

Ohio Attorney General's Office  
Bureau of Criminal Investigation  
Investigative Report

2022-1316  
Officer Involved Critical Incident – Ackerman Izak (V)

**Involves:** Allen County Sheriff's Office (O)  
**Date of Activity:** 07/20/2022  
**Author:** SA David Hammond, #120

**Narrative:**

S/A Hammond was contacted by Detective Russ Hunlock of the Allen County Sheriff's Office on 6/22/2022. Det. Hunlock advised that Deputies had done an additional search of the area for evidence and or equipment that may have been lost by the Deputies during the incident. During the search, Deputies located two additional fired cartridge casings. Deputies collected the fired cartridge casings and retained them until they could be picked up by BCI Agents.

On 07/20/2022 at 0749 hours, S/A Hammond went to the Allen County Sheriff's Office and met with Det. Hunlock. He provided the fired cartridges to S/A Hammond. The fired cartridge casings were taken to the Bowling Green Office of BCI and submitted to the non-drug evidence room.

At this time there have been no other requests of the BCI Crime Scene Unit. The crime scene portion of this investigation should be considered close.
