DISAPPROVAL, BONDS OF VILLAGE OF NORTH COLLEGE HILL, HAMILTON COUNTY, \$5,436.66.

COLUMBUS, OHIO, November 20, 1925.

Re: Bonds of Village of North College Hill, Hamilton County, \$5,436.66.

Retirement Board, State Teachers Retirement System, Columbus, Ohio.

GENTLEMEN:—The transcript submitted for this issue discloses that these bonds are to be issued in anticipation of the collection of sidewalk assessments. The minutes contained therein show the passage of resolutions Nos. 122, 123, 124, 125, 126 and 127, but there are no copies of the resolutions from which the validity of the same may be determined.

Without showing any notice to property owners as required by law, and without showing any compliance with the provisions of section 3895 of the General Code by publishing notices of the assessments, the transcript then shows the passage of the assessing ordinance and the bond ordinance and affidavit of the publishers giving notice of the bond sale.

There is no evidence that the bond ordinance or assessments have been certified to the county auditor from which it may be determined that a levy will be made and assessments collected to meet maturing bonds and interest.

The attorney for the village recites in his letter to you that the officials of the village would appreciate a rejection of the bonds by you.

In view of the fact that I cannot approve the issue on the information furnished by the transcript, and especially in view of the fact that the officials desire a rejection, I am therefore disapproving the issue and you are advised to reject the bonds.

Respectfully,
C. C. CRABBE,
Attorney General.
