

2922.

APPROVAL—CONTRACT BOARD OF TRUSTEES, KENT STATE UNIVERSITY AND THE OHIO EDISON COMPANY, ELECTRICAL ENERGY UNDER RATE SCHEDULE 24-4 TO TAKE PLACE OF CONTRACT UNDER RATE SCHEDULE 24-5.

COLUMBUS, OHIO, September 7, 1938.

*Kent State University, Kent, Ohio.*

GENTLEMEN: You have submitted for my approval a contract by and between Kent State University, acting by its Board of Trustees, and the Ohio Edison Company, for electrical energy to be furnished the University under Rate Schedule 24-4, which contract will take the place of a contract under Rate Schedule 24-5.

Upon examining the enclosed contract I have caused the same to be checked with the Public Utilities Commission of Ohio and find that said contract is in accordance with the rate schedules approved by the Public Utilities Commission of Ohio for this type of service.

I note that the contract is conditioned upon the legislature of the State of Ohio appropriating the necessary funds out of the biennial appropriation for the continuance of electrical service, the subject of this contract.

Finding said contract in proper legal form, I have this day noted my approval thereon and return the same herewith to you.

Respectfully,

HERBERT S. DUFFY,

*Attorney General.*
