Re: Bonds of the Village of Huron, Erie County, Ohio, in the sum of \$23,155.86, in anticipation of the collection of assessments to pay the share of said village of the cost and expense of the improvement of I. C. H. No. 3, M. M. Road No. 18 through said village.

GENTLEMEN:—I have made a careful examination of the transcript submitted of the proceedings of council of the village of Huron, Ohio, and of other officers relating to the above bond issue, and find said proceedings to be in substantial conformity to the provisions of the General Code of Ohio governing proceedings of this nature. As above indicated, this bond issue is one in anticipation of assessments on abutting property owners to pay the agreed share of said village of the cost and expense of the improvement of Inter-County Highway No. 3, Main Market Road No. 18, which improvement is being made in and through said village by the state highway commissioner.

In my examination of the proceedings relating to this bond issue I find that said bond issue in the amount above stated is to the extent of two per cent thereof in excess of the amount which the village is authorized to issue for the purpose. It appears that said village has agreed to pay the cost and expense of said improvement through said village to the extent that the same exceeds a width of eighteen feet. The total estimated cost and expense of
