Mom
When you're home, my thoughts
are with you, and I'm glad
that I'm proud to have you
back in your home.
The husband and three children
I really want you to
know I'm thinking of you
in my daily life of love.

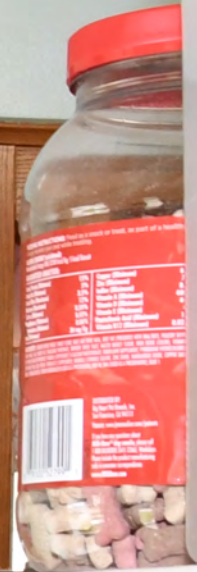

Mom
When you're here through
The rest of which I could
and I'm glad to make another
linked by your gentle hand
The children you have shown
In every word and deed
We have a memory of the life
In the love lines of your face
