APPROVAL, CONTRACT OF STATE OF OHIO WITH THE FRAZEYSBURGH LUMBER COMPANY, FRAZEYSBURG, OHIO, FOR ERECTION OF STATE ARMORY BARN, DRESDEN, OHIO, AT A COST OF \$6,024.60—SURETY BOND EXECUTED BY R. W. WOODRUFF AND P. H. MOORE, FRAZEYSBURGH.

COLUMBUS, OHIO, February 28, 1923.

HON. FRANK B. HENDERSON, *Adjutant General, Columbus, Ohio.*

DEAR SIR:—You have submitted for my approval a contract entered into by the state of Ohio, acting through the Adjutant General, and the Frazeysburgh Lumber Company, a partnership composed of S. L. Huffman, B. B. White and W. M. Ashcraft, of Frazeysburgh, Ohio, for the erection of a state armory barn at Dresden, Ohio. This contract calls for an expenditure of \$6,024.60. Accompanying said contract is a bond signed by the Frazeysburgh Lumber Company, upon which R. W. Woodruff of Frazeysburgh, and P. H. Moore of Frazeysburgh, are sureties.

Evidence has further been submitted showing that this firm does not employ a sufficient number of men to require the insurance from the Industrial Commission. You have further submitted evidence showing that the controlling board has waived the provisions of section 6 of House Bill 301, relative to competitive bidding.

It further appears that the Department of Highways and Public Works approved plans and specifications which were duly prepared and submitted.
