

Specifically answering your fourth question, you are advised that in the case stated the juvenile court has authority to entertain an affidavit against the adult who "aided and induced" said minor to become delinquent and may try said adult for contributing to said minor's delinquency.

Respectfully,  
 JOHN G. PRICE,  
*Attorney General.*

DISAPPROVAL, REFUNDING BONDS, TRUMBULL COUNTY, OHIO, IN AMOUNT OF \$64,000.

COLUMBUS, OHIO, March 16, 1920.

*Industrial Commission of Ohio, Columbus, Ohio.*

Re refunding bonds of Trumbull county, in the amount of \$64,000, being 12 bonds of \$1500 each and 46 bonds of \$1000 each.

GENTLEMEN:—I have examined the transcript of the proceedings of the county commissioners and other officers of Trumbull county relative to the above bond issue and decline to approve of the validity of said bonds for the following reasons:

House Bill No. 460, passed May 6, 1919, 108 O. L., 380, under authority of which the bonds in question are issued, confers upon county commissioners the authority to refund bonds heretofore issued by road districts in the following language:

"\* \* \* Whenever the same may become necessary the county commissioners may refund such bonds in the manner provided by law for refund-other bonds of the county."

Sections 5656, 5658 and 5659 G. C. contain the grant of power and prescribe the necessary proceedings for refunding "other county bonds." Sections 5656 and 5658 are as follows:

"Sec. 5656. The trustees of a township, the board of education of a school district and the commissioners of a county, for the purpose of extending the time of payment of any indebtedness, which from its limits of taxation such township, district or county is unable to pay at maturity, may borrow money or issue the bonds thereof, so as to change, but not increase the in-

debtedness in the amounts, for the length of time and at the rate of interest that said trustees, board or commissioners deem proper, not to exceed the rate of six per cent per annum, payable annually or semi-annually."

"Sec. 5658. No indebtedness of a township, school district or county shall be funded, refunded or extended unless such indebtedness is first determined to be an existing, valid and binding obligation of such township, school district or county, by a formal resolution of the trustees, board of education or commissioners thereof, respectively. Such resolution shall state the amount of the existing indebtedness to be funded, refunded or extended, the aggregate amount of bonds to be issued therefor, their number and denomination, the date of their maturity, the rate of interest they shall bear and the place of payment of principal and interest."

A strict compliance with the requirements of section 5658 is a necessary and jurisdictional step in the proceedings to issue such refunding bonds. The transcript discloses that the commissioners have failed to comply with the requirements of this section in that they have not adopted a formal resolution making the finding and determination required. On the contrary, under the amended resolution of February 26, 1920, which contains no statement in explanation for increasing the amount of the bond issue authorized by the resolution of February 24th, the commissioners have provided for the issuance of bonds in excess of the difference between the present outstanding obligations of the road district and the available funds of such road district as declared in the resolution of February 24, 1920.

I am therefore of the opinion that the bonds in question are not valid and binding obligations of Trumbull county and advise the Commission not to accept the same.

Respectfully,

JOHN G. PRICE,

*Attorney-General.*
