

the pipe line maintained on this land by The Buckeye Pipe Line Company will in any wise interfere with the use for which this property is being purchased by your department in the name of the state of Ohio, is, of course, a question for you to determine before the transaction for the purchase of this property is closed by the issuance of a voucher and warrant covering the purchase price of the property.

Contract encumbrance record No. 1534, which has been submitted as a part of the files relating to the purchase of this property, has been properly executed and the same shows a sufficient unencumbered balance in the proper appropriation account to the credit of the State Highway Patrol Division of your department to cover the purchase price of this property, which purchase price is the sum of \$2150.00. It likewise appears by recital in this contract encumbrance record, as well as by the certificate of the Controlling Board, that the purchase of this property at the price above stated has been approved by this board.

Subject only to the exceptions above noted, the title of Rudy G. Simmons in and to the property above described is approved as is the warranty deed, contract encumbrance record and other files submitted to me. I am herewith returning to you the abstract of title, warranty deed, contract encumbrance record No. 1534, Controlling Board certificate and other files relating to the purchase of this property.

Respectfully,

JOHN W. BRICKER,
Attorney General.
