Statement Concerning Your Employment in a Job
Not Covered by Social Security

Frank G. Jackson, Mayor

Employee Name Daniel W. Piper Jr Social Security# SAFETY PERSON INFO

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$313.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.

SAFETY PERSON INFO

Dear Daniel Piper:

We regret to inform you that due to a lack of funds resulting from State imposed budget cuts; the City must reduce its workforce and layoff personnel. As a result, you are being laid off from your position of Patrol Officer at the end of your tour of duty on Monday, May 30, 2011. However, due to an agreement between the City and the Cleveland Police Patrolman's union, your layoff will be postponed until after the graduation ceremony scheduled for June 24, 2011. Your appointing authority or his designee will schedule an exit interview for you and your city property will be collected immediately following your graduation ceremony. All City property must be returned to your supervisor in good working condition. Lost or damaged property may result in the cost being deducted from your final paycheck.

Due to the agreement reached between the City of Cleveland and the Cleveland Police Patrolman's Association, your effective layoff will be later than other Division of Police members, but your recall status will remain the same.

The City will continue to provide you health insurance through July 31, 2011. After that time, you are entitled to apply for an uninterrupted extension of your City group health care under the federal COBRA laws. Information concerning your rights to extended medical benefits will be sent to you by the City's COBRA Administrator, Ceridian COBRAServ. You may contact the City's Benefits office at (216) 664-2600 if you do not receive this information within three weeks of your separation.

You are entitled to apply for Unemployment Benefits by contacting the Ohio Office of Unemployment Compensation by calling toll free 1-877-644-6562 or TTY 1-888-642-8203, Monday through Friday, 8:00 a.m. – 5:00 p.m. (excluding holidays) or you may file online at <http://unemployment.ohio.gov>, 24 hours/day, 7 days/week. When contacting the State please advise them that your employer was the City of Cleveland. This will help facilitate and expedite your claim.

Please be advised that you will be paid for your earned unused and prorated vacation leave and for any unpaid overtime as quickly as possible.

Thank you for your service to the City of Cleveland.

I wanted to write to you about two of your patrol officers, Patrolman Pesta (#5716) and Patrolman Piper (#1113). My friends and I were downtown April 25, 2018 at the Barley House. After our time here, we ordered an Uber for our ride home. We quickly realized we were not in a safe situation and got out of the car. This left us stranded.

Patrol officer Pesta and Piper stopped and asked us if we needed any help. We explained the situation and they stayed with us until our next Uber ride came. They were both very kind, compassionate, and understanding. We felt our safety was their number one priority.

Thanks to these two patrol officers and the many others for keeping us safe.

Most Sincere,

Savannah Skelly

SECTION III: SUPERVISOR'S COMMENTS

P.O. Piper will be completing 5 years with the Division in January, 2016, which includes a layoff. He comes to work each day willing to complete his duties and whatever else is asked of him. I would like to see Dan focus more on radio response and engaging the public while the Unit is on a detail. Dan should make himself familiar with the GPOs and other rules, and seek outside training in order to broaden his knowledge base. Dan is tactically sound and is respected by his peers.

Daniel Piper

SAFETY PERSON INFO

Dear Daniel Piper:

We regret to inform you that due to a lack of funds resulting from State imposed budget cuts; the City must reduce its workforce and layoff personnel. As a result, you are being laid off from your position of Patrol Officer at the end of your tour of duty on Monday, May 30, 2011. However, due to an agreement between the City and the Cleveland Police Patrolman's union, your layoff will be postponed until after the graduation ceremony scheduled for June 24, 2011. Your appointing authority or his designee will schedule an exit interview for you and your city property will be collected immediately following your graduation ceremony. All City property must be returned to your supervisor in good working condition. Lost or damaged property may result in the cost being deducted from your final paycheck.

Due to the agreement reached between the City of Cleveland and the Cleveland Police Patrolman's Association, your effective layoff will be later than other Division of Police members, but your recall status will remain the same.

The City will continue to provide you health insurance through July 31, 2011. After that time, you are entitled to apply for an uninterrupted extension of your City group health care under the federal COBRA laws. Information concerning your rights to extended medical benefits will be sent to you by the City's COBRA Administrator, Ceridian COBRAServ. You may contact the City's Benefits office at (216) 664-2600 if you do not receive this information within three weeks of your separation.

You are entitled to apply for Unemployment Benefits by contacting the Ohio Office of Unemployment Compensation by calling toll free 1-877-644-6562 or TTY 1-888-642-8203, Monday through Friday, 8:00 a.m. – 5:00 p.m. (excluding holidays) or you may file online at <http://unemployment.ohio.gov>, 24 hours/day, 7 days/week. When contacting the State please advise them that your employer was the City of Cleveland. This will help facilitate and expedite your claim.

Please be advised that you will be paid for your earned unused and prorated vacation leave and for any unpaid overtime as quickly as possible.

Thank you for your service to the City of Cleveland.

Sincerely,

Martin L. Flask

Dear Mrs. Stanczyk,

I regret to inform you that your husband Patrol Officer Jeffrey Stanczyk #1677 died in the line of duty today February 2, 2011 at 0800 hours. I Daniel Piper #1113 am truly sorry for your loss. I personally am writing this letter to you because it is my fault your husband died in the line of duty. Your husband and I were partnered up on February 2, 2011 in the first district. Radio assigned us domestic violence call a 19713 Orchard Park Ave. We were the first officers on scene. When we arrived on scene, the couple that was in the domestic dispute was on the front lawn yelling at each other. Your husband I separated the couple for questioning. Patrol Officer Stanczyk questioned the male outside on the front lawn. I questioned the female inside the house. Everything seemed to be going as planned. P.O. Stanczyk and I were de-escalating the situation. Both the male and female seemed to be calmed down. I turned my back for what seemed like a second, and the female suspect was gone. She ran to the back room and grabbed a 12 gauge shotgun. She then ran out the front door and I heard one shot. The female suspect was trying to shoot her boyfriend for cheating on her. But she shot P.O. Stanczyk instead of her boyfriend. P.O. Stanczyk was standing with his back to the female and in between the male and female suspects. When I heard the shot I ran to the front door, fired one shot wounding the female. She fell to the ground dropping the shotgun. Back up arrived shortly after

the Female went down. Both suspects were taken into custody. I carried P.O. Stanczyk to the zone car and rushed him to the hospital. Upon arrival at Fairview hospital P.O. Stanczyk died due to a gunshot wound to the upper back and neck.

Mrs. Stanczyk I am truly sorry for what I have done to you and your family. I don't know how I'm going to live with myself knowing that I'm the reason your husband will not be coming home to you today. If I would have just not been so lax with the Female suspect, and kept a better eye on her. She would have never been able to get to the shotgun. And your husband P.O. Stanczyk would be home with you now. My laziness and lack of attention to detail is why your husband and father of your kids are not going to be home for dinner tonight. There is nothing I can say that would make you or your family feel better. All I can do is train and re-train to improve my policing skills to ensure that this will never happen again. Mrs. Stanczyk, I cannot say sorry enough. Your husband was and always will be remembered as a great man. He had many fellow officers that looked up to him. They would go to him for advice. Your husband was a great man, officer, husband, and father. If there is anything, I mean anything I can do for you or your family, don't hesitate to ask.

Respectfully

Daniel Piper #1113
