not include a ballistic vest, I retrieved my tactical vest from the back seat of my cruiser before entering into the wooded area. I observed the fire near the motorcycle's gas tank and moved several ACSO cruisers to a safer distance, which also cleared a path for incoming EMS and fire units.

I then moved past the burning motorcycle and entered the lot in a southern direction. Near the base of a tree, I observed a black and brown duffle bag. I proceeded further and located [REDACTED] The suspect was on the ground on his back, oriented with his head facing south.

In the immediate area, I observed a folding knife west of the suspect, a black revolver and several red shotgun shells east of the suspect, and both a cell phone and Taser cartridge nearby. The suspect appeared to have sustained gunshot wounds to the torso. I removed a mask from his face and noted he was a middle-aged white male with blood visible near his mouth.

To render medical aid, we removed the suspect's clothing to assess the extent of his injuries. Multiple gunshot wounds were visible to his torso and possibly his right thigh. Medical supplies were obtained and life-saving measures were attempted. However, the suspect was unresponsive, showed no signs of breathing, and had fixed eyes. I checked for a carotid pulse but found none.

Additional law enforcement units arrived, along with Jefferson Emergency Rescue District (JERD) personnel Rice, Anderson, and Clemons. At 1522 hours, JERD personnel pronounced the suspect deceased.

I obtained preliminary scene photographs using the Axon Capture app and then directed all personnel back to the roadway. Lieutenant Helfer arrived, and we established a scene perimeter with yellow caution tape and initiated a scene log.

I learned that [REDACTED] and an Ohio State Highway Patrol trooper had discharged their firearms. At 1528 hours, I collected [REDACTED] duty weapon, ammunition, magazines, and body-worn camera (BWC). At 1530 hours, I collected [REDACTED] duty weapon, ammunition, magazines, and BWC. At 1532 hours, I collected [REDACTED] duty weapon, ammunition, magazines, and BWC. At 1533 hours, I collected [REDACTED] Taser (CEW). All items were secured in brown paper bags and placed in the rear of my cruiser.

Detective Reece obtained additional photographs of the scene. Ashtabula County Coroner Dr. Bishop and Chief Investigator Stewart arrived. No identification was found on the suspect's person.

BCI was notified and responded to conduct the investigation. The scene was secured until their arrival. Upon reviewing preliminary photographs, I observed a large cross tattoo on the suspect's chest with the name "DEE DEE" tattooed on either side. Based on my law enforcement experience, I recognized this as consistent with a subject known to me, Jerry Pegram, who had previously been married to a woman named "DeeDee." Publicly available photographs confirmed that Pegram bore the same chest tattoo.

Upon arrival, BCI assumed control of the scene. At their request, ACSO handled towing of the motorcycle. I documented the VIN and completed a Tow Form. A+ Towing transported the motorcycle to the ACSO maintenance garage, where I secured it. A LEADS/NCIC check of the VIN [REDACTED]

On 09-09-2025, Dispatch advised that they had subsequently obtained a LEADS return from the Louisiana Department of Motor Vehicles (LADMV). Records showed [REDACTED]

On 09-10-2025, I obtained a computerized criminal history (CCH) for Pegram and verified that he had [REDACTED]

On 09-10-2025, [REDACTED] provided me with audio/video files that had been recorded on his privately-owned dash camera in his cruiser on 09-08-2025.

The photographs that I took, along with a copy of the tow form, LADMV printout and VINCheck printout, Pegram's CCH, and [REDACTED] dash cam files were uploaded to the case file. This concluded my investigation.

Report Number: [REDACTED] Case Number: [REDACTED]

Incident Location: Stanhope-Kelloggsville Road / Anderson Road

Type of Offense: Officer Involved Shooting (OIS)

Detective Jonelle Gerke #449

On Monday September 08, 2025 the Ashtabula County Sheriff's Office (ACSO) was involved with a traffic pursuit that began at Dwight Avenue at East 48th Street within Ashtabula Township. Deputy Chicarell attempted to stop a red motorcycle and it failed to stop. The reason for the traffic stop was no visible registration [REDACTED]

[REDACTED] Sergeant Brian Sterrick, Lieutenant Matt Johns and Lieutenant Cary Nelson assisted in the traffic pursuit. Ashtabula City Police Department was requested for assistance in this case but were never involved. The Ohio State Highway Patrol (OSHP) was requested for assistance as well and were involved in the pursuit.

While working my regular shift, I was advised there was shots fired and suspect was down. I left ACSO and proceeded to the scene. Upon my arrival Detective Reece, Detective Wolff and Detective Stein were on scene. Detective Tom Perry arrived the same time I did. Detective Reece began photographing the scene while Sergeant Sterrick was completing a Crime Scene Log. Chief Coroner Investigator Amber Stewart and Coroner Dr. Bishop arrived on scene and began their investigation. Coroner Investigator Stewart requested that I go to the ACSO and get the fingerprint scanner in attempt to identify the suspect. I proceeded to the ACSO Jail and met with Deputy Specht who provided me with the fingerprint scanner. Upon my arrival back on scene, I provided the scanner to Coroner Investigator Stewart and she attempted to identify the suspect but was unsuccessful. Deputy Ginn was on scene and assisted in identifying the male by Lieutenant Johns showing him a photograph of the male suspect. Deputy Ginn advised the male possibly could be Jerry Pegram and Lieutenant Johns was able to positively identify the male suspect as Pegram by comparing photographs on Pegram's Facebook.

Lieutenant Johns collected the pistols and magazine of [REDACTED]

[REDACTED] Taser was also collected at this time. The body worn cameras of these deputies were collected as well.

Deputy Chicarell and Sergeant Sterrick's body worn cameras were collected as well.

While on scene, the Bureau of Criminal Investigation (BCI) Agent Joe Lamping met with me and requested a copy of the body worn camera videos. At this time, I proceeded to ACSO and downloaded the body worn cameras and BCI Agent Lamping stated that the files would have to be shared with him through the program for BCI to be able to see the GPS Map as well as the audit trail. BCI Agent Dan Boerner collected the firearms and Taser as evidence and placed them into evidence boxes and sealed them. BCI Agent Boerner returned the Taser to me and I downloaded the data off of the Taser with BCI Agent Lamping present. A copy of the downloaded data report was provided to him and is attached to the case file. The Taser was placed back into service and returned to [REDACTED] An evidence sheet was provided to me from BCI and is uploaded to the case file.

On September 09, 2025, I forwarded a copy of the calls for service notes, radio traffic recording, body worn camera videos and the photographs from Lieutenant Johns to BCI Agent Lamping.

On September 11, 2025, I sent BCI Agent Lamping the video clips from the dash camera in [REDACTED] vehicle. I learned that on September 10, 2025 he met with Lieutenant Johns and provided him with the copy of the files.

On September 12, 2025, I forwarded BCI Agent Lamping a copy of the dispatch call for service from this incident.

BCI Agent Lamping is having trouble viewing the items of evidence through Axon Evidence and we are working with Axon Support in order for him to view them.

Report: [REDACTED]

Detective Reece

On 09/08/2025, I was requested by Chief Moisio to responded to the area of Anderson Road and Stanhope-Kelloggsville Road, within Pierpont Township, for an Officer Involved Shooting that had taken place. I arrived on scene at approximately 1519 hours.

On arrival, I observed yellow crime scene tape at the corner of Anderson Road and Stanhope-Kelloggsville Road. There was a motorcycle laying in the ditch, on the southside of Anderson Road, approximately 20-30 feet east of the intersection. I was informed that [REDACTED] and an Ohio State Highway Patrol Trooper, had discharged their firearms, after the suspect operating the motorcycle had fled (on foot) into an overgrown property located at the corner. [REDACTED] were transported to the hospital for further evaluations. BCI was notified to respond to the scene to conduct the investigation further.

Ashtabula County Coroner, Dr. Bishop, and Chief Investigator Stewart, arrived on scene. I approached the overgrown property with Dr. Bishop, and Investigator Stewart, to take photographs. I took photos of the motorcycle then proceeded through a path leading to the male subject that was pronounced deceased. The deceased subject had gunshot wounds on his torso area. He was laying on his back, with his head facing south and his legs were facing north. The deceased subject's arms were resting above his head as he was detained in handcuffs. There was a black revolver, with red shotgun shells, located on the ground, just east of the deceased subject. I photographed the entire scene. The deceased subject was identified as Jerry Pegram (PEGRAM).

BCI arrived on the scene and took over the investigation. After BCI was completed with their investigation, PEGRAM'S body was removed by the Coroner's Office Transport Team. The motorcycle was towed from the scene and transported to the ACSO Maintenance Garage. I cleared the scene at approximately 1954 hours.
