ABSTRACT, STATUS OF TITLE, TO 1264 ACRES OF VIRGINIA MILITARY SURVEY NO. 15881 IN NILE TWP., SCIOTO COUNTY, OHIO.

COLUMBUS, OHIO, December 3, 1926.

HON. CARL E. STEEB, *Secretary, Ohio Agricultural Experiment Station, Columbus, Ohio.*

DEAR SIR:—Examination of abstracts of title, a warranty deed and other data submitted by you for my examination and approval, discloses the following:

The first abstract in three parts with a last extension or continuation under date of November 18, 1926, pertains to a tract of 1264 acres of Virginia Military Survey No. 15881 in Nile township, Scioto county, Ohio, said tract being more particularly described in the caption of the last extension of said abstract.

The second abstract in two parts with a last extension or continuation under date of November 17, 1926, pertains to 266 acres of Virginia Military Survey No. 15881 in Nile township, Scioto county, Ohio, said tract being more particularly described in the caption of the last extension of said abstract.

Upon examination of said abstract, I am of the opinion that same shows a sufficient title to said premises in Millar Buttlers.

You have also submitted copy of the minutes of the Controlling Board evidencing the approval of this purchase by said board.

You have submitted encumbrance estimate No. 1577, regularly certified by the Director of Finance under date of November 24, 1926, covering the consideration for this purchase.

The already executed warranty deed submitted will be sufficient to convey the premises to the State of Ohio when properly delivered.

The abstracts, warranty deed and other data submitted by you are herewith returned.

Respectfully,

C. C. CRABBE,
Attorney General.
