APPROVAL, BONDS OF KNOX COUNTY IN AMOUNT OF \$202,380.78
FOR ROAD IMPROVEMENTS.

COLUMBUS, OHIO, August 9, 1921.

Department of Industrial Relations, Industrial Commission of Ohio, Columbus, Ohio.

Re: Bonds of Knox county in the amount of \$202,380.78 for the improvement of part of I. C. H. No. 24, 1 bond of \$22,380.78 and 18 bonds of \$10,000, 6 per cent.

GENTLEMEN:—I have examined the transcript of the proceedings of the county commissioners and other officers of Knox county relative to the above bond issue, and find the same regular and in conformity with the provisions of the General Code.

I am of the opinion that said bonds, drawn in accordance with the legislation authorizing their issuance, will, upon delivery, constitute valid and binding obligations of said county.

You will note from the above heading that said issue of bonds consists of one bond of \$22,380.78 and 18 bonds of \$10,000 each, whereas your resolution of purchase provides for the purchase of one bond of \$12,380.78 and 19 bonds of \$10,000 each. The resolution of the county commissioners authorizing the issuance of bonds as set forth in the transcript presented for examination provides for the issuance of bonds in the denominations and in the amounts set forth in the heading and I suggest that you amend your resolutions of purchase so that the amounts and denominations and due date of the bonds will comply with the resolution of the county commissioners. To that end I am enclosing the transcript and request that you return it to me as I will need it when the bonds are presented at the office of the treasurer of state for delivery.

Respectfully,

JOHN G. PRICE,
Attorney-General.

(Transcript enclosed.)
