2024-1218

Officer Involved Critical Incident - 1822 Sherrick Road SE,
Canton, OH 44707

Investigative Activity: Review of Officer Beau Schoenegge's Personnel File, Training Records, and OPOTA Records

Involves: Canton Police Officer Beau Schoenegge (S)

Activity Date: 05/08/2024

Activity Location: BCI, 4055 Highlander Parkway, Richfield, OH 44286

Authoring Agent: Special Agent Nicholas Valente #139

Narrative:

On April 24, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Jon Lieber received the Office of Professional Standards file and training records for Officer Beau Schoenegge (Officer Schoenegge) from Canton Police Lieutenant Mike Talkington. SA Nick Valente reviewed the personnel file and training records and noted the following:

Office of Professional Standards File:

Officer Schoenegge's Office of Professional Standards file consisted of investigative records / reviews related to the use of force. Note the inclusion of the use of force reviews in the file and this report is not indicative of improper or excessive force. Due to the limited number of these use of force instances, they are all detailed below. None of the use of force instances reviewed found Officer Schoenegge violated any policies or procedures of the Canton Police Department.

One of these records detailed the use of force by Officer Schoenegge in gaining physical control of a subject who was resisting arrest. The two supervisors who reviewed this incident noted no issues with the use of force by Officer Schoenegge as is detailed in the following snippets noting their findings and assessment of the situation.

After reviewing all BWC footage, I did not observe any violations of policy 300.

Canton, OH 44707

Decision:

Reviewer comment:

Report reviewed, no pertinent discrepancies observed regarding officer's UOF, and I agree with Sgt. Wilkes's findings.

A second use of force review noted Officer Schoenegge assisted in handcuffing and controlling an uncooperative suspect who was found to have just discarded a knife. The use of force in this incident by Officer Schoenegge was found to be within policy as noted in the snippet below.

Reviewer comment:

On the listed date I responded to Aultman Hospital for a use Of force Review. After reviewing Body Camera footage and the officers statement, The officer was assisting in handcuffing. No policies were violated and no force was used.

No Further review required

Officer Involved Critical Incident - 1822 Sherrick Road SE,
Canton, OH 44707

A third use of force incident (limited to the display of his firearm) by Officer Schoenegge noted Officer Schoenegge acted within policy when he pointed his duty pistol at an intoxicated male in possession of a gun. Officer Schoenegge verbally ordered the subject to the ground and to not reach for anything. The activity of Officer Schoenegge in this incident was determined not to violate any rules, regulations, or policies of the Canton Police Department as is noted in the following snippets.

Reviewer comment:

The listed incident was unable to be viewed by this officer due to a malfunction of Ptl. Schoenegge BWC. Ptl. Schoenegge has since been issued a new BWC by Ptl. Flaherty. Based on the review of Ptl. Schoenegge narrative of

incident it appears that said did not violate any Canton Police Department Rules/Regulations and or Policies reference the display of his duty weapon during listed Use of Force incident.

Reviewer comment:

After reviewing the Incident report, I agree with Sgt. Vanover's assessment, in which no CPD Rules, Regulations, or Policies were violated. No further review necessary. #12

The next use of force investigation, contained in the file, solely pertained to the display of firearms by multiple officers while attempting to convince a subject to surrender. The record was unclear whether Officer Schoenegge was among the officers who displayed a firearm or not during the event. In either event, the actions of all involved officers, including Officer Schoenegge, were found to be within policy. The following snippet is taken from the document noting the disposition of the matter as "Within Policy."

Policy outcome: Within policy

Officer Schoenegge's Office of Professional Standards file also makes reference to an incident in which he attempted to conduct a traffic stop on a vehicle that fled from him. The review of the incident noted Officer Schoenegge did not pursue the vehicle and his actions were found to be within policy. The following snippet noted the disposition of this matter as "Followed Policy."

Summary:

I arrived at the listed location 1302 Struble Ave NE to attempt to locate a male (Travis Billheimer) and arrest him for a fresh charge of DV and an Active Warrant that is listed in CJIS. Prior information was given to us by the victim that the male lives in a trailer behind the residence. As I am walking to the rear of the residence I could see a male who I believed to be the male we were looking for. I turned on my flashlight so I could see the male and immediately noticed the male was holding a crossbow, I unholstered my duty weapon and held it in a holster index position and ordered the male to put down the bow. Travis did comply and put his hands up as directed. As myself and officers started to approach Travis started to walk backwards with his hands up, he was told to stop and that he was under arrest. Travis then went to reach for his waist band after being told to keep his hands up. Not knowing what Travis was reaching for I reached for his hand and he immediately pulled away and he was taken to the ground. I was able to pin Travis' right arm and hand behind his back with my knee, and after a short struggle for his left arm and hand I was able to secure both hands behind his back and was assisted with cuffing from other officers on scene. Travis was taken to car 48 and a supervisor was requested for a use of force interview. No injuries reported.

On 10/09/23, I responded to the 1600 blk of Struble Ave NE for a use of force interview with Travis Bilheimer. At the time of my arrival, Travis was handcuffed in the rear of car 48 and covered in dirt. Upon speaking with Travis, I asked him if my officers hurt him today and did he have injuries. Travis stated that they tackled him and that it hurt. Travis declined medical attention.

Photos of Travis have been uploaded to this report.

After reviewing all BWC footage, I did not observe any violations of policy 300.

Summary:

James Cutler was taken to the ground by another officer when I ran up to the male to help secure him. I was a wrestling with his legs and waist in an attempt to control the body half of his body. James kicked three times towards me before I was able to secure his leg by touching his heel of his right leg to his butt. Other officers had gotten James hands behind his back at this point. I took my handcuffs out and cuffed his left hand first. When I went to cuff his right hand, James pulled his arm away and tried to put it under his body. Two other officers and I were able to get his right arm back under control and put it behind his back. When his right hand was back behind his back I was able to cuff it and James was secured at that moment. I then made a brief check of any weapons nearby and by the Bob Evans sign were I saw him throw a knife. I recovered the knife next to the sign.

Summary:

On 12/25/23 around 0750 I was searching the area around 1212 Fulton Ave NW for a black male wearing a brown coat who fled from a serious crash with power pole and had fled earlier this morning from OSP. I searched the last known location of the male which was east of the crash location. I was traveling east on 11th ST NW and stop at the intersection of Shorb Ave NW. I saw the male on the Northwest sidewalk walking east. I exited cruiser #26 and walked towards the male. I asked him what's going on and if he was alright since he was just in a bad accident. He did not reply and kept walling. I grabbed his left shoulder and told him to sit down and talk to me. He then started thrashing around at me and breathing heavily. We both took a step back. He then unbuttoned a pocket on the inside of his coat and I saw a handle of a gun. I then drew my weapon and pointed it at him and commanded him not to reach for anything and to get on the ground multiple times. He continued to breathe heavy and stared at me for a few more seconds before finally laying down on the ground. I told him to put his hand behind his back which he did. Ptl. Drevon then arrived and handcuffed the male as I continued to hold the male at gun point until he was. When we rolled the male over we retrieved the gun from his coat pocket.

While patrolling on the above date, I received a dispatch for a welfare check. Call notes stated that the callers boyfriend kicked in her door somewhere in summit county earlier in the day and took their son. The caller stated she wanted to preform a welfare check due him possibly having mental issues and having a gun. Cancom also advised Quentin had two warrants, one of them being a drug trafficking warrant with full extradition.

Ptl Schilling and I arrived on scene and I made contact with the boyfriend, Quentin Stokes. Quentin did not open the door but stuck his head through a glass panel that was broken out prior to our arrival. Quentin had blood on his hand likely from punching out the glass. When Quentin first came to the window, I saw a juvenile male standing beneath him before Quentin walked him back into the residence. Quentin returned to the window and began yelling at me to leave his property unless I had a warrant to enter his home. Two pitbulls were also standing next to Quentin during the conversation. I informed Quentin that we had been sent to check on himself and his son, Kaine but he

stated multiple times he was fine and he did not need us. Quentin continued to get more irate with the conversation. I asked Quentin if Kaine was inside with him to which Quentin stated "do not worry about it." Eventually I told Quentin I already saw Kaine when I first arrived and Officers just wanted to make sure Kaine was okay. Quentin stated not to worry about Kaine and to leave the property.

More units arrived on scene and began speaking with Quentin. Sgt Daniel advised Quentin he had a felony warrant and the officers on scene were not going to leave. Sgt Daniel further advised Quentin to come outside to make everything easier. Quentin was also advised by multiple Officers that if he did not exit his residence, he would be charged with obstruction. Quentin stated officers were going to have to come inside his home to get him. Sgt Daniel then asked Quentin multiple times to at least release Kaine outside so he could be safe. Quentin refused and stated Kaine was going to stay inside. Quentin's mother and girlfriend arrived on scene. Quentin was then again asked to release Kaine to his mother or girlfriend for his safety but again refused. Sgt Daniel advised that SWAT was activated and to lock the streets down and maintain a perimeter. Officers on scene shut down the north and south ends of Yale Ave.

Quentin eventually released Kaine to Officer Marks, and Kaine was given to his mother. Officer Schoenengge and I went to the back of the residence to hold perimeter and wait for SWAT. Commands were given to Quentin to come out multiple times. SWAT made entry and arrested Quentin. During the arrest, Quentin fought officers and attempted to kick Captain Marino. Quentin was then placed in unit 49 and was brought to county and booked on his charges.

Summary:

On 2/14/2024, While parked on the roadway of 7th St SW, observed a grey Dodge Ram fail to stop at the stop sign at 7th St and Smith Ave SW and continued southbound on Smith Ave at a high rate of speed. Myself and Car #85, Ptl. Burch, turned on to Smith Ave and turned on our emergency lights and started traveling south on Smith Ave. Ptl. Burch took the lead as I followed behind him. We followed the vehicle south on Smith Ave down to 1009 Smith Ave SW where the vehicle then made a sharp right turn into the driveway behind the residence. Ptl. Burch stopped his vehicle at the start of the driveway and then continued down the road and made a U-turn to get a better view of the vehicle. I followed and Ptl. Burch turned on his spot light and pointed it at the vehicle in the drive way. We called out our location and stepped out of our cruisers and went towards the vehicle. When we got closer to the vehicle we noticed no one was inside and informed dispatch the plate on the vehicle and that the driver had ditched the vehicle.

OPS reviewed the Body-Worn Camera video from Officer B. Schoennegge and Officer C. Burch in reference to this incident. OPS was also able to review the in-car video from Cruiser 81. It was apparent that no attempt was made to pursue the suspect vehicle after it fled from officers. Neither officer activated their cruiser's sirens, but they were also no longer attempting to traffic stop the suspect vehicle or driving outside normal conditions. Captain Marino was made aware that Officer Burch delayed several minutes in activating his body camera from when he initially attempted to traffic stop the suspect vehicle. However, Officer Burch's actions were captured by Officer Schoennegge body camera and cruiser camera. Officer Burch was not interacting with a member of the public. Officer Burch's delay appeared to be minor and not an intentional breach of policy.
