A cluttered wooden media console on the left side of the room. On top sits a large black CRT television. To the left of the TV is a red box labeled "Mashing" and a black figurine. To the right is a pink bag. Below the TV, a black DVD player sits on a shelf. The floor beneath the console is filled with various boxes and items.

A tall wooden armoire in the center of the room. The top shelf holds a framed sign that reads "HOME IS WHERE SOMEONE RUNS to greet you", a framed photo of a woman, and a pink and black plush hat. The second shelf from the top is open, displaying several stuffed animals, including a brown bear and a brown dog, with a sign below them that says "MY KIDS HAVE PAWS". The armoire has two doors at the bottom.

A silver and black elliptical exercise machine standing in the middle of the room. It has two green and black handles and a central console. A yellow bag with the word "Companion" is on the floor next to it.

A desk on the right side of the room. On it sits a black laptop, a black printer, a black coffee cup, and a black remote control. The desk is made of light-colored wood.

A grey, fringed cushion or bag lying on the floor in the center of the room, near the base of the armoire.
