COLUMBUS, OHIO, October 28, 1936.

HON. CARL G. WAHL, *Director, Department of Public Works, Columbus,
Ohio.*

DEAR SIR: This is to acknowledge the receipt of your recent communication with which you submit for my examination and approval certain findings made by you as Superintendent of Public Works adjusting

and reducing the current rentals to be paid on certain leases for the year from November 1, 1936, to November 1, 1937. These findings were made by you upon applications filed with you by the several lessees, under the authority of House Bill No. 467, 115 O. L., 512. The leases here in question, designated with respect to the names of the several lessees, the numbers of the leases and the amount of the reductions of the rental under the lease for the year above mentioned, are:

<i>Name</i>	<i>Number</i>	<i>Amount of Reduction</i>
Frederick F. Bayer	O. 321	\$ 14.00 to \$ 10.00
E. G. King & Pearl Gilliotte	M&E 217	\$108.00 to \$ 97.20
E. G. King & Pearl Gilliotte	M&E 113	\$158.00 to \$142.20
John W. Chapman	O. 346	\$ 27.00 to \$ 20.00

The reasons assigned in the several applications for the adjustment and reduction in the amount of the current rentals under these leases are such that if the facts therein stated are true, they may well justify the several reductions therein requested. Assuming, as I do, that you have investigated these several applications and the facts therein stated as reasons for the reductions requested, I am approving the findings granting the reductions in the amount of the current rentals to be paid under these several leases.

With respect to the lease last above referred to, you have also by your finding granted a reduction in the amount of the delinquent rental under this lease for the year from November 1, 1935, to November 1, 1936, from the sum of \$27.00, the rental provided for in the lease, to the sum of \$20.00. Likewise, in the case of M&E Lease No. 220 executed to The Morris Tire Company under date of October 1, 1926, and now owned and held by one Z. E. Hammon, you have by your finding granted a reduction in the amount of the delinquent rental due and payable under this lease for the term from May 1, 1933, to November 1, 1936, from the sum of \$777.00 to the sum of \$582.75. As in the case of the other leases above referred to, as to which you have granted reductions in current rentals, the reasons assigned in the applications for the requested reductions in the amount of the delinquent rentals under the two leases last above named are such as justified you in making the reductions evidenced by your findings; and the same are herewith likewise approved. I enclose herewith the several findings made by you in the matters above referred to, as well as the applications and other files relating to these several rental reductions.

Respectfully,

JOHN W. BRICKER,
Attorney General.
