

be disapproved for the reason noted and discussed in Opinion No. 2400, copy herewith enclosed.

In this case it appears that the resolution of necessity for this improvement was passed February 21, 1921; that notice of the passage of said resolution was served upon the owners of abutting property on April 9, 1921, and that theretofore, on March 7, 1921, council passed its ordinance determining to proceed with said improvement. This situation of fact in connection with the other opinion referred to sufficiently discloses my reason for disapproving this issue. I am therefore of the opinion that this issue of bonds should be rejected.

Respectfully,
JOHN G. PRICE,
Attorney-General.

Re: Bonds of the city of Lorain, Ohio, in the sum of \$8,000 in anticipation of the collection of assessments for the improvement of Wood avenue from East 28th street to East 30th street.

GENTLEMEN:—An examination of the transcript of the proceedings of council relating to this issue of bonds shows that said issue of bonds must be disapproved for the reason noted and discussed in Opinion No. 2400, copy herewith enclosed.

In this case it appears that the resolution of necessity for this improvement was passed February 7, 1921; that notice of the passage of said resolution was served upon the owners of abutting property on February 28, 1921, and that theretofore, on February 21, 1921, council passed its ordinance determining to proceed with said improvement. This situation of fact in connection with the other opinion referred to sufficiently discloses my reason for disapproving this issue. I am therefore of the opinion that this issue of bonds should be rejected.

Respectfully,
JOHN G. PRICE,
Attorney-General.
