Investigative Activity: Review of Officer Wilson's Narrative Report
Involves: Officer Kyle Wilson (W)
Activity Date: 03/12/2024
Activity Location: BCI Richfield
Authoring Agent: SA Matthew Armstrong #146

Narrative:

On November 8, 2023, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Matt Armstrong (Armstrong) received a copy of the North Olmsted Police Department (NOPD) incident report related to the November 4, 2023, officer-involved shooting. The document was provided by NOPD Sergeant Matt Beck. Sergeant Beck indicated the witness officer who was present at the scene and initially responded with [REDACTED] to the call at [REDACTED] North Olmsted, Ohio, was NOPD Officer Kyle Wilson.

Sergeant Beck provided Officer Wilson's cell phone number and indicated he worked the midnight shift. SA Armstrong attempted to schedule an interview with Officer Wilson multiple times via his cell phone number, but Officer Wilson never returned the calls or messages.

An initial review of the NOPD incident report revealed Officer Wilson had completed a narrative report detailing his involvement and observations. His narrative report was on pages 9 and 10 of the .pdf file titled "2023-11-08 NOPD Incident Report [REDACTED]".

On March 12, 2024, SA Armstrong reviewed Officer Willson's narrative report which included the following information:

Officer Involved Critical Incident - 5230 Douglas Drive,
North Olmsted, Ohio 44070

NOPD dispatch received a call from an unknown female who resides at 5650 Park Ridge. This unknown female informed NOPD dispatch that a male, who was covered in blood, stated there was an attempted murder at his house [REDACTED]. With the little information given at the time, I made my way to the house and staged my cruiser on [REDACTED] and Evergreen Dr, facing west. I exited my vehicle and deployed my cruiser rifle. As I kept eyes on the house until we gathered more information, Ptl. Wolcott made his way to the area of 5650 Park Ridge Dr to locate the possible victim. A short time later, [REDACTED] arrived on scene and staged his cruiser on [REDACTED] near Douglas Dr, facing east. [REDACTED] and I remained near our cruisers while keeping an eye on the house until further information was gathered. NOPD dispatch advised Westlake PD of the situation and asked for mutual aid. Other surrounding agencies also came to the scene for mutual aid.

At approximately 0144 hours, [REDACTED] and I heard what we believed to be a gun shot in the area of the house, [REDACTED]. At this time, I advised NOPD dispatch and other units we thought we heard a gunshot in the area. As I tried to get a better view of the house, I could hear "crackling" noises coming from the house. It appeared to me at this time the house may possibly be on fire. At approximately 0146 hours, I observed a male run out of the front of the house and immediately into the backyard. Seeing the male run out of the house, I shouted to him I was the police and gave verbal commands for him to not move. Right after the male ran to the backyard, I could hear what sounded like a window being smashed. At this time, I radioed to Ptl. Wolcott to come to our location on [REDACTED]. At approximately 0147 hours, I advised NOPD dispatch I believe the house at [REDACTED] was on fire.

After advising the house may be on fire, [REDACTED] got on the radio and said someone is running westbound on Berkshire Dr cutting through yards. Hearing this, I got back into my cruiser and drove west on [REDACTED] toward Berkshire Dr. While driving past [REDACTED] I was able to confirm it was on fire and relayed that to NOPD dispatch. NOPD dispatch advised NOFD to respond to the scene. At approximately 0148 hours, [REDACTED] got on the radio and advised he had the male suspect at gunpoint. Approximately 15 seconds later, as I was driving past the backyard of 5230 Douglas Dr, I heard approximately 30 gun shots going off. After hearing this, I quickly turned around and made my way into the backyard of 5230 Douglas Dr. A shots fired call could be heard over the radio. While walking north in the backyards of Douglas Dr with other officers from multiple agencies, I shouted "Where is [REDACTED] at?" [REDACTED] responded that he was over in the area of 5212 Douglas Dr. [REDACTED] also advised he was hit in the arm and applied a tourniquet. After seeing [REDACTED] was walking on his own accord, I asked him where the suspect was. I made my way over to [REDACTED] in the backyard of 5212 Douglas Dr and advised dispatch an officer was hit in the arm and a tourniquet was applied. [REDACTED] motioned to the southwest corner of the backyard and stated the suspect was in that area. Two Westlake PD officers escorted [REDACTED] to the front yard of 5212 Douglas Dr. They later drove [REDACTED] to St. John West Sore hospital (29000 Center Ridge Rd, Westlake, OH 44145). [REDACTED] shot rifle rounds at the suspect to the west, a Westlake PD officer shot rounds at the suspect to the north, and the suspect shot rounds at [REDACTED] to the east.

Now knowing where the suspect was at, I collocated with a Westlake PD officer in the backyard of 5230 Douglas Dr. The Westlake PD officer was facing north and had eyes on the suspect who was lying down in between a fence and tree while underneath some shrubs. It appeared the suspect had also been shot. The suspect could be seen moving slightly and was not talking. Police officers on scene kept eyes on the suspect,

later identified as Thomas Nock, while we devised a plan to retrieve his firearm and start first aid. At approximately 0156 hours, Ptl. Wolcott and a Westlake PD officer went to the west side of the fence where Thomas was lying (backyard of 5219 Berkshire Dr). As the Westlake PD officer utilized a shield, he and Ptl. Wolcott approached Thomas. As other officers and I kept Thomas at gunpoint, Ptl. Wolcott kicked out two fence planks. At this time, Ptl. Wolcott was able to remove the firearm from Thomas' hand and pulled it toward his location. With the firearm away from Thomas, Ptl. Wolcott pushed down a section of the fence and pulled it toward him. Ptl. Wolcott and the Westlake PD officer pulled Thomas to the backyard of 5219 Berkshire Dr. Thomas had blood on his person and part of his jaw was missing. It appeared to officers on scene a bullet traveled through and through to the back of his head. Thomas was secured in handcuffs behind his back by Ptl. Robertson. Ptl. Ashenfelter began chest compressions on Thomas. I took over chest compressions from Ptl. Ashenfelter. Ptl. Robertson later relieved me from doing chest compressions and then a Westlake PD officer continued compressions until NOFD arrived on scene. NOFD continued first aid on Thomas and later transported him to Fairview General Hospital.

After NOFD transported Thomas to the hospital, I began to take photographs of the scene. Photographs were taken of the rifle casings from where [REDACTED] shot rounds in the backyard of 5212 Douglas Dr, the handgun casings from where the Westlake PD officer shot rounds in the backyard of 5230 Douglas Dr, the area where the suspect was lying between the fence and tree in the backyard of 5212 Douglas Dr, and the area where the suspect was moved to in the backyard of 5219 Berkshire Dr. Blood from the suspect was on the ground and on the fence. There were bullet fragments in a tree near where the suspect was lying. Bullet holes were located in the fence where the suspect was up against. Photographs were then taken of the suspect's firearm, knife, bloody hat, bloody glasses, bloody shoe, and phone. Blood was also located from [REDACTED] in the backyard of 5212 Douglas Dr, which was also photographed. BCI arrived on scene a short time later and began photographing the area. The BCI agent later collected all of the evidence before Sgt. Fioritto could scan the area with the FARO machine.

As officers were securing Thomas, NOFD and surrounding fire departments were working to put out the fire at [REDACTED]. Once the house was deemed safe to enter, an unknown deceased male was located inside the residence.

On November 4, 2023 at approximately 0140 hours, NOPD units were dispatched to the area of ██████████ in reference to an attempted murder.

NOPD dispatch received a call from an unknown female who resides at 5650 Park Ridge. This unknown female informed NOPD dispatch that a male, who was covered in blood, stated there was an attempted murder at his house (██████████). On 11/04/2023 I responded to 5650 Park Ridge Dr. for a report of a bloody male saying that someone was trying to kill him.

As I approached the area I noticed the address of the caller was dark, and I didn't see any people. I checked the area of the development then returned to the home to try to make contact. I also radioed dispatch, requesting a drone unit from Westlake. Officer Ashenfelter arrived on scene and we approached the home. ██████████ Wilson and ██████████ were at the other residence, on ██████████ They advised on the radio that it appeared the home was on fire, and they heard what they thought was a gunshot.

I then departed Park Ridge Dr. and started heading to ██████████ While en-route ██████████ ██████████ advised a male was fleeing the home, running west through the backyards, towards Berkshire Dr. As I neared the area, I saw several Westlake officers in the front yards of homes on Berkshire Dr. I exited my vehicle in the area of 5219 Berkshire Dr.

██████████ ██████████ advised he had the male at gun point, and responding officers began trying to determine his whereabouts. A few seconds later I heard a large volume of gunshots coming from the yard area seemingly directly to my east. After the commotion I heard an officer yell that an officer was injured by the gunfire, then heard it broadcast over the radio.

I made my way the area where the confrontation occurred, and was directed to an area behind the fence on the east border of 5219 Berkshire Dr. I could see the head of the subject, later identified as Mr. Thomas Nock. I could see that he was wearing a black ski mask over his face/head, could see his torso, and could see a black semi-automatic handgun in his hands. He was laying with his heading facing south, feet facing north. He was in between a large tree, and an approximately four-foot-tall wooden fence, surrounded by heavy shrubbery/vegetation. I called out to Mr. Nock several times, receiving no response.

Westlake Officer Posante and I then jumped the fence on the south side of the property and began to approach Mr. Nock. Officer Posante was carrying a ballistic shield while I maintained lethal coverage of Mr. Nock. As we neared Mr. Nock, it was apparent that there was no safe way to reach over the fence to secure the firearm. I then kicked out two boards of the fence, allowing me to reach the handgun. Mr. Nock was holding the firearm in both hands, with the barrel facing south-west, towards his head. I retrieved the firearm and set it on the ground on the west side of the fence. Officer Posante and I then tore down a section of fence, and pulled Mr. Nock into the open yard. I then instructed Officers Wilson, Robertson, and Ashenfelter to begin CPR on Mr. Nock, while I radioed dispatch requesting a medic and maintained scene security.

Officers Wilson Robertson and Ashenfelter continued performing CPR until NOFD arrived on scene and took custody of Mr. Nock

When I first approached Mr. Nock, he was wearing khaki colored pants, which were soiled with blood, blue surgical gloves on his hands, and a black ski mask. He had a silver folding knife in his right pants pocket, and was holding a Beretta APX semi-automatic handgun in both of his hands.

By this point ██████████ ██████████ had been transported to St. John's Westshore Hospital by Westlake officers.

I remained at the scene while Westlake and North Olmsted Officers cordoned off the area.

On November 04, 2023, Ptl. Wolcott and I responded to 6560 Park Ridge Drive for a report of a bloody male stating someone was trying to kill him.

Upon arrival, I noticed the home was dark, with no one in the area. I checked the development, and I didn't locate anyone in the area. I responded to the original caller's house to attempt to speak with the caller. I talked with the homeowner, stating that the caller had already left the area. ██████████ and Ptl. Wilson arrived at the home where the male said the attempted murder happened at ██████████ I heard on my radio that they observed the house appeared to be on fire and also heard a gunshot coming from the house.

██████████ advised that a male was running from the house, and he was in a foot chase with this male, heading towards Berkshire Drive. I left the Park Ridge Drive and started to head to ██████████ As I was pulling down ██████████ I heard multiple gunshots and heard on my radio shots fired. I exited my vehicle in the area of ██████████ I made my way to the place where I heard the shots come from just north of my location (5230 Douglas Drive). I made my way into the backyard. I observed a male lying on the ground between a wooden fence and a tree. The male appeared to be slumped over, lying on the ground. The male was later identified as Thomas Nock. I heard on the radio an officer was shot, which was identified as ██████████ I pulled my handgun out and took cover behind a shed just south of where Mr. Nock was lying on the ground.

Ptl. Wolcott and a Westlake Police officer went to the fence behind Mr. Nock and took part of the fence down to get access to him. Ptl. Wolcott was able to drag Mr. Nock from behind the tree. While I was walking to Mr. Nock, I observed a handgun lying on the ground where the fence was pulled down. I observed Mr. Nock's clothes were covered in blood, and I saw Mr. Nock was missing part of his jaw. We flipped Mr. Nock to his belly and were able to place him into handcuffs. I began to do CPR on Mr. Nock. North Olmsted Fire Department arrived on the scene and later transported Mr. Nock to Fairview Hospital. I rode with the EMS to the hospital. I was later relieved from the hospital by Lt. Walling.

On 11/4/2023 at approximately 0151 hrs. I responded from station to the area of ██████████ and Berkshire Dr. ██████████ and Ptl. Wilson radioed that shots were fired. I heard over the radio that an officer was injured, the suspect was down and being held at gun point. Upon my arrival in the area, Westlake PD unit #7100 radioed they were en route with the injured officer to St. John Medical Center. I located Ptl. Wolcott, Ptl. Wilson, Ptl. Ashenfelter and Ptl. Robertson in the area of the backyard at 5219 Berkshire Dr. The suspect, later identified as Thomas Nock, was reportedly wounded and laying on the ground not moving.

I then heard numerous gun shots at another location nearby in the area of ██████████ and responded to check the area with Sgt. Dombek. I observed the residence at ██████████ was on fire and completely engulfed and there were numerous sounds of gunshots in the area of the home. It was determined upon further observation that the noise of gunshots was actually ammunition in the home that was discharging or exploding from the fire in the home. NOFD was already responding. Westlake PD officers assisted in evacuating neighboring homes.

I was informed that ██████████ was the injured officer that was transported to SJMC and that he had fired his patrol rifle at the suspect. I was advised by Ptl. Wolcott that ██████████ was shot once in his forearm and once in the chest but that it did not penetrate due to his ballistic vest. I also spoke with Sgt. Frey of Westlake PD and he indicated that WPD ██████████ discharged 8 rounds. ██████████ was not injured.

I had Sgt. Dombek respond to the St. John Medical Center E.R. after ██████████'s arrival there with transporting Westlake PD officers, Ptl. Craig and Ptl. McArthur. Ptl. Ashenfelter rode with the NOFD squad to Fairview Hospital with the suspect, Thomas Nock. I also advised NOPD dispatch to start calling in additional NOPD officers from other shifts to assist. I also spoke with Captain Morgan, Detective Sgt. Beck, Sgt. Fioritto and Det. Richards regarding the incident.

On 11/4/23 at approximately 0205 hrs., I responded back to the backyard at 5219 Berkshire after Nock had been transported. I spoke with Ptl. Wolcott who informed me that Ptl. Ashenfelter conducted CPR on Mr. Nock before the squad arrived. I observed blood on the grass, a Beretta handgun and several shell casings on the ground in the backyard area near a fence. Assisting police agencies helped cordon off the area with crime scene tape at 5219 Berkshire Dr. Ptl. Wolcott and Ptl. Wilson remained in the area to secure the scene. Fairview Park PD and Rocky River PD officers, along with NOFD remained at the fire scene on ██████████ until NOPD detectives, Fire Marshall and other NOPD officers arrived.

I was advised on 11/4/23 at approximately 0235 hrs., Rocky River PD officers were checking on a male that was seen walking through the North Olmsted Park from Evergreen Dr. The male was stopped on Lorain Rd. at Dover Center Rd. The male involved was identified as ██████████ a resident at ██████████ He had injuries and was transported to SJMC with Ptl. Abuzahrieh.

BCI arrived on scene at 0412 hrs. I remained at the scene until relieved at approximately 0700 hrs. The scene was turned over to the NOPD Detective Bureau and BCI.

██████████

On Saturday, November 4th 2023 at 0139 hours I responded to 5650 Park Ridge Dr. for a report of a bloody male saying someone was trying to kill his uncle at ██████████

While en route to Park Ridge Dr., radio dispatch advised NOPD units the male was no longer at the address on Park Ridge Dr. and that he began running in an unknown direction. As I arrived on Park Ridge Dr., I observed the caller's house as being completely dark, with no one outside and no one seen running in the area.

I then began heading to ██████████ As I was driving E/B on ██████████ passing Douglas Dr., I heard what I believed to be a gun shot, and observed smoke coming from the roof of the house. I stopped my cruiser two houses west of ██████████ where before exiting my cruiser, I began preparing to deploy my duty issued rifle, when ██████████ radioed that he was in foot pursuit, running W/B through backyards towards Berkshire Dr. I immediately made a U-turn and began driving W/B on ██████████ towards Berkshire Dr.

As I approached Douglas Dr., ██████████ advised that he had the male at gun point. As I exited my cruiser to begin to determine ██████████'s whereabouts, I heard a volley of gun fire of approximately (30) gun shots directly north of me in a backyard. I began running N/B towards the gun fire, when I heard ██████████ yelling that he was hit. I then yelled out "Where are you at?" As I located ██████████ in the backyard of 5212 Douglas Dr., I advised radio dispatch ██████████ was struck in the arm. Two Westlake police officers were with him, where they began running towards a Westlake police cruiser, advising radio dispatch they would be self-transporting ██████████ to St. John Medical Center.

I then made my way to where the exchange of gun fire occurred, where I began asking where the male subject, later identified as Thomas Nock was. As I was advised the location of Nock, I took a safe fighting position along the wooden fence on the west side of the backyard of 5212 Douglas Dr. I observed Nock, approximately 30 feet north of me, not moving, laying in between a bush and a tree, with his head facing S/B towards me, and his feet facing N/B. I was unable to see the rest of Nock's body due to the heavy wooded/bushy area we were in.

I maintained my position, while Ptl. Wolcott and Westlake Officer Posante began giving verbal commands to Nock, receiving no response. Ptl. Wolcott and Ptl. Posante began to approach Nock, Ptl. Posante with a ballistic shield with Ptl. Wolcott following behind. Ptl. Wolcott advised me and the other officers nearby that Nock was holding a firearm with his finger close to the trigger. Due to Nock lying directly against the wooden fence, Ptl. Wolcott began to tear down two boards of the fence to make easier access to Nock so they could secure the firearm.

As Ptl. Wolcott was able to secure the firearm, I, along with Ptl. Wilson, Ptl. Ashenfelter, and two Westlake police officers advanced forwards, where we pulled Nock to more of an open area in the backyard, where I handcuffed Nock.

Ptl. Wilson, Ashenfelter, and myself began performing CPR until NOFD arrived on scene. I observed Nock as faintly breathing, and heavily bleeding from his head, with half of his jaw missing.

I remained on scene once Nock was transported to Fairview Hospital, where I assisted Ptl. Wilson with photographing the scene, as well as maintaining scene security, until BCI and the NOPD Detective Bureau arrived.

██████████

On Saturday 11-4-23 at appr. 0204hrs. I was contacted by NOPD dispatched requesting I respond to work since there was a shooting and a fully engulfed home on ██████████

Once arriving in North Olmsted I pulled up to several cruises on Lorain Road (e/b) in front of the Cuyahoga County Public Library. I spoke with an unknown Westlake Officer who advised they just stopped a male that was bleeding and had stated someone had attempted to kill his uncle. Det. Richards was talking to a male, later identified as ██████████ as ██████████ was sitting in the back of a cruiser. I responded to NOPD and met with Sgt. Beck.

Sgt. Beck and I responded to ██████████ and were briefed on what was known to this point regarding the investigation.

It was learned a male fled from the front door of ██████████ led officers on a foot pursuit, fired weapon at ██████████ striking him twice. ██████████ returned fire with his patrol rifle, along with ██████████ of the Westlake Police Department. The suspect, who was not identified at this point, was struck by gun fire and had been transported to Fairview Hospital, Cleveland Clinic, for his medical needs. ██████████ had been transported to Saint John's Medical Center for his medical needs.

The suspect identity wasn't known, but possible could be a male named Thomas Nock.

Sgt. Beck requested I respond to Fairview Hospital and attempt to identify the suspect. I obtained a BMV image of Thomas Nock and responded to Fairview Hospital.

Upon arrival I met with Officer Ashenfelter who had accompanied the suspect to the hospital by rescue squad. Officer Ashenfelter stated the suspect was in the operating room at this time.

I showed Officer Ashenfelter and two Cleveland Clinic Security Officers the BMV image of Thomas Nock, all three stated the male in the image was the suspect.

I inquired the location of Nock's clothing and it was learned he was still wearing most of it. Registered Nurse, Christopher Jakub II, checked Nock's room to see if there was any clothing or property in the room. RN Jakub provided a right shoe belonging to Nock to me. The shoe was an Air Jordan, white in color, a black sole with and red designed. I collected the shoe and I returned it to NOPD. (The shoe was later entered into evidence and was turned over to Bureau Criminal of Investigations by Lt. Walling.) I advised RN Jakub if he would inform the OR personnel that Nock's property was needed for evidence, with him stating he would.

I contacted Sgt. Beck and advised him Thomas Nock was positively identified as the suspect who fired at ██████████. Sgt. Beck advised me to respond to SJMC to interview ██████████ with me doing same.

Upon arrival I met with Officer Abuzahrieh who had custody of ██████████ in an ER room. A nurse was attending to cuts on both of ██████████'s eyes. After ██████████'s medical needs were taken of I interviewed him.

**██████████ was still in investigative custody due to not knowing what his involvement was regarding the investigation.

*██████████ stated the following events occurred: ██████████ stated he was in his bed sleeping, located at ██████████ ██████████ He was staying at his grandmother's (██████████ ██████████ was trying to sell the house and he was there to help pack it up. She was trying to get my uncle out of the house (██████████), he was stealing everything. ██████████ stated he was sleeping and he woke up. He (Thomas Nock) told me to get up, get dress and get his shoes on. He told me to go down stairs, he had a gun in his hands. He made me go downstairs and he had some drugs. He put some drugs in my hand, I don't even know what they were. He told me to do some of them and he made me go for a walk. We walked to North Olmsted Park. When we got there he made me strip down naked to make sure I wasn't wearing a wire. The whole time we were there he kept telling me all kind of weird things like he was talking in some type of code. The whole time we walking there, he threatened my family, he threatened his own family, he threatended my children, he threatened me. Made me do like wierd things, like push ups, take 4 steps back, 3 steps, like stupid stuff like that. Made me get rid of my phones. You know the park, I was hoping we were going to walk back to the house. And we half way back to the house, he didn't let me put my shoes back on, he didn't let me put my socks back on, he didn't let me put my shirt back on. He tried to get me to strip naked, in the front yard again, some random persons house and I wasn't going to do that. I wasn't going to strip naked again. So he hit twice with the pistol. We kept going, back up to the house and when we got back to my neighbors he tried to get me to strip naked again and he hit me because I wouldn't do it completely, I wouldn't get completely naked, he wanted me to like walk around the house while I was completely (naked). So he tried to get me to strip naked again, I pulled my pants to my ankles, he told me to take them completely off and I told him I wasn't going to do that and I tried to pull them up and he kinda like kicked them (with ██████████ doing the motion of a kick) and I fell to the ground. And he just kind of starting hitting me and I curled up into a ball. I pull my pants back up and I just took off running towards the back of the house. And he started chasing me and I went in thru the back door. I heard my uncle in the bathroom, so I opened the bathroom door, I told him to call 911 because Tommie was hitting me with his gun. My uncle said I wasn't go to call 911. I think I thought I was joking or something, I don't know. He was little confused, but he came out into the hallway to check on me to see I was alright. And then he seen Tommie, he started yelling and I heard gunshots, like probably 7,8, 9 of them. I didn't count em all, I was in my grandmother room. Just the bedroom across the hallway from where I woke up originally. I just stayed there really quiet. I heard my uncle make gargling, trying to say something. I heard Tommie kept calling for me. He kept trying to find me. And when I was for sure that I heard him downstairs in the basement. My grandmother's bedroom is attached to the bathroom the other door for the bathroom is right next to the front door. When I was sure he was in the basement I ran out the front door.

I tried to get the neighbors attention and the people across from them, or not across from them, but next to them. I rung the doorbell and I heard Tommie come out the back door. It's not that far away, he was still looking for me. I heard stuff like being thrown around, broken. At that point I didn't want anyone else to get hurt near me so I just kept running. I ran all the way down the street, I took a left and went all the way to Lorain. I crossed Lorain Road. My mom lives in that development where she works in a hospital at this time. I wanted to make sure she was going to be okay and I found someone all the way. They were in the driveway, I waived them down without trying to scare them. I told them to call 911 to check on my uncle, because I'm pretty, (starts to get emotional-then continues). I still don't know if he okay.

I went to my moms house, I kept knocking on the door for someone to answer and but nobody would. I was

scared because at one point Tommie was talking about how he used to hunt when he was a little kid and shoot deer. And it's kind of made it feel like he was hunting me, I just kept running. I went to a few houses, I knocked, no one came to the front doors.

I asked ██████ what street did his mom live on and he stated 5987 Gareau. I went out the back way. (During conversation with ██████ describing the routes he took from his mom's development, it appears he may of took Windsor, to MacKenzie, Southern to possibly Decker. ██████ stated he didn't cut through any yards, but stayed on the city streets.)

██████ stated he was coming down the street of Pizza Hut (Decker) and I seen somebody walking down Lorain Road and I was scared, I didn't know if it was him or not. So I came back, I came back toward Pizza Hut and hid behind Pizza Hut and I waited for the guy to keep walking. And I crossed the street, because I remembered I wanted to be somewhere like where a camera was. And then I went went into the development, not the development, the KIA place. I knew there were cameras, but the guy I seen him and is walking over there and it (unintelligible) wasn't sure if it was Tommie or not. And I seen like police cars shining there lights near the park. And I was going to walk towards them, but that made me think that maybe they didn't catch Tommie yet. So instead of walking toward you guys over there, I just crossed Lorain again to try to get to the police station. (██████ admitted he knew where the police station was located)

When I crossed Lorain Road I heard the cop like, I seen over there. But I was walking down Lorain, toward GetGo side. And there were these cones in front of me and I couldn't walk any further, so I crossed the street. That's when all the cops pulled up and found me, I was on the way to the police department.

During the interview I took a look at ██████'s hands. ██████ stated the blood on his hands which came from cuts on above his eyes. (There were no obvious cuts or bruising on his hands.) ██████ stated he kept trying to leave his handprint everywhere. Cause he was scared.

I asked ██████ if he stayed at the address on Alden and he stated " not anymore". ██████ stated he had been staying on Alden for the past couple of months and he claimed he was helping his grandmother pack, because she was planning to sell it.

I asked ██████ who the other person he was talking about (Thomas Nock), and he stated supposedly he was my best friend. ██████ stated Nock lived by himself on Claeshire and was going through a divorce.

(I stepped away for a phone call from Sgt. Beck and returned to further interview ██████)

**

I returned to NOPD station and assisted Det. Richards with search warrants for the addresses of: ██████████ ██████ and 24565 Clarshire Drive Unit 10, both in North Olmsted, OH.. The Claeshire Drive is the home address of Thomas Nock.

Upon completing the search warrant Det. Richards and I responded to meet with Judge Brian Hagan, of the Rocky River Municipal Court.

Once the search warrants were signed Det. Richards and I responded back to NOPD where copies were made. Sgt. Beck was advised the search warrant was signed for the ██████████ residence.

At appr. 1229hrs. Det. Roman, Richards and I executed the search warrant at 24565 Clareshire Drive, Unit 10, North Olmsted. Items confiscated were: 2 glass pipes with burnt residue, a plastic case for a Beretta handgun and APX grip frame for a Beretta handgun. A seized property list and a copy of the search warrant was left on the dining room table. The door to the residence was closed, but not lock due to prior damage done by Nock in the past. The seized property was transported to NOPD and entered into evidence.

Det. Richards and I responded to ██████████ to assist in the search warrant. A body was located in the hallway on the main floor hallway which led to the main bath and bedrooms. The body was identified as ██████████ Torissi, a known person and resident of the ██████████ residence. It appeared Torissi had entry wound from a bullet to the right side of his face. The Cuyahoga County Medical Examiner's office transporters took custody of Torissi's body.

On 11/07/2023 at approximately 1816 hours, NOPD dispatch was contacted by a female identified as Jennifer Hoval. Jennifer advised that her husband, identified as Brian Davis, had ██████████'s cell phone at her residence of 4071 West 48th Street in Cleveland, Ohio. Jennifer wanted to turn the phone over to NOPD.

Ptl. Ventura and I responded to the address at approximately 1944 hours. I met with Brian and spoke with him. Brian stated he knew ██████████ through work. The two of them work for Vincenzo Ceraldi. Vincenzo and Brian retrieved Vincenzo's vehicle, a Toyota Camry with the Ohio temporary tag of R460435, from ██████████ (this was today 11/06/2023 at approximately 1130 hours). Once Vincenzo had his vehicle, he located a book bag in the trunk. The book bag belonged to ██████████ and had his cell phone along with medical supplies/paperwork. There was a passcode for the phone but Brian stated he did not know it.

Brian then opened his own vehicle's trunk and stated other property was located in the Toyota that Vincenzo stated he (Brian) could have. Brian allowed me to check the property which was found to be a blanket, mirror, a television wall mount, picture frames, and a hoodie.

I asked Brian where ██████████'s phone was at which he (Brian) went inside his house and retrieved it for me.

Brian then willingly filled out a statement form. As Brian was filling it out, he called Vincenzo and I was able to speak with him over the phone.

Vincenzo stated he and Brian located a book bag in his vehicle, the Toyota Camry, along with other property and medical paperwork/supplies.

Brian continued to fill out the statement form. Brian advised that about two weeks ago he heard ██████████ talking on the phone about ██████████ threatening his (██████████) life and have him taken care of. Brian thought ██████████ was possibly talking to his own mother. I asked Brian if he believed ██████████ knew of anyone who would help him or have the means to do this. Brian stated he did not know ██████████ or ever physically met him. I then asked if ██████████ would ever pay someone to. Brian stated that was a question for me to ask Vincenzo. Brian added both ██████████ and ██████████ threatened each other all the time. Brian then told me ██████████ advised Vincenzo that he (██████████) had just received his big disability check.

Once done speaking with Brian, Ptl. Ventura and I went to Vincenzo's home at 10112 Manoa Avenue in Brooklyn, Ohio 44144. Vincenzo gave consent to search his Toyota Camry. In the book bag in the trunk I found personal medical paperwork, medical supplies, work ledgers for vehicles that were being worked on, a wallet with ██████████'s insurance cards, and surgery paperwork. Nothing unusual was located inside the passenger area of the vehicle. I asked Vincenzo if he knew if ██████████ was getting large disability checks. Vincenzo stated ██████████ was and the amount had increased. I asked Vincenzo if he handed the phone to Brian. Vincenzo stated he knew it was one of ██████████'s phone and Brian took the phone. Ptl. Ventura asked Vincenzo why Brian took it but he did not know why. Before leaving, I asked Vincenzo if ██████████ had anything to do with what happened. Vincenzo stated he did not know.

██████████'s phone was transported back to NOPD where I took evidence technician photographs of it and placed it into the NOPD property room.
