Officer Involved Critical Incident – 1389 Marion Drive Columbus,  
Ohio 43207

**Investigative Activity:** Consent Search, Interview with Witness  
**Date of Activity:** 08/24/2023  
**Activity Location:** – 1362 C Marion Place, columbus, OH  
**Author:** SA Andrew Russell

**Narrative:**

On Thursday, August 24, 2023, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Andrew Russell (SA Russell) and SA James Mulford (SA Mulford) interviewed Greta Dockins (Dockins), relative to the officer-involved shooting which took place on Wednesday, August 23, 2023, in the area of 1389 Marion Drive. The interview took place in 1362 Apt C, Marion Drive, Columbus, Ohio. The purpose of the interview was to obtain all relevant information of the incident known or observed by this individual.

Dockins stated that she was unaware of any activity in the neighborhood the previous evening.

SA Russell and SA Mulford advised Dockins that her black Ford Taurus, Ohio license plate JID1638, appeared to have been shot and the driver's side window broken out. Dockins gave verbal (recorded) permission and consent for the BCI Crime Scene Unit to enter her vehicle and recover any evidence/projectile.

Crime Scene Agents did recover a projectile from the passenger side rear door.

The interview was audio recorded. The recording is attached to this report. Please see the attachment for further details.
